# The WORLD Watched a CIA Coup D'état Waged against President Trump

**Central Banking Systems, Petro-Dollar, and Global Exploitation**

Nations that attempt to dismantle Central Banking Systems, reject the Petro-Dollar, or expel United States Special Interest Corporations often face aggressive interference from intelligence agencies such as the CIA and MOSSAD. These agencies, operating on behalf of Wall Street, Big Banks, and the Military-Industrial Complex, orchestrate coups to overthrow non-compliant leaders and install puppet governments. These puppet leaders are controlled by the CIA, Central Bankers, and multinational corporations to ensure the continued exploitation of natural resources and wealth, which are funneled out of the country, leaving the native population impoverished.

Wall Street refuses to invest in foreign companies or nations where democratic elections every four years could threaten corporate interests. To maximize profits, the Cabal—comprising Wall Street, Central Bankers, and the Military-Industrial Complex—requires long-term stability and security, often spanning 50 to 100 years. This ensures not only a return on investment but also maximized profits derived from the exploitation of a country's resources.

**The CIA: A Terrorist Organization**

The CIA, often labeled a terrorist organization by critics, operates with minimal oversight. Internal guidelines meant to prevent abuse remain largely unimplemented. CIA officers are not required to document their actions, including compiling or accessing private information. The agency's enhanced surveillance capabilities, often dubbed "CIA-Google," allow for unchecked monitoring of individuals without accountability.

**The FBI: Complicity in Domestic Terrorism and Entrapment**

The FBI's track record reveals a troubling pattern of foreknowledge and complicity in numerous acts of violence and terror within the United States. Despite being tipped off about potential threats, the FBI often fails to act, leading to tragic outcomes:

- **Pulse Nightclub Shooting (Omar Mateen):** The FBI received a tip from the local sheriff but took no preventative action, resulting in 53 deaths.
- **Las Vegas Shooting (Stephen Paddock):** The FBI was aware of Paddock's massive weapons stash. The attack left 60 dead and 800 injured.
- **Charleston Church Shooting (Dylann Roof):** Foreknowledge of Roof's intentions did not prevent the loss of 9 lives.
- **San Bernardino Attack (Rizwan Farook and Tashfeen Malik):** The FBI's inaction resulted in 14 deaths.
- **Sandy Hook Elementary Shooting (Adam Lanza):** Despite prior knowledge, 26 lives were lost.

- **Boston Marathon Bombing (Tsarnaev Brothers):** Russian authorities tipped off the FBI, yet the attack claimed 3 lives and injured hundreds.
- **Parkland High School Shooting (Nikolas Cruz):** The FBI's failure to act led to 17 deaths.
- **Fort Hood Shooting (Nidal Hasan):** Inaction resulted in 13 deaths.
- **Boulder Shooting (Ahmad al-Aliwi Alissa):** Despite forewarning, 10 lives were lost.
- **Garland, Texas, Shooting (Elton Simpson and Nadir Soofi):** Another instance of foreknowledge without intervention.
- **9/11 Attacks:** The FBI ignored warnings about terrorists training in U.S. flight schools, resulting in 2,977 deaths.
- **Oklahoma City Bombing (Timothy McVeigh):** Evidence of accomplices was suppressed, leaving 168 dead.
- **Nashville Bombing (Anthony Quinn Warner):** The FBI knew Warner was building bombs but failed to intervene.
- The FBI knew in advance the **Pulse Nightclub** shooter (Omar Mateen) & were tipped off by the local sheriff. 53 dead.
- The FBI knew in advance the **LV shooter** had huge weapons stashes (Paddock). 60 dead. 800 injured.
- The "kidnapping" of the **Michigan Governor** plan was set up by FBI.
- The FBI knew in advance the **Charleston church shooter** (Dylann Roof). 9 dead.
- The FBI knew in advance the **San Bernardino Terrorists** (Rizwan Farook and Tashfeen Malik). 14 dead.
- The FBI knew in advance the **Sandy Hook** shooter (Adam Lanza). 26 dead.
- The FBI knew in advance the **Boston Marathon** Bombers (the Tsarnaev brothers) tipped off by Russians. 3 dead, hundreds injured.
- The FBI knew in advance the **Parkland High** School shooter (Nikolas Cruz). 17 dead.
- The FBI knew in advance the **Fort Hood** shooter (Nidal Hasan). 13 dead.
- The FBI knew in advance the **Boulder Colorado** shooter (Ahmad al-Aliwi Alissa). 10 dead.
- The FBI knew in advance the **Garland, Texas**, shooters (Elton Simpson and Nadir Soofi).
- The FBI knew in advance of **9/11** that terrorists were training in US flight schools. 2,977 dead.
- The FBI suppressed a massive amount of evidence concerning McVeigh's accomplices of the **Oklahoma bombing**. 168 dead.
- The FBI knew in advance that the **Nashville bomber** was building bombs (Anthony Quinn Warner).
- The **FBI entrapped** General Flynn.
- The FBI **FISA abuse** collusion on Trump.
- The FBI knew in advance and facilitated **1/6**.
- The FBI and CIA is a terrorist organization weaponized against its own countrymen.

**Weaponization against American Citizens**

The FBI and CIA have increasingly been weaponized against American citizens and political figures. Examples include:

- Entrapping General Michael Flynn.
- Abusing FISA warrants to surveil Donald Trump's campaign.
- Facilitating events like the January 6 Capitol riot to further political agendas.

## Conclusion

The CIA and FBI's unchecked power and historical actions suggest that these organizations prioritize the interests of Wall Street, Big Banks, and the Military-Industrial Complex over the safety and well-being of American citizens. The global implications of their activities—ranging from foreign coups to domestic surveillance and entrapment—underscore their role in perpetuating instability for profit and control.

*3 Oct. 2024: BOOOM! I BREAK MY SILENCE TO SLAM CIA STOOGE MIKE POMPEO AND MAGA WOLVES …Julian Assange:*
*· I've broken my silence today to deliver a powerful message to all of you. I'm calling out CIA stooge Mike Pompeo and the so-called 'MAGA wolves' who persecuted me. This is a scathing critique of the war on truth and a demand for accountability. Will Trump finally confront those who acted in his name? The fight for free speech and exposing government lies continues.*
*· I am Julian Assange, the founder of WikiLeaks, and today I send a shockwave through the political world. In my first public address since regaining some semblance of freedom, I call out two wolves in MAGA hats—those who led the prosecution against me—and denounce the CIA's role in perpetuating a global war on truth. My words come at a critical time, as America reckons with its actions in an increasingly polarized world.*
*· I am not just a whistleblower; I've become a symbol of the war on truth. The big question now is, who will be held accountable for persecuting me—a man who revealed the military-industrial complex's dark underbelly? Will Trump set the record straight? It's time for answers, accountability, and an honest reckoning with the truth of what has happened to me and why.*
*· I won't mince words. I was prosecuted by two wolves in MAGA hats. They worked tirelessly to silence me, not for any crime, but for exposing uncomfortable truths about the U.S. government. I'm not attacking Trump directly—I'm accusing those who operated in the name of "Make America Great Again" while betraying its ideals of freedom and justice. Who were these wolves? The answer is clear: former CIA Director Mike Pompeo, who openly branded WikiLeaks a "hostile non-state intelligence service".*
*· The CIA has long sought to silence whistleblowers and journalists. Pompeo, under the guise of national security, aggressively targeted me. I was never a threat to national security—I was a threat to those in power who wanted to keep their actions hidden.*
*· By exposing these secrets, I showed how intelligence agencies manipulate narratives and control public perception. In a world that prides itself on freedom, I became the target—a stark reminder that truth-tellers are punished, while war criminals walk free.*
*· Let me underscore a harsh reality: war is sold on lies, and truth-tellers pay the price. Governments worldwide chose to shoot the messenger rather than face the real crimes I exposed. My persecution isn't about security; it's about power.*

Bryed Billerbeck SoY © Copyright 2024-12-26

*· If they can suppress the truth, what hope is there for freedom? For democracy? This isn't just my fight; it's a fight for everyone who believes in a just world, where truth and accountability prevail.*
*· Donald Trump has a chance here—a chance to reclaim the narrative by addressing my situation head-on. If he truly wants to drain the swamp and fight for truth and freedom, then he must take a clear stand for me and those who risk everything to expose the truth. To Make America Great Again, Trump must confront the injustices against me and make it clear that those who expose uncomfortable truths will be protected, not hunted.*
*· The fight for truth is far from over—now, it's time for everyone to decide which side of history they want to stand on.*

CIA’s 2024 ‘Project Endgame’ Exposed: The Secret War on Americans to Crush Your Privacy, Control Your Wealth, and Shield the Rich!

The elites are puppeteering American society, draining the wealth of ordinary citizens at an unprecedented scale. This is not hyperbole; it’s reality. Since the 1970s, they’ve constructed a brutal power machine fortified by none other than the CIA.

Bryed Billerbeck SoY © Copyright 2024-12-26

Through hidden alliances, the agency props up a grotesque elite class while society crumbles. A shadowy network of think tanks, corporations, financiers, and PR masters form an impenetrable oligarchy built in the darkness to crush democracy. CIA's twisted “national security” mandate exists to protect this elite power structure, trampling anyone who dares challenge it.

Let’s be clear: the CIA isn’t some “innocent player.” It’s the weapon of the American elite, directing its influence against the very people it claims to protect. This agency is behind a wave of assaults on anyone exposing the truth about its elites. This isn’t covert anymore; it’s right before your eyes.

CIA Control Unleashed in October 2024 Think the CIA’s meddling belongs to the past? October 2024 proves otherwise. Whistleblowers reveal a covert “Strategic Influence Division” created solely to weaponize disinformation, silencing anyone challenging the CIA-elite alliance.

Leaked documents expose Project Endgame, a sinister program targeting news outlets and journalists who dare question the elite agenda. This AI-powered machine tracks social media, hunts those questioning narratives around inequality, and dismantles any opposition.

Project Endgame: Real-Time Nightmare The CIA is deploying surveillance drones domestically to monitor activists and journalists, labeling them “threats.” These drones are equipped with facial recognition, audio interception, and catalog data on Americans challenging the elite narrative.

Whistleblowers report this data feeds into Sentinel, a program generating false narratives to discredit anyone speaking against the CIA's schemes. Fake social media accounts, incriminating data, and deepfakes are created to ruin reputations and silence voices.

Big Tech’s Unholy Alliance with the CIA The CIA’s reach doesn’t stop with drones. Major tech corporations actively collaborate in this assault on free speech. With a new "Alliance for Responsible Information" (ARI), Big Tech hands over user data to the CIA to identify and suppress “misinformation.” Truth-seekers are erased, their voices silenced.

Global Manipulation and Sanitized News Globally, the CIA funds mercenaries to destabilize resource-rich regions, ensuring corporate interests are untouched. Mainstream media, complicit with the CIA, sanitizes the truth. Journalists who refuse are blacklisted, ensuring only the CIA-approved version reaches the public.

Operation Homeguard: Monitoring Dissent at Home Domestically, Operation Homeguard monitors protests, journalists, and anyone defying income inequality and elite control. Using facial recognition, the CIA has created a National Dissenter Registry (NDR) cataloging dissenters, tracking social media, purchases, and conversations to crush movements before they gain traction.

Financial Warfare: Bankrupting the Public Operation Endow sees the CIA collaborating with banks to manipulate interest rates and crash markets, siphoning wealth from Americans to the elites. Timed “stress tests” and stock crashes ensure the public suffers while the elites profit, funneled into secret accounts.

A Final Assault on Privacy The CIA is installing biometric tracking systems across public spaces under “national security.” Project Overseer monitors every movement, turning America into a real-time surveillance state. This is an attack on freedom and privacy in 2024.

The stakes are high: either we resist this shadow government, or we accept life under its rule. America, it's time to wake up and confront this machinery of oppression.

*Donald Trump was named Time Magazine's "Person of the Year" for 2024, hailed for "marshaling a comeback of historic proportions" and reshaping the global political landscape. As Trump prepares to retake office, his closest ally, Italian Prime Minister Giorgia Meloni, has been declared the "Most Powerful Person in Europe" for 2025 by Politico Magazine. The report states: "In less than a decade, she has gone from being dismissed as an ultranationalist kook to being the leader Europe and Washington can work with."*

*· This announcement comes amid rising tensions after a shocking assassination plot targeting Prime Minister Meloni was uncovered. The far-right supremacist group Werwolf Division had planned "serious attacks" near the Italian Parliament and the Palazzo Chigi. Police detained 12 suspects during raids across Italy, uncovering plans in advanced stages. The group accused Meloni of being a "fascist who persecutes fascists," underscoring the deep divisions within Europe.*

*· Over the weekend, Meloni and Trump met in Paris to cement their alliance, reinforcing their shared vision as antiwar nationalist populist leaders challenging the globalist agenda. Their growing influence has made them prime targets.*

*· Assassination Attempts on Antiwar Leaders: Meloni's targeting follows a disturbing pattern of recent attempts on the lives of antiwar populist leaders. President Trump himself survived two assassination attempts this year: on July 13 and September 15. In the first incident, the assassin was killed by police snipers; in the second, a Secret Service agent fired six shots at close range but failed to hit the attacker, who was later apprehended.*

*· Slovakian Prime Minister Robert Fico, another antiwar leader, narrowly survived an attack when he was shot five times on May 15. These attacks mirror the historic assassination of President John F. Kennedy on November 22, 1963, who was targeted while attempting to end the Vietnam War.*

*· Robert F. Kennedy Jr., now part of Trump's incoming Cabinet, has openly accused the CIA of orchestrating both JFK's assassination and the killing of his father, Senator Robert F. Kennedy Sr. Today, it was revealed RFK Jr. is lobbying for his daughter-in-law, Fox Kennedy, to become deputy CIA director, vowing to "get to the bottom" of the agency's role in these assassinations.*

*· THE STORM IS HERE. Antiwar leaders standing against the globalist war machine are under fire, both figuratively and literally. The stakes have never been higher. Patriots, stay vigilant. The battle for freedom is just beginning.*

Wed. 18 Dec. 2024: Inside information from The CIA says at the beginning of Donald Trumps term there will be attacks inside America. Sarah Adams, Former Targeting Officer at The CIA, "I'm certain we'll either have embassy attacks in 2025 or the homeland attack, or both."
