False Flags and Their Dual Purposes

False Flags and the Deep State:

False flag operations have long served as tools for manipulation and control, allowing those in positions of power to distract, instill fear, and consolidate authority. These events typically pursue three simultaneous objectives:

1. Diverting attention from the exposure of unethical or criminal activities.
2. Fostering a climate of fear and uncertainty.
3. Positioning government entities as the only viable solution, thereby eroding individual sovereignty and freedoms.

This document explores historical and contemporary examples of false flags, contextualizing them within the overarching strategy of the "Deep State."

Historical False Flags

1. The Boston Tea Party (1773) Often celebrated as a pivotal act of defiance against British rule, the Boston Tea Party was as an early false flag operation. Beyond its intended message of protest, it stoked hostilities toward indigenous tribes in North America, redirecting public anger and advancing ulterior motives.

2. The Assassination of Abraham Lincoln (1865) Though widely accepted as the act of a lone gunman, Lincoln's assassination was orchestrated to derail his post-Civil War reconstruction policies. These policies threatened entrenched power structures that relied on division and exploitation.

3. The Assassination of John F. Kennedy (1963) JFK's presidency marked a direct challenge to entrenched financial and intelligence systems, including the Federal Reserve, CIA, and FBI. His push to move the U.S. to a silver-backed currency represented a threat to the fiat system controlled by the Deep State. His assassination ensured the continuation of these mechanisms of control.

Modern False Flags and Manipulations

1. Assassination Attempts on Donald Trump Recent events highlight the lengths to which the Deep State may go to neutralize perceived threats. Attempts on Donald Trump's life are not isolated incidents but part of a broader strategy to prevent him from exposing systemic corruption. These efforts stem from:

- The need to conceal dirty dealings in Ukraine, including biolabs, child trafficking, Adrenochrome manufacturing, and financial corruption tied to Burisma and the CCP.
- Fear of Trump's ability to dismantle these networks, turn off financial pipelines, and expose global conspiracies.

Bryed Billerbeck SoY © Copyright 2024-12-14

- The Deep State's agenda against Donald Trump remains relentless. Following a failed assassination attempt, their desperation has intensified, leaving them unable to reverse course. This escalation is forcing military and tribunal interventions.
- Corruption tied to the Biden-Obama administration highlights their entanglements in Ukraine—biolabs, child trafficking, Adrenochrome production, Burisma connections, and CCP ties.
- Events like the Afghanistan drawdown, where 13 service members were killed, illustrate attempts to obscure the severity of governmental failures.
- Key incidents such as Obama droning an American citizen, George Bush's false claims of WMDs, and three service members killed in Jordan further demonstrate systemic misconduct.
- The FBI knew in advance the Pulse Nightclub shooter (Omar Mateen) & were tipped off by the local sheriff. 53 dead.
- The FBI knew in advance the LV shooter had huge weapons stashes (Paddock). 60 dead. 800 injured.
- The "kidnapping" of the Michigan Governor plan was set up by FBI.
- The FBI knew in advance the Charleston church shooter (Dylann Roof). 9 dead.
- The FBI knew in advance the San Bernardino Terrorists (Rizwan Farook and Tashfeen Malik). 14 dead.
- The FBI knew in advance the Sandy Hook shooter (Adam Lanza). 26 dead.
- The FBI knew in advance the Boston Marathon Bombers (the Tsarnaev brothers) tipped off by Russians. 3 dead, hundreds injured.
- The FBI knew in advance the Parkland High School shooter (Nikolas Cruz). 17 dead.
- The FBI knew in advance the Fort Hood shooter (Nidal Hasan). 13 dead.
- The FBI knew in advance the Boulder Colorado shooter (Ahmad al-Aliwi Alissa). 10 dead.
- The FBI knew in advance the Garland, Texas, shooters (Elton Simpson and Nadir Soofi).
- The FBI knew in advance of 9/11 that terrorists were training in US flight schools. 2,977 dead.
- The FBI suppressed a massive amount of evidence concerning McVeigh's accomplices of the Oklahoma bombing. 168 dead.
- The FBI knew in advance that the Nashville bomber was building bombs (Anthony Quinn Warner).
- The FBI entrapped General Flynn.
- The FBI FISA abuse collusion on Trump.
- The FBI knew in advance and facilitated 1/6.
- The FBI and CIA is a terrorist organization weaponized against its own countrymen.

White Hats' Countermeasures

The staged assassination attempt was anticipated by military insiders (White Hats). It served as a preemptive move to expose the Deep State's broader plans while protecting Trump. Trump's push to replace compromised Secret Service agents with U.S. Special Operations Command underscores his strategy to neutralize internal threats.

The "Emergency Military Government" Announcement (2024) On July 9, 2024, a military government was reportedly declared during the NATO 75th-anniversary summit. The apparent confusion—including Joe Biden introducing Ukrainian President Zelensky as "President Putin"—indicates significant geopolitical shifts. General Charles Q. Brown, Chairman of the Joint Chiefs of Staff, may now head an emergency military government, signaling an unprecedented power realignment.

Connections to Ukraine and Broader Implications

Ukraine plays a central role in Deep State operations:

Significant Figures and Networks

- Figures like George Clooney and others are implicated in funding operations benefiting Volodymyr Zelensky. The persistent conflict in Ukraine shields the Deep State's illicit activities, preventing exposure that would spell their downfall.
- Beyond Biden and Obama, the network encompasses high-ranking officials like Nancy Pelosi, Hillary Clinton, and others, spanning governments and secret organizations globally, including Israel.
- Hunter Biden's suspicious art sales exceeding $1M and Epstein's client list remain uninvestigated, reflecting systemic corruption.
- This vast operation implicates hundreds of thousands—media, secret services, scientists, and law enforcement—operating in a chain of crimes against humanity.

CrowdStrike and Congressional Corruption

- CrowdStrike, a Deep State cybersecurity company, has played a pivotal role in election interference and data manipulation. Their servers, located in Ukraine, represent a national security threat.
- Key individuals linked to Ukrainian money laundering include:
    - Kevin McCarthy
    - Steve Cohen
    - Diana Harshbarger
    - John Axne
    - Dwight Evans
    - Fred Upton
    - And others named in previous investigations.

- **Biolabs and Corruption**: Barack Obama, Joe Biden, and other figures facilitated biolab setups, money laundering, and financial exploitation in Ukraine.
- **FTX Scandal**: Sam Bankman-Fried's financial schemes funneled Ukrainian money through platforms like Alameda Research, benefitting the Democratic Party and Deep State apparatus.

The Deep State's Remaining Playbook

Bryed Billerbeck SoY © Copyright 2024-12-14

Despite mounting exposure, the Deep State retains a menu of potential false flags, including:

- **Nationwide Blackouts**: Creating fear and dependency on centralized solutions.
- **Fake Alien Invasion**: Leveraging advanced, hidden technologies to manipulate global consciousness.
- **Removal of Key Figures**: Using high-profile incidents to further consolidate control.
- **Missing Explosives and Escalating Threats**: Provoking crises to justify authoritarian measures.

The Deep State's Desperation and Strategy

Leaked documents reveal an orchestrated plan by globalists and the CIA to stage an assassination attempt on Trump, framing Iran to incite war. This operation would serve as a smokescreen for:

1. Suppressing revelations about Jeffrey Epstein's network.
2. Concealing the origins of bioweapons like COVID-19.
3. Distracting from election fraud evidence.

Unreported Stories

Numerous significant events remain underreported, including:

- Maui wildfires.
- East Palestine, Ohio chemical spill.
- Joe Biden’s mishandling of classified documents.
- Fauci’s collaboration with China on bioweapons.
- Corruption within the Veterans Affairs prioritizing illegal immigrants over veterans.
- Pizzagate “debunker” jailed for possession of child pornography.
- Spy balloon data compromising national security.
- Ukraine intelligence leaks revealing exaggerated battlefield losses.
- Controlled media narratives during the BLM and Antifa riots of 2020.
- Over 85,000 missing children at the southern border.
- Epstein’s clients.
- Biolabs found in California.
- Vaccine side effects and the Chinese lab leak theory.
- Warrantless spying approved by Congress violating the 4th Amendment.
- Additional controversies include J6 political prisoners, the destruction of encrypted evidence by the January 6th committee, and Nancy Pelosi’s admission of responsibility for J6 security failures.

The Deep State’s relentless maneuvers highlight the urgent need for public awareness and accountability. The ongoing chess match between patriots and globalist operatives edges closer to a decisive checkmate.

Conclusion

The systematic use of false flags underscores the lengths to which the Deep State will go to maintain power. These operations, while varied in scope and execution, consistently aim to distract, instill fear, and erode freedoms. Understanding their playbook is the first step in resisting their influence and reclaiming individual sovereignty.

Deep State False Flags: Mechanisms and Motives

Modern False Flags and Deep State Activities

Deep State false flags are used usually for 3 purposes, simultaneously. The first is to distract our attention from the exposure of some evil they are committing and the second is to keep us constantly living in fear of some disaster and the 3rd is to convince us that government, they, are the only solution so that we willingly give up more of our sovereign rights and God given freedoms so "they can save us" from all the crap they do to us.

Here are numerous examples:

1. Boston Tea Party – Before "911" and "Pearl Harbor", the "Boston Tea Party" was the first 'false flag' operation enacted to promote further hostilities toward the indigenous tribes of North America.
2. Abraham Lincoln Assassination –
3. JFK Assassination – JFK understood the DS and their financial prison they were putting the USA under via the FED, IRS, CIA, FBI, Central Bank and Fiat Currency. He knew that going to the Silver Standard, it would break the DS financial strangle hold on us.

They won't rest until Trump is dead.

With this failed assassination attempt, all inhibitions have fallen and they can no longer go back or stop. You are now forced to finish it. This will ultimately bring the military and the tribunals into action.

It all comes from Biden and Obama because they have to cover up their dirty dealings in Ukraine. The biolabs, child trafficking, adrenochrome manufacturing, the corruption via Burisma and the ties to the CCP.

Why is George Clooney involved? Why do people keep pumping money into Zelensky's pockets?

Why don't you want the war to end?

Because they know that then their game is over and everything depends on it. They will all end up on the gallows if Trump ends the war within 24 hours. He turns off the money tap and then it's time for work.

Bryed Billerbeck SoY © Copyright 2024-12-14

It's about their lives and they do everything to ensure that their pig schemes are not discovered and can even be continued. And this is not just about Biden, Obama, Pelosi and Clinton, this is about everyone who sits in the government, the Zionists in all countries up to Israel, the source of evil. We are talking about hundreds of thousands who are involved, plus their henchmen, secret services, media, doctors, scientists, civil servants, the police, etc. It is a gigantic chain of crimes against humanity. Treason at every level.

And just because Trump wants to end it all, these tyrants are going all crazy and trying to get him out of the way. The deep state will get itself deeper and deeper into shit because people can see it and are lining up behind Trump. That's their biggest problem. Even if they manage to kill Trump, they wouldn't be able to stop it.

🔊 Emergency Thought Crime

You know based on current headlines I wouldn't be surprised that the Deep State would assassinate Joe Biden and blame it on D. Trump supporters. Which ofcourse will probably prompt Cabal to deploy their bkack hat military. We can not underestimate how desperate these people are. Because they could use this as an excuse to cancel elections and do a full court press and put the entire nation on lockdown.

Blaming such actions on groups like MAGA or a foreign nation like Iran would has already been carefully orchestrated plan with falsified evidence, that can creat international and domestic crises. But in less than 24 hrs D. Trump will be officially receiving security briefings. And I think now that flaws have been shown in the secret service who are trying to blame local law enforcement will surely be something of high consideration by D. Trump to now overtly use the US Military for protection.

Something we have been covertly under since 2020 or even before that when the 11.3 Laws of Wars operations was implemented that allowed the military to work behind the scenes. Some know this as EO-13912 that allowed D. Trump to be a War Time president indefinitely under the new republic that was enacted on July 4th 2020. Evidence of this can be found in a testimony where D. Trump stated officially under oath that he was not the president in January 2021 prior to Joe Biden taking office.

Many people would say how is this possible. Because that would mean no one was running the country for 20+ days which would be a 1st for any presidency. Because most people do not know that we have been under a corporate government since 1871. Which was a fictitious foreign body that is governed by foreign powers. Along with agencies like the CIA, Mossad, Pentagon, and MI6. Who are panicking at the thought of being arrested due to the crimes committed under the guise of Covid-19 and not to mention the Jan-6th incident. Never the less prior to those crimes they were already headed to Gitmo for the 2020 election fraud.

Bryed Billerbeck SoY © Copyright 2024-12-14

Everything they have done since then was another shot at correcting that mistake because Michael Flynn knew that in order to pull that off without anything leading back to the agencies he worked for he had to attempt to get Donald Trump to call Martial Law so he can then confiscate the Dominion Voting machines. I gave you all a good breakdown of this as to why. Which would lead back to those phone records in "The Flynn Network".

Do you all see how massive the Cabal networks are?

These false flag operations will not slow down. Because here is what else they have not scratched off their bucket list before going to Gitmo.

The Missing Explosives **?**

The USL/ESLs Release **?**

J. Biden Removal Before November 5th **?**

Nationwide Blackout **?**

Fake Alien Invasion **?**

They have quite the list to choose from and definitely have the technology to pull it off. But ofcourse as I have said before we are watching a chess match and the final move before checkmate can only be made by the Cabal. Because the US Military knows that they only have so many moves left on the board. And it will also help in introducing the public to advance technology that has been hidden.

The Cabal are being allowed to make these desperate moves because it brings about disclosure in a more organic way where people will understand at that point that there have always been factions hell bent on enslaving them and were forced to reveal those plans because they wanted to retain power by not allowing people like D. Trump take office when his slogan has always been "Power To The People". Which is also found in his many policies and speeches.

Bryed Billerbeck SoY © Copyright 2024-12-14

Not to mention the assassination attempt that has already caused a shift in the consciousness of people who are going after those making snarky post about how the shooter should have taken gun lessons prior to attempting his 1st k•ll. Tenacious D had to cancel the rest of their tour from the backlash they have received. So the tide has already turned in D. Trump's favor in that regard.

n case you missed it, the US now has a military government

- First of all this week let me start with a message to the people who broke into my computer and deleted my notes for the week: Any government that is afraid of the truth is doomed. When this is all over, you will either be executed for treason or spend the rest of your life in jail.

- Now for the news: The biggest event for the West in the past week was the announcement of a military government in the US on July 9th. This announcement was made during the NATO 75th anniversary summit meeting in Washington DC. In case you missed it, here it is on the official White House website:

- To underline this, the actor playing the role of President Joe Biden stood in front of the entire assembled NATO delegations to introduce Ukrainian President Vladimir Zelensky as “President Putin” and Vice President Kamala Harris as “Vice President Trump.”

- Biden also said that he took orders from his “Commander in Chief, the chief of staff of the military.” Although the White House Press release does not say who Biden handed power to, it is a safe bet to say General Charles Q. Brown. Chairman of the Joint Chiefs of Staff is now running an emergency military government.

- You could see from the faces of so-called National Security Adviser Jake Sullivan, fake Defense Secretary Lloyd Austin and Satanic Secretary of State Anthony Blinken that they were not in on the regime change.

- The installation of a military government comes amid huge geopolitical events during the past week involving the emergence of a Eurasian military alliance that dwarfs NATO and is about to absorb NATO. We will look into that further below.

- For now though, we note the false flag assassination attempt against Donald Trump over the weekend. The first thing to say is we are all sick and tired of politics being run via street theater staged by Freemasons. A healthy society should have a public discussion based on facts to decide the best course to navigate into the future. If the results are not satisfactory, then we change course accordingly. Having secret societies decide without public input inevitably leads to social decay and inequality.

- OK having said that, it is clear the assassination attempt on Trump was staged to get public opinion to support the arrest of Trump opponents. Here are the signs:

- First of all before the event, Biden said “It is time to put Trump in a bullseye.”

- Then recall this tweet put out by Alex Soros widely interpreted as offering money for the assassination of Trump.

- In addition to this, many political commentators like Rick Wilson on MSNBC called for someone to “put a bullet in Donald Trump.”

Bryed Billerbeck SoY © Copyright 2024-12-14

- Since the would-be assassin was a member of ANTIFA who appeared in Rockefeller-controlled BlackRock commercials, it is likely there was a genuine plot by the Khazarian Mafia to kill Trump.

- So, the likely scenario is the White Hats let the Rockefeller group proceed with this attempt in order to give them enough rope to hang themselves with.

- The fact Secret Service snipers were told to stand down even after many people spotted the would-be assassin also indicates the event was orchestrated: My name is Jonathan Willis, I'm the officer in the famous photo of the two snipers on the roof at Trump's rally. I came here to inform the public that I had the assassin in my sights for at least 3 minutes, but the head of the secret service refused to give the order to take out the perp. 100% the top brass prevented me from killing the assassin before he took the shots at President Trump.

- My overall impression is this event was typical of the KM. Whenever bad news like a record trade deficit comes out, they stage a distraction, like having Britney Spears display a tit in public and then have the media concentrate on that.

- The Freemasonic attempted assassination ritual came amid huge geopolitical events and extremely serious fighting in the ongoing secret war for the planet Earth.

https://t.me/The17th_LetterQ/353 Had Trump been assassinated, Rothschild, BlackRock, VanGuard, Bush's and Cheney's stood to gain $696 billion up to 1 $ TRILLION in profits. 1/4 of this entire portfolio shorted DJT stock the day before the assassination attempt.

People listen to me. If you do not think today is massive on a historical scale let me inform you about CrowdStrike. The servers are located in Ukraine. Can you say election interference? This is a Deep State cybersecurity company. People this is a National Security threat. What did D. Trump receive officially yesterday?

Now I want you to think about those in the Democratic Party specifically even though both sides of the political isle are compromised let's just say we are being partisan for sh*ts & giggles.

Who help set up the biolabs in Ukraine before they even became president? Barrack Obama. Who was found to be money laundering out of Ukraine? Joe Biden. Who was found to be funneling money to Zelensky through the FTX and the trading firm Alameda Research platform and donating to the Democratic Party?

Sam Bankmen Freid. Who were the people in congress who were caught money laundering out if Ukraine?

Kevin Mccarthy

Bryed Billerbeck SoY © Copyright 2024-12-14

Steve Cohen

Diana Harshbarger

John Axne

Dwight Evans

Fred Upton

Etc.

There are many more ofcourse that were named last year. But this is about CrowdStrike. Do you now know that the bulk data collected on this outage is going to be given directly to Donald Trump? People this reaches the highest level of government. People ask yourself why is this all coming out hours after D. Trump took his nomination at the RNC? Did he tell you on July 10th that the final battle takes place in 7 days right? Now look at all the events that has transpired since you went to sleep.

This is all connected to the NSA.

This is all connected to the CIA.

This is all connected to the FBI.

Now you can understand the magnitude of what happened with the assassination attempt much clearer. Because the Deep State knew that once D. Trump became the nominee he would no longer wait to strike as what he now is doing is officially public knowledge and can bring everything happening behind the scenes into the forefront for public discourse. Because Joe Biden took this privilege away from him 2 years ago.

Now does the phrase "Panic In DC" make more sense now?

Leaked cables reveal a CIA and globalist [Deep State] plot to stage a real assassination attempt on Trump and blame Iran. Explosive military and FBI files confirm that Iran is being framed for planning bombings to take out Trump.

- False Flag Alert: Military wires indicate this is a staged false flag event by the CIA and globalists, aiming to incite war with Iran. This scheme is a cover-up for Deep State operations, including Epstein-related activities and the virus creation, ensuring these secrets stay buried with a new administration.

- White Hats' Countermove The Truth Behind the Fake Assassination Attempt: The first staged attempt was a strategic move by the white hats. They anticipated the deep state's real plot to kill Trump and blame Iran. This would enable the globalist CIA and Pentagon to wage war, distracting from their sinister operations, including money laundering and pandemic cover-ups.

- Trump's Battle for Genuine Protection: Trump is pushing to replace the Secret Service with U.S. Special Operations Command and true Special Forces, as many current agents are suspected to be deep state operatives. The Secret Service's compromised intelligence poses a significant threat to Trump's safety at rallies.

- Behind the Scenes: Documents are being filed by Trump and his military advisors, expressing their loss of confidence in the Secret Service and certain intelligence sectors within the FBI, CIA, and Pentagon. The aim is to secure overt military protection for Trump.

- Preparing for a Real Threat: The staged assassination was a crucial warning to Americans. The next attempt is expected to be genuine and could trigger a full-scale war with Iran. The deep state's plan includes killing both Trump and Biden, blaming MAGA and Iran, respectively, to enforce martial law and appoint an emergency president.

- Deep State's Coup Plan: The Deep State aims to seize control through these assassinations, leading to a military coup, widespread censorship, forced vaccinations, and the arrest of thousands of patriots, including prominent figures like Carlson, Musk, and Patel.

TRUMP is smiling..... Watching the PLAN of the ALLIANCE unfold

World war ESCALATION being aggressively pushed by Biden and NATO because tyrants need a food scarcity crisis to reach global depopulation milestones

Biden and NATO don't want peace in Ukraine. They need a world war in order to pick up their depopulation agenda that didn't achieve the extermination milestones they had hoped to achieve with covid vaccines.

The covid plandemic was launched in order to achieve two key things: 1) Rapid expansion of authoritarianism by terrorizing the population with covid fear, and 2) Global depopulation / extermination through covid vaccines which are actually gene-altering infertility jabs and "clot shots." These jabs also alter human DNA and result in gradual cancer deaths over a decade. (You will see huge spikes in cancer deaths for 2021 and 2022 once the numbers are officially reported.)

Financial analyst Edward Dowd, who works with statisticians that are analyzing CDC data, has concluded there are so far 1.1 million excess deaths in the United States since the vaccine push began.

Even 1-2 billion deaths from the vaccine isn't enough for the satanic globalists

Unfortunately for the globalists, the vaccine extermination agenda failed to achieve their depopulation milestones. Although 1-2 billion people will likely die from mRNA vaccines over the next decade (from heart attacks, strokes, blood clots, etc.), this is nowhere near the 7+ billion deaths that the depopulation globalists are trying to achieve.

In order to achieve the much larger die-off they desire, globalists need to decimate the global supply chain that provides food and energy to the world. These are also interrelated since energy (in the form of natural gas) creates nitrogen-based fertilizer that's used to produce food. In addition, energy is a critical farm input in the form of diesel fuel that powers tractors and transportation trucks.

The Deep State Cabal oppressors with their criminal puppets and false stories of debt, banking, inside jobs, mass murders, mass surveillance, terrorist attacks, plane crashes and religious deception are falling apart. More than 13 centuries of elite-led misinformation will soon come to an end. Disclosure means LIGHT and change for the healing of humanity and our planet.

People, inside and outside governments, are beginning to speak the truth with more energy, clarity and less fear than ever before in human history. Their words are being heard, preserved and multiplied beyond the reach of our oppressors. Many things will come to light to see the world in a different light, the revelation of these truths will show how humanity has been deceived.

Many historical facts will be examined to find the exact truth. For example, how tsunamis, abnormal weather conditions and earthquakes in Japan, Central America and Haiti were deliberately caused by the cabal through secret government agencies. The fate of thousands of missing children around the world will be known. Also how and why diseases such as cancer, Ebola, AIDS, SARS, MERS, H5N1, Zika and Morgellons have been deliberately created.

To end the global warming hoax or climate change charade for deliberate environmental destruction such as poverty, wars, disease to restore the planet and humanity to optimum health.

To further increase the understanding of how deliberate bioterrorism, including GMOs, chemtrails, food poisoning, etc. are being practised by government agencies seeking to decimate the world's population.

The 188-country BRICS alliance, led by China, Russia, Brazil, India and South Africa, will become central to the global delivery of truthful news.

New "crowd-sourced" media channels will be launched. Dissemination of whistleblowing testimonies. Revelations of more effective and patriotic means of reorienting scientific research, banking, security and military culture.

Other major revelations are expected about the endemic professional corruption in health care. Pharmaceutical medicine will be shown to be a manipulative tool designed to make people sick rather than cure them.

The tools of this manipulation are sophisticated poisons disguised as expensive drugs or vaccines. They are prescribed as necessary medicines, as are radical operations which in turn require expensive drugs.

Thurs. 22 Aug. 2024 Israel is Last On Borrowed Time: The Countdown, Nesara/Gesara on Telegram

· Ask yourselves why would the Israeli citizens want Bibi Netanyahu out of office? What do you think they know about his connections to the terrorist attacks? What have I revealed to you over the past week that implicates B. Netanyahu into certain events? Because if you have been paying attention and

Bryed Billerbeck SoY © Copyright 2024-12-14

understanding the questionable actions by the Israeli government leading up to Hamas attacks the answers should be easy.

· Why Did Bibi Netanyahu turn off the Iron Dome? Why did Bibi Ignore intelligence that warned of possible encroachment of Hamas potential attacks 3 days in advance? Why would you turn off your own security system while in a hostile political environment?

· Do you see how critical the situation is? Bibi Netanyahu knows he has only so much time left on the clock. If he doesn't pull off what his Khazarians cronies want they all face exile, expulsion, and execution.

· Thanks to an interview that Mike Harris had with VT Senior Editor and Director Gordon Duff on his talk show "The Short End of the Stick" on 3-10-15. Gordon Duff disclosed that Netanyahu was a KGB spy like Jonathan Pollard. And we know now that Israel was started as a satellite of Bolshevik Russia and was quite unhappy when the Soviet Union fell.

· Benjamin Netanyahu was meeting at Finks bar in Jerusalem, a well-known Mossad watering-hole. Here is what he said as taken directly from the transcript of the recording which was witnessed and has been 100% fully authenticated. Quote: "If we get caught they will just replace us with persons of the same cloth. So it doesn't matter what you do, America is a Golden Calf and we will suck it dry, chop it up, and sell it off piece by piece until there is nothing left but the World's biggest welfare state that we will create and control." End quote. ~Benjamin Netanyahu.

· This is who was behind Covid-19 Lockdowns/Quarantine. Now do you see why they wanted to have you in those restrictions all the way until 2030? Who do you think Bibi Netanyahu wanted to win in 2016? Hillary Clinton. How were they going to turn you into a welfare state?

· Think about how many businesses were lost during Lockdowns. Think about all the stores that lost their license because they didn't want to implement those Covid-19 policies. Think about all the businesses that required mask to enter. Think about all the places that required vaccination status to access: Airports, Concerts, School, Jobs, Malls, Restaurants

· The Khazarians were behind the Irgun Bombing, 9/11, Covid-19, Las Vegas Attacks, Hamas, Etc.There is a lot more I can list.

· These Khazarians had plans going all the way back to the 40s on how they would take over Palestine. This is why Hamas was hired. Use them (Hamas) to attack Israeli citizens then blame Palestine. Get it? All the while being the mastermind behind the attacks on both Israel & Palestine. People have woken up to this all over the world. Why do you think so many celebrities are coming out to defend Palestine?

Back in 1972, NYPD Watergate Detective James Rothstein said the scandal was actually about politicians who accessed child prostitutes and the amounts they paid to rape kids involved in a CIA Mind Control Program called MKULTRA. *"The Watergate break-in was strictly based on one thing – the pedophile records that were being kept at Democratic National Headquarters." Even though in 1964 and again in 1977, Congress held hearings on the CIA MKULTRA program, results of the Congressional inquiries were never acted upon, let alone released to the public in the so-called "interest of national security." Mon. 23 Sept. 2024: "The real enemy... is humanity itself." Veteran researcher James Corbett explains how the Club of Rome laid the foundations for the "human-induced climate change" narrative. In searching for a common enemy against whom we can unite, we came up with the idea that pollution, the threat of global warming, water shortages, famine and the like, would fit the bill. All these dangers are caused by human intervention... and it is only through changed attitudes and behavior that they can be overcome. The real enemy then is humanity itself."

Let me get this right:

On 10/30 at 4pm, The White House made a tweet which simply said "Ban Assault Weapons".

at 3:22am on 11/1, news breaks out of Orlando that there is a mass shooting.

And I'm supposed to believe the two aren't related? As if the playbook isn't well known by now? Yeah. Okay. I was born at night, but it wasn't last night.

Drop 1400:

"What is the common theme when bad news is about to break (against them)?"

"Stay vigilant."

Drop 38 (11/2 Delta):

"Note false flags"

(If you've watched Eye Of The Storm, you will know that this drop has been mentioned recently as we currently have 4 carrier groups in the Pacific, and Huma is back in the news.)

"Does anyone find it to be a coincidence there is always a terrorist attack when bad news breaks for the Democrats?"

Wed. 20 Nov. 2024 White Hats on Maui Fires: You're not going to believe this (yes, you are) but the incident commander for the Maui fires was just picked up for r*ping a 12 year old child....and we already know what kind of blackmail the Deep State uses to control people, so there's that piece of the puzzle. Speaking of....is the public just never going to get answers on "why" they shut off the hydrants, never used their warning siren system, and sent people in the wrong direction to die on purpose? Keep in mind this is the fire chief, the police chief was the one that got a lofty raise for moving there after being the incident commander for the Las Vegas shooting cover up, and the Sheriff that was in charge of that same shooting is now magically Nevada's governor somehow despite being hated by even his own party. Gee, you'd almost think our out-of-control corrupt government coordinates these all these suspicious things on purpose, or something?

SATAN WORSHIPPING ILLUINATI ZIONIST DEEP STATE CABAL GLOBALIST DEPOPULATION AGENDA 2023:

THE FEDERAL RESERVE IS DESTROYING AMERICA: DEBT SLAVERY, STARVATION, AND MEDICAL TYRANNY! Wake up. America's collapse isn't an accident—it's a deliberate plan by the elites to enslave you. Every crisis—financial, healthcare, housing—is part of their agenda for total control. They're moving faster than ever. Open your eyes. …Carolyn Bessette Kennedy on Telegram

· Debt as a Weapon of War: The $35 trillion U.S. debt isn't incompetence—it's enslavement. Debt makes America a puppet, controlled by foreign powers like China. Every administration has fueled this trap. Now, China manipulates U.S. policy from within while elites sell the nation piece by piece.

· The Federal Reserve's War on You: The Fed isn't stabilizing the economy—it's crushing you. Fake inflation numbers and endless rate hikes target the middle class, not the wealthy. Essentials like food and energy keep rising, even as they claim inflation is under control.

· And the next step? Central Bank Digital Currencies (CBDCs). These aren't about convenience—they're about tracking, taxing, and controlling your every move. Resist, and they can shut you out of the economy entirely.

· The Housing Crisis: Modern-Day Feudalism: Since 2022, corporations like BlackRock have bought up homes, turning America into a nation of renters. Over 30% of the housing market is now owned by mega-corporations, pricing families out. The Biden administration's so-called "Affordable Housing Act" gives foreign investors tax breaks to steal even more U.S. land.

· Starvation as a Strategy: Control the food, control the people. Bill Gates owns massive amounts of farmland, pushing lab-grown meat and GMO crops. Over 45% of U.S. farmland is now controlled by three corporations tied to globalist agendas. Skyrocketing food prices are no accident—they're making survival impossible without dependence on government rations.

· Healthcare: A Death Factory: The healthcare system profits from your suffering. Medical bankruptcies are at an all-time high. New mandates force Americans into biometric databases, turning your health into their tool for control. Refuse, and you lose access to care.

Bryed Billerbeck SoY © Copyright 2024-12-14

· Education: Indoctrination, Not Freedom: Student loan debt surpassed $2 trillion in 2024. Universities aren't educating—they're creating obedient debt slaves. Federal grants push woke curriculums, replacing critical thinking with propaganda. AI tools now erase dissenting history, teaching only the elite's version of events.

· Corporate Collapse: A Power Grab: Small businesses are dying under regulations designed to wipe out competition. Hedge funds use insider knowledge to bankrupt companies, leaving only mega-corporations standing. This isn't capitalism—it's tyranny.

· THE ENDGAME: The elites want a technocratic dystopia: no cash, no property, no freedom. By 2025, they'll control your money, home, and even your thoughts. This is their plan. Will you let them win?

· Fight back. Resist their control. The time is now.

12 Dec. 2024: A University of Nebraska s study shows that the way to save the world on carbon is raise more cows because cows are carbon negative. They produce more oxygen than they put off methane and carbon. It means to eat more cheese burgers or steaks.

12 DEC. 2024 WHITE HAT INTEL:

· So the Pentagon is bombing countries across the world for over a century and killing humans by the hundreds and hundreds of millions through a century of war operations, including protecting the U.S. from aerial invasion attacks and has protocols to shoot down any foreign aircrafts identified and unidentified over. U.S. soil and CONUS territories.

· So why haven't the Pentagon tried shooting down just one of these invasive UFOs/UAPs. Or sending drones too capture up close footage. (Yes we all know the UAPs are fitted with technology that can kill drone batteries and reset-shock- electronics nearby in its vicinity like reset digital clocks and etc ... But the military has also drones that are shock resistant and fitted with protective shielding from short mini EMP blasts that other drones create)

· Why haven't the Pentagon even tried to capture one of the UAPs for study and see where it's coming from.

· Yes eventually the Pentagon is going to capture one, but it WILL be STAGING FALSE FLAG OPERATIONS

· Why did I tell you from Q The Storm Rider years ago that the Ukraine and Russian war would happen and in this time an Alien invasion would take place.

· This means one of the Alien contact/invasions is FAKE Pentagon/CIA/ Deep Dark Ops UAPs.

· But after a real disclosure, an Event is coming. Between the two EVENTS is military psychological operations to get the world ready. (There is bad Psyops; but also good Psyops that the military+ intelligence use)

· False Flag Warning: End of December 2024: Intel from a detainee code-named "Oracle" warns of a major false flag event aimed at diverting attention from upcoming tribunals. Planned cyber-attacks on banking systems and energy grids would create global chaos, providing a pretext for draconian control measures.

OPERATION PAPERCLIP & WERNHER VON BRAUN'S WARNING ABOUT THE ALIEN HOAX!

Bryed Billerbeck SoY © Copyright 2024-12-14

The truth has been hiding in plain sight: Wernher von Braun, the infamous scientist from Operation Paperclip, warned of the ultimate lie—the alien hoax. His chilling prediction wasn't science fiction; it was a strategy. The alien "threat" is the final deception, designed to enslave humanity under totalitarian control.

"The last card they play will be the alien card, and it's all a lie."

Von Braun's words weren't just a warning; they were an inside confession. A staged alien invasion is the final playbook of the elites—a manufactured crisis to justify weapons in space and total global domination.

THE ALIEN CARD: THE ULTIMATE LIE

We've been conditioned for decades. Hollywood blockbusters, government "disclosures," and media hysteria have primed us to fear the alien narrative. But von Braun revealed the truth: there are no aliens coming to invade or save us. The alien threat is a lie, crafted to terrify the masses into compliance.

Think about it: why now? Why the sudden surge of UFO sightings and "leaked" Pentagon footage? It's all part of the psychological operation. Fear softens the masses. The ultimate goal? Total control.

SPACE WEAPONIZATION: THE POINT OF NO RETURN

Von Braun warned that placing weapons in space would be humanity's downfall. These tools aren't for defense—they're for domination. Space-based weapons give the elites unchecked power to surveil, target, and eliminate dissenters anywhere on Earth. Once deployed, there's no escape.

From the Cold War to the Alien Hoax: The Elite's Playbook

Von Braun exposed the steps of manipulation:

The Cold War: Fear of nuclear annihilation justified endless wars and defense budgets.

Rogue Nations & Terrorism: Convenient enemies to justify surveillance and control.

Environmental Crises: Exploited to centralize power.

The Alien Threat: The final step—a fabricated global emergency to cement totalitarian rule.

COVID-19: THE TRIAL RUN

The pandemic was a beta test. Fear, lockdowns, and compliance paved the way for what's coming. The alien hoax will amplify the tactics of fear and control, leaving humanity with no way out.

False Flag Warning: End of December 2024: Intel from a detainee code-named "Oracle" warns of a major false flag event aimed at diverting attention from upcoming tribunals. Planned cyberattacks on banking systems and energy grids would create global chaos, providing a pretext for draconian control measures.

17 DEC. 2024: If Donald Trump had not been elected president or if the peaceful transition of power is disrupted in January, the following five scenarios could unfold largely as a result of actions taken by those seeking to undermine him:

1. A New Pandemic Engineered by the Elites: A fabricated global health crisis could be orchestrated, with artificial justifications for the mass culling of livestock and the destruction of agriculture. This would lead to severe shortages of organic food. In response, major tech and pharmaceutical companies, backed by political elites, could introduce synthetic nutritional pills, claiming to provide all the necessary nutrients for a day's survival. Along with this, mandatory vaccinations might be enforced, giving the government unprecedented control over the population.

2. The Dollar's Collapse as the World's Reserve Currency: Reckless financial policies, driven by globalist interests, could result in the U.S. dollar losing its status as the world's primary reserve currency. This would trigger a catastrophic collapse of the American economy, significantly damaging the GDP and leading to widespread poverty and hunger. Elites pushing for global control would be primarily responsible for the devastation, leaving ordinary Americans to bear the brunt of the economic fallout.

3. World War III on U.S. Soil: Political actions aimed at weakening the U.S. could escalate into a third world war, bringing direct military conflict to American soil. This could lead to mass casualties and depopulation in key regions of the country. The political elites, in their pursuit of globalist goals, would place American lives at risk, severely compromising the nation's ability to defend itself and further weakening its position on the world stage.

4. Open Borders and Increased Terrorism Risk: Open border policies, championed by the left, could invite an influx of immigrants from high-risk terrorist regions. This would make schools, shopping malls, and public events vulnerable to attacks. The push for unchecked immigration, driven by political correctness and the desire for votes, would increase national security risks, exposing Americans to greater threats from terrorism and undermining public safety.

5. The Fragmentation of the United States: A disrupted transition of power could create political chaos, leading to the fragmentation of the United States. States might seek secession, declaring themselves independent from the federal government. This would mark the end of the U.S. as a unified nation and potentially the collapse of America as a global superpower. The nation would descend into internal conflict, further weakening its global standing and leaving it vulnerable to external threats.

Wed. 18 Dec. 2024: Inside information from The CIA says at the beginning of Donald Trumps term there will be attacks inside America. Sarah Adams, Former Targeting Officer at The CIA, "I'm certain we'll either have embassy attacks in 2025 or the homeland attack, or both." The globalist cabal has planned chaos coming, they won't relinquish their one world government without a fight.
