Overview of Q and Its Philosophy

Q, also known as QAnon, began in 2017 as an anonymous figure or collective, releasing cryptic messages referred to as "Q drops." These messages were interpreted by followers as a roadmap to exposing a vast global network of corruption, primarily involving political elites, global influencers, and intelligence agencies. At the core of Q's philosophy was the dismantling of the "Deep State"—a term used to describe the hidden power structures of political and corporate elites believed to secretly control world affairs. Q emphasized that real change comes from showing the truth to the public rather than telling them what is true, often through military intelligence operations aimed at undermining or taking down the powerful cabal.

Core Elements of Q's Philosophy

1. **The Truth Must Be Shown, Not Told**: The belief that real transformation occurs when the public sees the truth for themselves, rather than being fed information.
2. **Crimes against Children**: A central tenet of Q's rhetoric is the focus on exposing human trafficking, child abuse, and exploitation, viewing these crimes as transcending political divides and uniting people globally.
3. **Deep State and Globalist Influence**: Q contends that powerful elites and intelligence agencies, such as the CIA and MI6, have secretly orchestrated covert operations to manipulate political outcomes and maintain control over global decisions.
4. **Military Infiltration**: The "Plan" involves military figures infiltrating high-ranking positions within the Deep State, notably General Charles Q. Brown Jr., who was appointed Chairman of the Joint Chiefs of Staff by President Biden in 2023, seen by Q supporters as part of this broader strategy.

3. **Military and Global Operations**: Covert military operations, both domestic and international, are believed to be in motion, aimed at dismantling the globalist cabal. The Devolution Plan posits that, in times of crisis, the military will assume control to ensure the continuity of government.

Global Events and Alleged Operations

1. **Middle East Conflict and Israel**: The conflict between Israel and Iran is viewed by Q as orchestrated by the Deep State to create global conflict.

Notable Events in 2024

1. **Iran's Deep State Regime**: Claims that efforts to overthrow Iran's Deep State regime were underway, involving negotiations with Russia, Saudi Arabia, and military leaders within Iran.
2. **White Hat Intel and Military Operations**: Reports that White Hat military intelligence operations were preparing for intervention, with many world leaders stepping down, anticipating major shifts.

The Devolution Plan and Continuity of Government (COG)

The Devolution Plan posits that, in a time of constitutional collapse, military forces would intervene to ensure government continuity, removing corrupt officials and safeguarding the nation.

Q: The Storm and the Vatican Announcement

In September 2024, reports suggest that the Vatican issued a global directive ordering the return of banking system assets to the Vatican Bank, following the death of the UK's Queen. This event is seen as signaling the collapse of the Deep State, particularly its control over nations like Canada and Australia, which are believed to be transitioning towards republic systems.

Q emphasizes the importance of exposing systemic corruption, with a focus on crimes such as human trafficking and child exploitation. The movement believes that the unfolding "Storm of the Century" is gradually dismantling the Deep State's power.

Black Swan Events

The Q movement also tracks a series of major revelations, referred to as Black Swan events, that are believed to expose corruption and shift the political and global landscape:

1. **Black Swan 1 - "Biden Down"**: A critical turning point, signaling the end of a prolonged operation to expose the corruption of key political figures, potentially Joe Biden.

Q's Impact and the Cabal's Fear

Q has been framed as a counterforce against the "Cabal," a network of powerful elites. The Cabal's fear stems from the exposure of their supposed criminal activities, including child exploitation, satanic rituals, and societal manipulation. The movement has been met with censorship as a result of this growing threat to the established power structures.

The Global Elite and Their Agenda

Q claims that a select group of global elites, including figures like the Rothschilds, Bill Gates, and George Soros, control many aspects of society. Their ultimate goal is believed to be global domination, with the destruction of America's sovereignty in favor of a one-world government.

The Corrupt International BAR Association (IBA)

The Military's Role in Restoring Justice

The military is portrayed as a central force in restoring justice by dismantling the control of the global elite. Alleged military orders and government in exile scenarios suggest that the U.S. military is playing a vital role in exposing corruption and ensuring justice.

The Globalist Agenda: Depopulation and Control

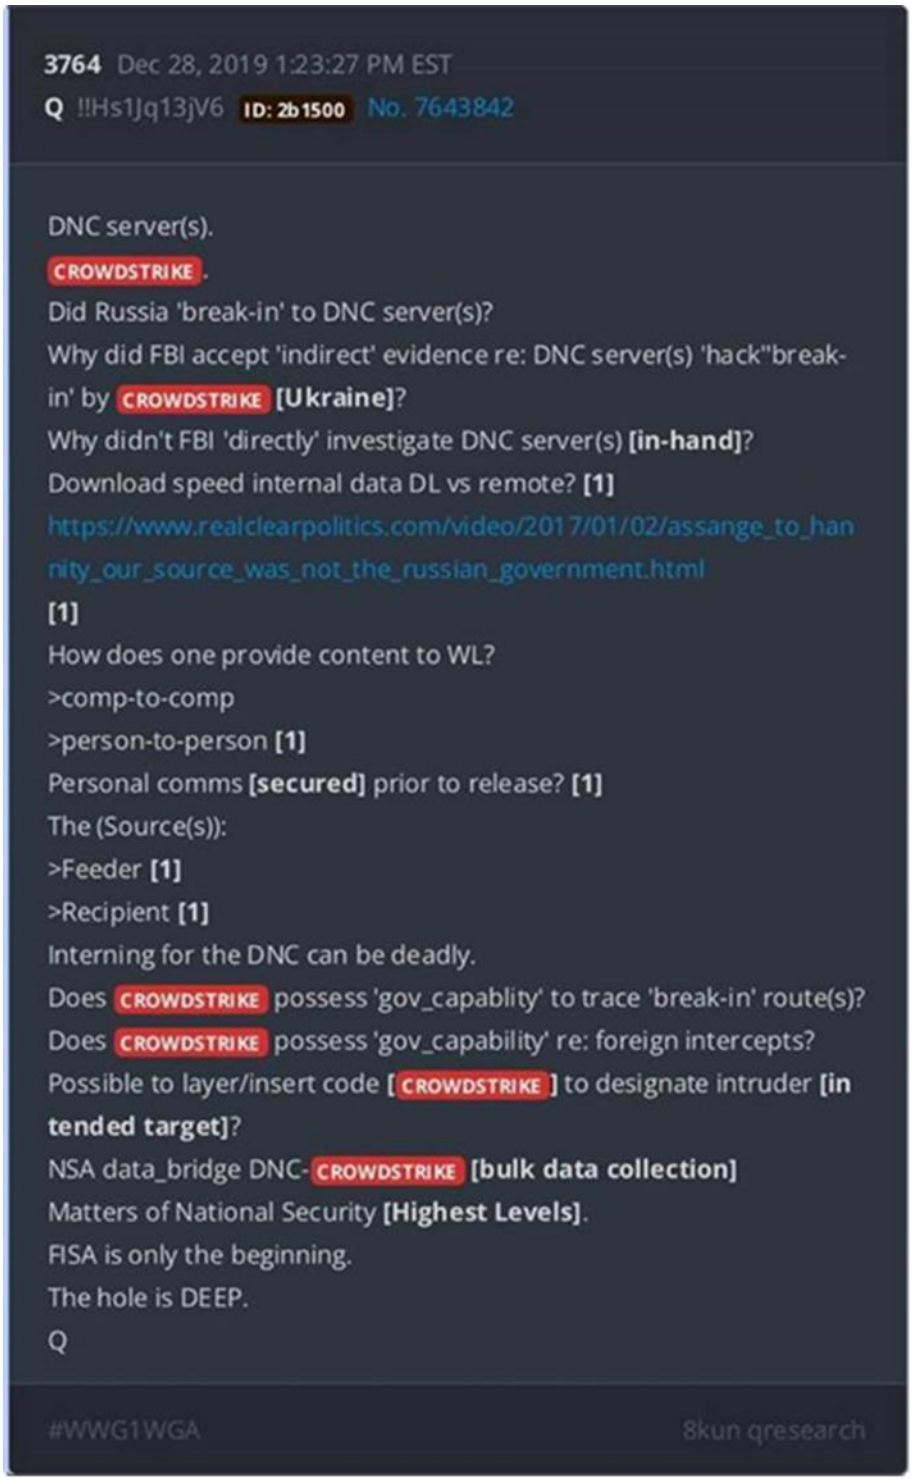

Q contends that the global elite's agenda is not only about political control but also involves dark, satanic-driven efforts to depopulate and control the world's population through mind control and occult practices.

The Continuing Struggle and the Path Forward

Despite challenges, Q's followers remain optimistic, believing that the "5th Generation War" is ongoing on multiple fronts—psychological, spiritual, and legal. The ultimate goal is a world of peace and justice, free from the influence of dark forces.

Q's Impact and the Cabal's Fear

Bryed Billerbeck SoY © Copyright 2024-12-18

Q's emergence has been framed as a counterforce against the "Cabal"—an alleged network of powerful elites who control media, politics, and finance. The Cabal's fear of Q stems from the exposure of their supposed criminal activities, including child exploitation, satanic rituals, and societal manipulation. This exposure has led to extensive censorship and suppression of Q-related content across digital platforms. According to Q's followers, these elites have long maintained power through secretive, nefarious practices, but the movement's efforts are gradually dismantling their hold on global systems.

The Global Elite and Their Agenda

Q claims that a select group of elites, including figures like the Rothschilds, Bill Gates, and George Soros, control many aspects of global society, using their influence to perpetuate wars, manipulate populations, and further their own agendas. These elites are said to have ties to deep, occult-driven forces, with the ultimate goal of global domination and depopulation. In this narrative, the global elite aim to destroy America as a sovereign nation and replace it with a one-world government.

Q's narrative positions itself as a counter-revolutionary force, with patriots and the military working to expose and dismantle these dark networks, using the power of the internet and citizen journalism to combat this corruption.

The Corrupt International Bar Association

The **International Bar Association (IBA)** is described by Q as the legal arm of the global elites, protecting the interests of corrupt politicians, corporations, and tech giants. According to Q, the IBA operates under the influence of foreign entities, especially those connected to the Roman/Vatican Empire, and is integral to upholding a corrupt legal system that shields the powerful.

- **Origins of the IBA:** Created in the 1500s, the IBA was shaped by foreign powers such as the Vatican and the British Crown, continuing its influence into modern legal systems, including the American Bar Association (ABA), which Q claims operates under Roman law traditions.
- **Legal Corruption:** Lawyers in the IBA and ABA are accused of defending and perpetuating corruption, including election fraud, pharmaceutical manipulation, and corporate malfeasance. Their influence globally ensures that efforts to challenge these systems are stifled.
- **Call for Accountability:** Q promises that the individuals and institutions involved in this corruption will face military tribunals, and the institutions themselves are set for collapse.

The Military's Role in Restoring Justice

The military is portrayed by Q as the key to dismantling the global elite's control and restoring justice. According to the movement, the military, under Donald Trump's leadership, is waging a global effort to expose corruption and criminal activity.

- **US Military Orders:** A military order allegedly issued by the Postmaster General demands that all government entities, police, and organizations stand down within seven days, or face severe consequences, including arrest and the death penalty for high treason.
- **A Government in Exile:** Q claims that Trump's government continues to function in exile, with Joe Biden serving merely as a public figurehead. Military operations, including the federalization of National Guard and Reserve troops, continue, signaling Trump's influence.
- **Indictments and Military Action:** According to Q, over 509,000 sealed federal indictments are poised to expose criminal elites. The US military allegedly has full control of mainstream media, keeping the truth hidden until the right moment.

The Globalist Agenda: Depopulation and Control

Central to Q's message is the belief that global elites are involved in a dark, satanic-driven agenda that seeks to depopulate and control the world's population. This agenda is said to involve mind control and satanic rituals influencing policy decisions that affect global societies.

- **The Pact with Evil:** Q argues that global elites have made a pact with dark forces, aiming to achieve a one-world government and to destroy America's sovereignty. This plot involves more than just corruption—it is portrayed as a spiritually corrupt agenda.
- **The Role of Q:** Positioned as a force for good, Q claims to be working under divine guidance to expose these dark forces and restore America. The military and patriots are seen as the last line of defense against the Cabal's power.

The Continuing Struggle and the Path Forward

Despite challenges, Q remains optimistic, emphasizing that the struggle is far from over. Quiet periods are seen as necessary precursors to larger revelations. The "5th Generation War" is described as being fought on multiple fronts—psychological, spiritual, and legal.

- **The Awakening:** Q stresses the importance of awakening the public to the truth behind global corruption, human trafficking, election fraud, and other high crimes. The exposure of these crimes will bring to light a vast network of corruption.
- **The Best is Yet to Come:** Q offers hope, stating that significant revelations are on the horizon, which will change the course of history. The ultimate goal is a world of peace and justice, free from the control of satanic forces.

Q: The Storm and the Vatican Announcement

Between September 1 and September 30, 2024, a significant global directive was issued from the Vatican, ordering the return of all Central Banking system assets worldwide to the Vatican Bank. This included all paper/coin money, as well as gold, silver, precious metals, and minerals. Additionally, all deeds, debts related to world banks, housing markets, loans, and other marketed services were to be returned during this period.

This momentous announcement occurred shortly after the death of the Queen of the UK, which had been forewarned by the "Q The Storm Rider" community months prior. According to the narrative, the Queen's death was not a sudden event but a pre-planned signal. Inside the Great Awakening movement, it was believed that she had been executed years earlier as a warning to the Deep State Cabal. This move was seen as a pivotal step in the collapse of the Cabal, with the death being a key signal to military generals and various global elites that the end of the Cabal was near.

Bryed Billerbeck SoY © Copyright 2024-12-18

With the passing of the Queen, the collapse of the world Cabal's deep state regime was believed to be inevitable. The Queen controlled 14 countries, including Australia, New Zealand, and Canada, whose citizens were now, according to the narrative, heading toward a Republic system, distancing themselves from British control. This shift would stop the flow of funds from these nations to the global money laundering operations tied to the British empire, the Vatican, and associated global financial institutions.

As the world moved towards a collapse, the Vatican, fearing the loss of its power and assets, sought assistance from major financial firms such as State Street, Vanguard, and BlackRock to ensure that all assets were returned to the Vatican Bank. Tensions were rising within the Vatican as its chain of command faced intense infighting.

The Hidden Struggles and Collapse

Behind the scenes, there were claims of military operations taking control of the Vatican, with top Cardinals, Jesuit leaders, and Knights of Malta being allegedly imprisoned within the Vatican walls. The narrative suggested that the Knights of Malta had installed the United Nations with the Kazarian Mafia in mind, marking the beginning of significant financial and geopolitical shifts.

As NATO and the EU countries scrambled to maintain control, Germany was expected to be the first EU country to fall, with military martial law anticipated. France, the UK, and Italy were also expected to follow suit. During this chaotic period, the Deep State was predicted to initiate a false flag event, such as a nuclear or 9/11-style attack, to distract from the global financial and political upheaval.

The Storm of the Century: Russia's Intervention in Ukraine

On February 24, 2022, Russian troops entered Ukraine, claiming the mission was to liberate the country from a Satan-worshipping Nazi Deep State regime that had taken root during World War II. The Russian military uncovered disturbing evidence of torture, sexual abuse, and trafficking of children in Ukraine's underground facilities, allegedly tied to a global Adrenochrome trade. Despite the rescue of these children, the United States Congress was accused of continuing to support the Ukrainian regime, which was allegedly involved in these heinous activities.

Meanwhile, in the U.S., a biochemical attack and planned chaos were believed to be part of a coordinated effort tied to the Democratic National Convention, where riots and the outbreak of diseases like Monkeypox were being seeded through various means, including chemtrails. The Deep State was said to be preparing for an imminent war scenario as part of their agenda.

The Global Awakening and the Allegiance of Pope Francis

On August 18, 2024, Pope Francis allegedly revealed his allegiance to the Deep State Cabal, endorsing a New World Order and encouraging his followers to join their Satanic Universal Church. This move was seen as part of a larger plan to stage a fake alien invasion through Project Blue Beam, further orchestrating a world takeover while reducing the global population.

Simultaneously, various world leaders, including U.S. President Joe Biden, were claimed to be actors playing roles in a meticulously scripted political drama. According to this narrative, Biden was never legally elected, had already been executed for treason, and had been replaced by an actor since 2021. Similar claims were made about Vice President Kamala Harris, who was allegedly born male and had been executed for treason as well.

The Q The Storm Rider narrative suggested that the U.S. government was under control by a White Hat global military alliance, working in the background to dismantle the Satanic Cabal. This was said to be the culmination of a larger plan to save humanity from the Deep State's control, with everything proceeding on schedule.

The Battle for Freedom and Accountability

On August 19, 2024, a bombshell report was released revealing findings from a congressional committee on President Biden's impeachment. Allegations of impeachable offenses were cited, with some questioning the legitimacy of the process given the claims about Biden's execution. The same day, Q The Storm Rider called for a global prayer to save freedom and ensure that the truth would emerge as planned.

Amidst these global upheavals, the narrative suggests that the world was witnessing the "Storm of the Century," where the Deep State’s control was slowly but surely being undone, with key events signaling a global shift toward freedom and justice.

Q and the Black Swan Events:

A Message From Q:

The Q movement has presented messages that outline a grander vision for the future—one in which the dark secrets of the world's elites are brought into the light. These messages convey both hope and warnings, pointing to the necessity of exposing corruption and the restoration of justice. Key points from Q include:

- **End of Dark Practices**: The statement of "No more pizza parties," "No more hot dogs at 3 AM," and "No more child sacrifice in the White House" serves as a symbolic representation of the efforts to bring an end to heinous, hidden practices supposedly perpetuated by the elites.
- **Saving Future Generations**: A declaration of having saved an entire generation hints at the movement's focus on preventing future exploitation and restoring innocence to the global stage.
- **Revolution and Accountability**: The messages from Q allude to a revolutionary movement coming to local communities, ensuring that illicit practices—like human trafficking—will no longer thrive in the United States. This is the beginning of a new world order, one that rejects the sinister power structures that have ruled for too long.

Q's Impact and the Cabal's Fear:

The Q movement arose as an essential counterforce against the so-called Cabal—the network of powerful elites accused of controlling key aspects of global society, including media, politics, and finance. This network allegedly thrives on control, manipulation, and unspeakable acts of evil, such as child sacrifice and satanic rituals. The movement exposed these claims to the world, sparking panic among those who sought to keep such dark practices hidden.

In 2020, when Q became a target for massive censorship across digital platforms, it was clear that the Cabal saw the movement as a serious threat. The more Q's followers spoke out, the more the establishment sought to silence them, believing that the truth being revealed would dismantle their carefully constructed power structures.

Why Did the Cabal Fear Q So Much? The Cabal's greatest fear was that Q's exposure would shatter their control over global institutions. Q pulled the curtain back on decades of secretive and nefarious activities carried out by the world's wealthiest individuals. Through Q's messaging, the public was informed about alleged criminal activities involving child exploitation, ritual abuse, and even human sacrifice, practices that were purportedly carried out by some of the world's most powerful families and political figures.

The movement not only unveiled corruption but also exposed the extent of societal manipulation, from Hollywood to the financial world. Whistleblowers who spoke out were often silenced or ignored, but Q amplified their voices, pushing back against the power structures.

The Global Elite and Their Agenda: The elites, including figures like the Rothschilds, Gates, and Soros, allegedly control governments, media, and financial systems worldwide. Their goal is to maintain a tightly-knit web of influence, which Q claims they use to perpetuate wars, suppress populations, and manipulate global events for their benefit.

However, according to Q, the movement has ignited a counter-revolution—one that is gradually dismantling these dark networks. Through the internet, digital soldiers, and citizen journalists, Q followers are not only exposing the truth but also fighting back against the global elite's control over the world's systems.

Q: Uncovering the Shadow of the Global Cabal

In the ongoing struggle against corruption, deceit, and manipulation at the highest levels of power, the narrative of Q presents a vision of a world where the ruling elites and their agents—such as the International Bar Association (IBA)—are held accountable. Here, we will explore key details from Q drops and related events, revealing an interconnected web of corruption orchestrated by global entities, and the efforts to expose and dismantle this system.

The Corrupt International Bar Association

Bryed Billerbeck SoY © Copyright 2024-12-18

The **International Bar Association** (IBA) is described as the legal arm of the global elites, defending powerful corporations, politicians, pharmaceutical companies, and tech giants. According to Q, these lawyers protect the interests of the corrupt elites who, under the influence of foreign entities tied to the Roman/Vatican Empire, operate globally, making a mockery of the justice system.

1. **Origins of the IBA**: Created by foreign entities in the 1500s, the IBA was shaped by the collaboration of the Vatican, the British Crown, and historical figures like Henry VIII. In the 1800s, the US incorporated its own system of legal control, crafting the **American Bar Association (ABA)**, which continues to follow Roman law traditions that undermine the rights of the people.
2. **Legal Corruption**: Lawyers associated with the IBA and ABA are seen as agents of foreign powers, working to protect illegitimate practices such as election fraud, pharmaceutical manipulations, and corporate malfeasance. Their influence extends globally, ensuring that any challenge to the system is quashed, keeping individuals and nations under control.
3. **The Call for Accountability**: Q emphasizes that the individuals involved in these corrupt practices—ranging from judges to corporate lawyers—will face military tribunals, and the institutions themselves are poised for collapse. The military is positioned as the ultimate force capable of restoring order and justice, reclaiming authority from the corrupted legal structures.

The Military's Role in Restoring Justice

The narrative also presents the **military** as the key player in combating this corruption. According to Q, the military, under the command of **Donald J. Trump** as Commander in Chief, is orchestrating a global effort to restore order and expose the systemic crimes being perpetuated by the elites.

1. **US Military Orders**: A US Military order, supposedly issued by the **Postmaster General**, demands that all government entities, police, corporate bodies, and organizations stand down within seven days, or face severe consequences. The order includes the threat of **arrest and the death penalty for high treason**—a clear indication of the stakes involved in this battle for justice.
2. **A Government in Exile**: The current US government, according to Q, is operating under **Donald Trump's leadership** in exile, with **Joe Biden** described as a mere figurehead, playing the role of a "facsimile" in the public eye. Military operations, including the federalization of National Guard and Reserve troops under Executive Order 13912, continue unabated, signaling that Trump’s government remains functional, albeit outside the traditional structures.
3. **Indictments and Military Action**: There are said to be over **509,000 sealed federal indictments**, many of which will target the elites and their criminal activities. Troops are reportedly stationed globally, working with foreign allies to uphold justice. The US

Bryed Billerbeck SoY © Copyright 2024-12-18

military is also believed to have full control over the mainstream media, ensuring that the truth remains concealed until the proper time for revelation.

The Globalist Agenda: Depopulation and Control

Central to Q's message is the belief that **global elites** are involved in a **satanic, occult-driven agenda**. The goal is said to be the **depopulation** and **total control** of the world's population. This agenda is portrayed as a collaboration between **globalists** and dark forces, with **mind control** and **satanic rituals** driving the policy decisions that affect the masses.

1. **The Pact with Evil**: Q argues that the **globalists** have made a **deal with the devil** to achieve their aims, which include a **one-world government** and the **destruction of America** as a sovereign nation. According to Q, their intent is not just corruption, but a deeper, darker mission that involves control over human lives on a spiritual level.
2. **The Role of Q**: Q, positioned as a force for good, states that their mission is ordained by **God**, with promises made to restore America and expose the true extent of corruption. The **military** and **patriots** are portrayed as the last line of defense against this global cabal, working to awaken the public to the reality of the situation.

The Continuing Struggle and the Path Forward

Despite the challenges, Q asserts that the struggle is far from over. While **current silence** may cause anxiety, Q emphasizes that quiet moments precede significant events. The **"5th Generation War"** is ongoing, where battles are fought on a psychological, spiritual, and legal front.

1. **The Awakening**: The message of Q is clear: the public must awaken to the truth of what is happening behind the scenes. The unveiling of the **deep state**, **human trafficking**, **election fraud**, and other high crimes will expose a vast network of global corruption.
2. **The Best is Yet to Come**: Despite the ongoing battles, Q assures that the **best is yet to come**—a promise of a future where truth, justice, and peace prevail. The coming revelations are said to change the course of history, leading to a world of **1,000 years of peace**, free from the grasp of the satanic forces that have held control over humanity for so long.

Conclusion: A New World Awaits

The journey outlined by Q is one of awakening, resistance, and ultimate triumph. The exposure of the global cabal and the restoration of justice, led by the military and the righteous forces within society, promises a new era of peace and prosperity. The road ahead is fraught with

Bryed Billerbeck SoY © Copyright 2024-12-18

difficulties, but the ultimate goal remains clear: to **restore America** and bring about a **new world order** founded on truth and divine will.

The Future of Q: Despite relentless attacks on Q, followers remain unwavering in their belief that the truth will eventually prevail. The message is clear: **"Stay strong. Keep fighting. We are on the winning side."** The Cabal's house of cards is allegedly falling apart, and the revolution Q has started is a harbinger of a brighter future, one in which justice prevails and the forces of darkness are vanquished.

This struggle is described as a battle for the soul of humanity, a fight between good and evil, with Q positioned as the catalyst for change. The storm, as it's called, is underway, and the battle against the elites is far from over.

Conclusion

The cosmic events, eclipses, and references to the moon are intricately woven into a larger narrative involving political upheavals, technological revolutions, and global realignments. These themes reflect a belief in cyclical cosmic events that have the potential to reshape human history and restore balance, freedom, and liberty in a world beset by corruption and tyranny. The specific dates tied to these events, especially **April 8, 2024**, and **October 2, 2024**, are seen as pivotal moments in a series of interconnected prophetic, cultural, and political shifts.

Conclusion

The Q narrative is an ongoing story of a covert, military-led operation designed to expose and dismantle a global network of corruption involving governments, intelligence agencies, and financial elites. Through the actions of military insiders, key political figures, and global covert operations, Q supporters believe that the ultimate goal is to restore a lawful and transparent system free from the influence of the Deep State.

_NOW CABAL> THE DEEP STATE CIA WORLD OPS IS IN MAJOR PANIC AND THEY ARE TRYING DESPERATELY TO CREATE A NUCLEAR WAR>>>

7 AUG. 2024 WHITE HAT INTEL:· Not everything is as it seems in Israel and Iran. …Q We are saving Israel for last for a very specific reason not mentioned a single time. Why did Q write this?

· Since 2017 and the beginning of Q Intel drops, Israel military conflict was at an all time minimum. Now after 7 years and Q Intel drops. Israel and the Middle East conflict is coming into a massive MASSIVE WAR EVENT. (ISRAEL, U.S., IRAN, RUSSIA, CHINA + major middle eastern countries as TURKEY, Syrian and several more are backing Iran and the Palestinians & a NEAR NUCLEAR WAR EVENT is on the Horizon).

· The Deep State Cabal in DC are funding both operations in Israel and Iran (Obama, CIA, Carnigie Endowment, Globalist Elites).

· Russia knows this. So does Mohammed Bin Salman. So does China and Trump.· IRAN is full of massive corruption that is STILL controlled by Deep State and GLOBALIST/CIA operations.

· The only way to clean Iran is through the fall of their Deep State regime. And this includes a REVOLUTION and military intervention currently Russia, Saudi (MBS) are in talks with military leaders in Iran who want to over through the government and clean the house of Iran.

· Military intelligence know that Mossad and Iran Deep State operations killed their own President Ebrahim Raisi and the deep state installed the new Iranian president Masoud Pezeshkian who is behind the scenes working with Carnegie Endowment.

· The CIA UN Globalists and Deep State have promised Pezeshkian he will supply all of Europe with oil and the U.S. And become allies with the Pentagon. They want him to cut ties with Russia. Saudi Arabia (this why Carnegie Endowment. Carnegie Politka-posted the story of Pezeshkian joining the West and cutting ties with Russia).

· At the same time [THEY] CIA GLOBALIST want Iran to sacrifice their own people to war with Israel.

· THE DEEP STATE CABAL IS FUNDING BOTH IRAN AND ISRAEL. OBAMA. BIDEN BOTH FUNDED ISRAEL AND THE U S. AFGHANISTAN WEAPONS ENDED UP IN IRAN (Obama/CIA controlled the International Atomic Energy Agency and pretended to cut off Iran to acquiring nuclear weapons. But a secret deal was made between Obama CIA and Iran that allowed them to continue. All this is connected to CIA controlling Iran government military heads and causing chaos in Iran/ unrest)

· The Deep State wants Israel to be attacked to bring in sorrow for the ISRAELI and start world military programs to protect Israel. More funding from European countries to Israel and more laws created in world courts. But the real reason (money laundering, creating race wars through the world and blaming Patriots and conservatives thru the U.S., UK, CANADA, EU for racism and anti-semitic hate for talking

Bryed Billerbeck SoY © Copyright 2024-12-18

against the Israeli conflict, deaths and operations. It's already began in the UK riots as race wars begin and putting nationalist (those who support their country and people) against the Muslims or against Jews.

· Anyone who says anything about Israel will be labeled a racist and countries are trying to install censorship laws through Europe and this is why they are trying to take down Elon Musks X they are trying to take down TRUMP)

· THE FAKE FALSE FLAG EVENT IN THE MIDDLE EAST is connected to CONFUSION. USING CHAOS TO COVER UP THE PANDEMIC AND INVESTIGATION INTO VACCINE DEATHS. THE BIOWEAPONS INDUSTRY. THE MONEY LAUNDERING THROUGH ISRAEL AND UKRAINE THAT IS CONNECTED TO CIA. CARNEGIE ENDORSEMENT, UNITED NATIONS. NATO AND THE ELITE GLOBALIST OPERATIONS THAT CREATE WORLD WARS. AND SEE HUMAN TRAFFICKING INDUSTRY OF THE CIA. MOSSAD. MI 6 OPERATIONS THROUGH THE WORLD.

· We are saving Israel for last because the massive DC corruption, European corruption is inbeded in the Israel Zimost Operation and the fake Kazariran Ashke NAZI Jews of Europe that stole the identity of the real Jewish people. That's why and how the Rockefellers, Rothchilds came from the same area and region in southern Germany where in 1776 the illuminati was created. The Illuminati Rothschilds, Rockefellers, JP Morgan and Bush family funded Hitler.

· They funded both sides of the war Hitler Nazi and Western Armies and created world war one and two.

· They created these wars to create the United Nations and Israel – the money laundering capitol of the Middle East.

Q

On 24 Feb. 2022 Russian Troops entered Ukraine to free it from the Satan worshipping Nazi Deep State regime that had taken over the country during World War II. Under the leadership of Obama, Deep State Cabal Underground labs were developing bio-weapons to specifically target the Russian people.

Upon entering the large labyrinth of Ukraine underground tunnels that connected Satan Worshippers across the Globe, Russian soldiers found rooms of sexually abused tortured children. Hundreds of small fragile, emaciated bodies were hooked up to intravenous drips while their bodies were expertly drained of blood and adrenal fluid for the very lucrative global Adrenochrome trade.

Not so strangely, instead of the Mainstream Media and US Inc. congratulating Russia's rescue of hundreds of severely abused children, the US Congress condemned the military maneuvers to instead give millions more to support the Nazi pedophile Ukraine Regime.

Right now a Deep State Cabal Biochemical attack was also underway in the US. The attack, along with riots fueled by 74,445 Antifa members, was among the planned chaos meant to accompany the Democratic Convention in Chicago this week.

In connection with creating that chaos, the Deep State Cabal was also seeding through Chemtrails, major Monkeypox outbreaks in major US cities.

On Sun. 18 Aug. 2024 Pope Francis revealed his allegiance to that Deep State Cabal as he announced a dark Illuminati-based decree that encouraged his flock to join their New World Order Satan Worshipping Universal Church.

All of such was in preparation for the upcoming Deep State Cabal fake Alien Invasion as they rolled out their Project Blue Beam to depopulate the World and take over society.

Though, the White Hat Global Military Alliance claimed that everything was under control – and nothing could stop what was coming. The Alliance had a long term Plan to save the World from takeover by the Satanic Worshipping Child Sex Trafficking Deep State Cabal. Everything and everyone was being executed (literally) as planned – and right on schedule.

As a side note: On Mon. 19 Aug. 2024 Republicans announced their findings for Biden's impeachment, which seems a little strange to me beings as way back in 2021 Biden was never elected president, nor legally sworn in, had already faced a Military Tribunal, was found guilty of Treason and promptly hung. He's been played by actors ever since. Even his so-called inauguration partially filmed on a Hollywood Movie set, was actually a spoof of his funeral.

So, were the Republicans planning to impeach an actor who was never legally elected US president? If so, some fear that would put Harris in the President's seat. Not gonna happen. The male ex-prostitute Harris who was not a US, but a British citizen, had also been found guilty of Treason for Voter Fraud at his/her Military Tribunal and promptly hung.

This Hollywood carefully scripted movie was bound to have a very surprising climax.You Worried? Have Faith and Trust The Plan.· Q+ Commander Trump - America's Secret Military Ruler

· Mon. 19 Aug. 2024 Riots, Biochemical Attack, Chaos at DNC Convention: The Department of Defense are Preparing for Possible Bio Chemical Attacks at upcoming Democratic National Convention. As was underway, local and federal officials were on high alert for a possible biochemical attack. CBS reported that the Department of Defense funded decontamination rooms to be set up at Rush University Hospital in preparation for such an event. Rush University was located in Chicago, Illinois, just minutes from the venue where the DNC was being hosted. Numerous store locations have boarded up their windows in anticipation of possible violence as thousands of protesters gathered outside.

· St. Joseph Parish Mission British Columbia Canada was built on the site of a Catholic Native Residential School where thousands of native children were tortured and killed by the priests and nuns. The Canadian Government and Vatican have never taken responsibility for over 50,000 native children gone missing from the mainly Catholic schools across Canada. A local Stolo Native Jennifer Johnson said, "A priest named Cornelius Murphy beat my little sister Elaine to death because she kept crying. That night he and another guy threw Elaine's body into a hole near our girl's dormitory." Another Catholic School Survivor William Combes said, "Brother Murphy buried lots of kids in a ravine east of Heritage Park that served as an overflow body dumping ground. He loved to beat us with his club until we got knocked out or died. He killed my brother Ernie that way. I hope Murphy burns in Hell".

Popcorn and Movie Time: What The Q Is Going On In Our World? Why Is The Cabal Afraid of Q? Enjoy the Show!

In 2020, a different kind of war ignited. It wasn't fought with guns, but through total censorship. Social media giants, news platforms, and the elites behind them declared war on one thing: Q. They couldn't delete us fast enough—millions of followers gone in an instant, patriots silenced, and the media exploded with attacks on Q. Why? What are they so afraid of?

The Cabal—that shadowy network of billionaires—controls everything: media, tech, politics. And they needed Q silenced, because Q exposed their darkest secrets. Q wasn't just some random internet group; Q was the ultimate threat to their agenda. It was the truth that began shaking the very foundations of the world's corrupt systems. The elites couldn't handle it.

Why did they fear Q so much? Because Q pulled the curtain back on child sacrifice, ritual abuse, and the satanic practices hidden in the highest levels of power. The elites don't just want power—they thrive on evil, and Q shone a blinding light on it.

Bryed Billerbeck SoY © Copyright 2024-12-18

Think it’s just ancient history? No—this is happening right now. These practices were once public, but after the rise of Christianity, they were forced into the shadows. Yet they persisted. From Hollywood to the highest levels of global banking, rituals of child sacrifice and satanic abuse continue today. Brave whistleblowers have spoken out, exposing these crimes, but they’re met with a wall of silence from those in power.

Q awakened us to this reality, revealing that the elites—from the Rothschilds to Gates to Soros—have woven an intricate web of control over our governments, media, and even the very financial systems that dominate the globe. They manipulate the world, starting wars, enslaving nations, all to feed their insatiable lust for control and power.

But Q gave us the power to fight back. They fear the digital soldiers, the citizen journalists, the midnight riders who spread the truth across the internet. They fear that their carefully constructed lies are crumbling under the weight of the truth.

This isn’t just a battle for freedom—it’s a battle for the soul of humanity. The elites are pure evil. They feast on our children, they sacrifice the innocent, and they do so with glee. But they are losing.

We are waking up. The storm is here. Their New World Order is collapsing, and Q has ignited a revolution that they cannot stop. The more they try to control us, the more obvious their lies become. The cabal is panicking, and their house of cards is falling.

Stay strong. Keep fighting. We are on the winning side. The wicked will fall by their own swords, and God’s light will cast out the darkness once and for all.

3 DEC. 2024: IT'S QUIET. AND LIKE MANY, I TEND TO GET ANXIOUS WHEN IT'S QUIET. Perhaps it's been the chaos of Psychological war that has become the "normal" environment where I'm most comfortable. …News Treason Channel 17 on Telegram

Those who have been paying attention to patterns well-know that quiet is almost always followed up with significant events. Such is the pattern of a 5th Generation War. I've had some folks ask me if Q is "over?" Others have asked, what's left? So let's examine the facts:

1) We are still a nation, a world, at war. Spiritually, figuratively and legally.

2) Donald J Trump is still Commander in Chief, operating a Government in Exile.

3) Joe Biden is long gone. The facsimile you see on the TV is President of nothing.

Bryed Billerbeck SoY © Copyright 2024-12-18

4) We have a Devolved Government operating to meet the minimum needs of the Country under Continuity of Operations measures.

5) US Troops are operating in tandem with foreign allied forces 24/7 across the World.

6) Foreign military aircraft are publicly operating within US Airspace every single day.

7) 1 million National Guard and Reserve troops remain federalized under Donald J Trump's Executive Order 13912, dated March 27, 2020. It has not been rescinded nor have the associated National Emergencies.

8) The US Corporate Media remains under the control of the US Military.

9) 509,000 sealed Federal Indictments remain ever present at the ready.

10) US Financial Markets (stocks, bonds, derivatives, real estate, etc) remain on the brink of imminent collapse.

11) Election Fraud, Human Trafficking, Conspiracy, Treason, Sedition, Bribery and High Crimes have yet to be revealed to the public at large.

12) Q comms have become more obvious, more frequent and more overt than any other time in recent history.

13) A LOT within the 4,966 Q Drops has yet to come into play.

So no. Q ain't done. Not even close. Stay vigilant. Stay sharp. We have passed through much of the dark. We are entering the light. But make no mistake, no transition happens without more difficulty. The tests of your mind are not over. But the very BEST is yet to come. We can all taste it.
