The Global Marketplace of Human Exploitation

Sex trafficking is not confined to isolated regions but is a part of a global marketplace involving the trade of children, organs, and substances like adrenochrome. The network is shielded by powerful elites, including politicians, celebrities, and business moguls. Efforts to expose and dismantle these operations face fierce opposition, yet grassroots movements and global investigations are slowly unraveling these systems.

The Epstein Network and Global Elite Connections

Epstein's sex trafficking ring was one of the most notorious in modern history. His "Lolita Express" jet and Zorro Ranch in New Mexico served as key hubs for trafficking and abuse. Epstein's extensive network, involving powerful figures, acted as a means of blackmail and manipulation, using the threat of exposure to maintain control over elites involved in the trafficking operations.

The Military's Role in the Fight against Sex Trafficking

A Global Crisis Exposed

Sex trafficking, particularly the exploitation of children, remains one of the most pervasive and disturbing crimes worldwide. The systematic abuse of vulnerable individuals—often orchestrated by powerful elites—has long been hidden behind layers of corruption, secrecy, and intimidation. However, recent revelations, investigations, and grassroots movements are beginning to unravel the complex web of trafficking operations that extend across borders and institutions. Below are

Bryed Billerbeck SoY © Copyright 2025-1-8

key developments, historical context, and alarming connections within the global trafficking network.

Recent Developments in Sex Trafficking and Exploitation

- **Alabama Pastor Gorman Houston Arrested (Date Not Specified)**: The arrest of Alabama pastor Gorman Houston for child exploitation crimes serves as a stark reminder that even within religious communities, figures of authority can perpetuate abuse. This highlights the ongoing and insidious nature of trafficking that touches all facets of society.
- **Tom Homan's Testimony on Border Security (Date Not Specified)**: Former ICE Director Tom Homan has emphasized the critical link between open borders and the escalating trafficking crisis. His statements underscore the vulnerability of children and others who are trafficked across borders, often escaping detection by law enforcement due to porous immigration policies.

Shocking Discoveries in Ukraine: Adrenochrome Extraction

A harrowing discovery was made in Donetsk, Ukraine, where Russian soldiers uncovered a horrifying global trafficking operation that involved the extraction of adrenochrome—a substance believed to be harvested from children under extreme duress. This operation allegedly involved high-profile political and celebrity figures, who consumed adrenochrome to maintain their youth and vitality.

- **The Discovery (19 August 2024)**: Russian soldiers found malnourished children, some as young as toddlers, subjected to extreme fear and torture to harvest their adrenochrome. The children were kept in factory-like rooms, connected to intravenous drips to sustain their weakened bodies.
- **Global Implications**: The adrenochrome operation is believed to have been a part of a broader network of exploitation involving politicians, celebrities, and other elites. Those attempting to expose this network faced threats and mysterious disappearances. The implications of this discovery have caused a global outcry, with Russian President Vladimir Putin vowing to dismantle the operation.

The Catholic Church and Indigenous Genocide

A separate but equally disturbing chapter of abuse has emerged from the Catholic Church's involvement in the residential school system in Canada, which targeted Indigenous children for forced assimilation and abuse. In Mission, British Columbia, Jennifer Johnson, a Sto:lo Native, stood against the Catholic Church's attempts to hold a religious service over the graves of Indigenous children buried at the Mission Indian Residential School, a site known for physical, sexual, and psychological abuse.

- **Jennifer Johnson's Actions (19 August 2024)**: Johnson's protests and letter to the city council sparked local Indigenous groups to rally and reclaim these sites in search of

justice. These actions are part of a larger movement to hold institutions like the Catholic Church accountable for their role in the abuse of Indigenous children.

Global Networks of Corruption and Exploitation

Sex trafficking is not limited to isolated incidents but is part of a wider global network involving elites from various sectors, including politics, entertainment, and even military intelligence. Key figures involved in these trafficking operations often use their influence to cover up crimes, silence truth-tellers, and perpetuate systems of exploitation.

- **The Three Gorges Dam and China's Hidden Trafficking Routes**: Allegedly, the Three Gorges Dam in China, which serves as a crucial part of the country's economy, has also become a gateway for child trafficking. Smuggling operations, masked by the busy locks of the dam, covertly transport children in and out of China, using international trade as a cover for illicit activities.
- **The Quantum Financial System and the Imminent Collapse of the Three Gorges Dam**: Some claim that the eventual collapse of the Three Gorges Dam could trigger the collapse of global financial systems and expose corruption at the highest levels, including in industries like Big Pharma. This event, it is believed, could lead to the exposure of key figures and the dismantling of the corrupt networks that control world systems.

Celebrities, Politicians, and the Dark Web of Exploitation

Numerous high-profile individuals have been linked to sex trafficking and exploitation networks, further revealing the reach of global corruption. Allegations involving celebrities and politicians suggest that these figures are not only complicit in trafficking but may be the beneficiaries of its widespread operations.

- **Taylor Swift and Alleged Ties to Secret Societies**: There have been claims that pop star Taylor Swift is linked to a secretive world of ritualistic abuse, allegedly connected to the Church of Satan and influential figures in San Francisco. These conspiracy theories point to her popularity as a tool for unknowingly influencing millions, linking her to organizations like the Free Masons and the Bohemian Club, which have been accused of involvement in trafficking operations.
- **George H.W. Bush, Blackmail, and Child Exploitation**: A particularly dark narrative involves former President George H.W. Bush, who is alleged to have used child sex rings for political leverage, participating in "Operation Brownstone" to blackmail other powerful figures. These operations allegedly involved orphaned children who were exploited for compromising footage, used to manipulate and control politicians.
- **The Clinton Family and Hollywood's Role in Pedophilia Rings**: The Clinton family, along with Hollywood figures like Ashton Kutcher, is implicated in a network of child trafficking and exploitation. These individuals are accused of using child protection organizations like THORN as a façade for maintaining control over the dark web of global corruption.

The Marc Dutroux Case: A Global Pedophilia Network Exposed

Bryed Billerbeck SoY © Copyright 2025-1-8

The Marc Dutroux case in Belgium is a grim reminder of how powerful individuals and groups can exploit children for horrific purposes. Dutroux was involved in the trafficking, torture, and murder of children, with connections to political and royal figures. Despite overwhelming evidence, the case was covered up, and those responsible were never held accountable. This case is emblematic of how deeply entrenched networks operate under the protection of the powerful.

The Call to Action: Confronting the Global Trafficking Crisis

The global scale of sex trafficking and the exploitation of children demands immediate attention and action. From grassroots movements like Jennifer Johnson's protests to high-level international investigations, the truth must be brought to light, no matter how uncomfortable or dangerous it may be for those in power.

- **Awareness and Accountability**: The atrocities linked to child exploitation and trafficking must not be suppressed. Governments, institutions, and individuals complicit in these crimes must be held accountable.
- **Global Collaboration**: This issue cannot be resolved by one nation or group alone. International cooperation and public support for grassroots movements are crucial to dismantling the global trafficking network.

The time for action is now. The revelations from Ukraine, British Columbia, and numerous other regions have exposed the depths of corruption, abuse, and exploitation that affect millions of children around the world. It is our collective responsibility to bring these heinous crimes to an end.

Sex Trafficking: The Global Network of Exploitation

Sex trafficking remains one of the most horrifying and pervasive forms of modern slavery. This issue is not confined to isolated regions but is part of a global network of exploitation, involving powerful individuals and institutions from politics, entertainment, business, and beyond. The trafficking of women and children for sex, organ harvesting, and other dark practices has been hidden in the shadows for decades. However, the global fight to expose and dismantle these rings is gaining momentum, fueled by courageous whistleblowers and efforts to uncover the hidden systems of control and exploitation.

Ernie Allen and the Clinton Connection

Ernie Allen, the former head of the National and International Centers for Missing Children (ICMEC), played a pivotal role in the global child trafficking network. While Allen’s organization was touted as a protector of vulnerable children, evidence suggests it was used as a front to perpetuate a system of exploitation. Allegations claim that Allen, with the backing of political elites, including the Clintons, was instrumental in covering up investigations into notorious trafficking networks, such as Marc Dutroux’s in Belgium. It is reported that Allen’s organization served not to protect children, but to facilitate the funneling of millions of dollars into child sex rings, furthering the interests of powerful global elites.

Bryed Billerbeck SoY © Copyright 2025-1-8

Allen's actions allegedly included replacing judges, destroying evidence, and silencing witnesses to keep trafficking networks intact. His position at the head of an organization meant to safeguard children stands in stark contrast to these accusations, illustrating the ways in which powerful figures can manipulate public-facing entities for nefarious purposes.

The Epstein Network and Global Elite Connections

Jeffrey Epstein's sex trafficking ring remains one of the most notorious cases in recent history, symbolizing the deep ties between high-profile individuals and the dark underworld of child exploitation. Epstein's extensive network included influential politicians, celebrities, corporate moguls, and even royals. His "Lolita Express" jet and Zorro Ranch in New Mexico were key hubs for trafficking and abuse, with the ranch offering secretive areas, computer rooms, underground tunnels, and facilities designed to control and monitor trafficked victims.

Epstein's connections to powerful elites served not only as a means to perpetuate sexual abuse but also as a tool for blackmail. The elite figures involved were allegedly coerced into participating in the trafficking network, with the threat of compromising secrets and illegal activities used to maintain control over them. These acts of exploitation were carried out under the guise of wealth, power, and social influence, masking the devastating consequences for the victims and allowing the network to operate without detection for years.

The Military's Role in the Fight Against Sex Trafficking

Since President Donald Trump's administration, significant strides have been made to dismantle international trafficking rings. Under his leadership, the U.S. military, in collaboration with global coalitions, has spearheaded efforts to rescue victims from sex trafficking and slavery. Reports indicate that, since 2020, over seven million individuals have been rescued from these horrific networks.

Despite the success in rescuing victims, the global elite, whose power depends on the continued existence of these trafficking networks, has fiercely opposed these efforts. Nonetheless, the military's role in the global fight against trafficking continues to be critical, with a focus on eradicating the organized syndicates that profit from human exploitation.

Adrenochrome and the Dark Side of Trafficking

A chilling and often discussed element of child trafficking is the alleged harvesting of adrenochrome—a substance thought by some to be extracted from tortured children. Some reports claim that war zones, such as Ukraine, have become a breeding ground for this practice. Vulnerable children in these regions are reportedly subjected to unspeakable horrors, with their suffering used for purposes beyond mere trafficking, including organ harvesting and the creation of the chemical substance believed to be highly prized by the global elite.

This horrifying practice feeds into the broader system of exploitation, where children are commodified not just for sexual abuse but for their physical and biological resources. This issue

Bryed Billerbeck SoY © Copyright 2025-1-8

underscores the terrifying extent of human trafficking, where lives are destroyed for the benefit of the powerful.

Ukraine's Child Trafficking Crisis

Ukraine, since its independence in 1991, has seen over 300,000 people trafficked, many of whom are children. These children are often erased from records, their fates unknown amidst the chaos of war. Paramilitary units, like the "White Angels," have been accused of funneling children into global trafficking rings. These trafficked children are exploited for both sex and other grotesque purposes, disappearing into the vast web of human trafficking.

The exploitation of vulnerable children in war zones such as Ukraine exemplifies the ruthless way in which conflicts are used as cover for trafficking networks. These situations further highlight the systemic nature of global child trafficking, with children disappearing into an abyss of suffering that benefits those in power.

The Global Marketplace of Human Exploitation

What is becoming increasingly clear is that sex trafficking is not an isolated issue, but part of a global marketplace where children, organs, and even substances like adrenochrome are treated as commodities. The global elite, consisting of billionaires, politicians, and corporate giants, are reportedly not only complicit in these abuses but are actively orchestrating them. The network operates in secrecy, shielded by wealth and power, and the extent of its reach is staggering.

This dark network thrives in the shadows, and its very existence is vehemently protected by those at the top who depend on its operations to maintain their power and influence. Efforts to expose and dismantle this network face enormous challenges, but as more information comes to light, there is growing momentum for justice.

Trump's Efforts and the Military's Role in Exposing the Cabal

During President Trump's first term, his administration worked relentlessly to combat sex trafficking. A concerted effort was made to expose and bring down international trafficking syndicates. This initiative received support from global military alliances focused on rescuing victims and prosecuting individuals involved in trafficking operations. Reports suggest that numerous high-profile individuals, often linked to the so-called "Illuminati Cabal," were arrested and prosecuted as part of these efforts.

These individuals, many of whom are influential celebrities, politicians, and business leaders, are alleged to have sacrificed their families and participated in trafficking rings to further the goals of the global elite. Their involvement in such acts of exploitation paints a disturbing picture of the lengths to which some will go to maintain their power and wealth.

Conclusion

Bryed Billerbeck SoY © Copyright 2025-1-8

The systemic nature of sex trafficking and the complex networks involved in perpetuating it highlight the need for continued efforts to expose and dismantle these dark systems. From the role of influential figures like Ernie Allen to the horrific practices tied to Epstein's network, to the exploitation of children in war zones like Ukraine, this global issue reveals the depth of human suffering caused by powerful elites who operate beyond the reach of law and justice. The fight to end these abuses is ongoing, and as more brave individuals step forward, there is hope that these dark networks will one day be exposed, and those responsible will face justice.

Conclusion

Sex trafficking is a global epidemic that cuts across political, religious, and corporate sectors. The evidence provided shows systemic exploitation, institutional cover-ups, and the involvement of powerful elites. Despite significant efforts to expose these networks, further vigilance and action are required to ensure justice for the victims and hold those responsible accountable.

Russian Soldiers Uncover Global Adrenochrome Operation (19 August 2024)

In Donetsk, Ukraine, Russian soldiers, hardened by the horrors of war, uncovered a chilling discovery: frail, skeletal children kept alive by intravenous drips. These were not casualties of conflict but victims of a global operation—the extraction of adrenochrome, reportedly coveted by the world's elite.

Adrenochrome, derived from adrenaline, is said to be most potent when harvested under extreme fear and stress. These children, subjected to perpetual terror, were tortured to produce this substance. This industrial-scale operation implicates high-ranking politicians, celebrities, and global elites allegedly consuming adrenochrome to maintain youth and vitality.

Key Findings:

- Children, some as young as toddlers, were found in a state of extreme malnutrition and physical degradation. Their translucent skin and fragile bodies painted a grim picture.
- Rooms resembled factory farms, designed to maximize the extraction of adrenochrome.
- The youngest victims, some merely two years old, were bred and maintained solely for this purpose.

Russian President Vladimir Putin has reportedly vowed to dismantle this industry, calling it a moral crusade. Soldiers described the operation as a living nightmare, with rows of children on metal cots, connected to IVs that drained their life force. Many children's eyes reflected hopelessness and trauma.

This discovery also sheds light on the involvement of global elites. Reports link high-profile celebrities and politicians to adrenochrome consumption, fueling speculation about their seemingly unnatural vitality. Secretive parties and rituals allegedly involve the consumption of this substance, protected by wealth and power. Individuals attempting to expose this network have faced threats and mysterious disappearances.

Catholic Church and Indigenous Genocide (19 August 2024)

In Mission, British Columbia, a woman's defiance has reignited scrutiny of atrocities linked to the Catholic Church. Jennifer Johnson, a Sto:lo Native, stood against the church's decision to hold a religious service at the unmarked graves of Indigenous children. These graves are remnants of the Mission Indian Residential School, notorious for abuse and killings.

Jennifer Johnson's Actions:

- Jennifer's letter to the city council condemned the church's actions, demanding accountability.
- Her protests galvanized local Indigenous groups, who now plan to occupy Heritage Park to protect the graves.

Historical Context:

- The residential school, operated by the Catholic Church, was a site of physical, sexual, and psychological abuse.
- Survivors recount brutal punishments, including beatings that led to death. Jennifer lost two sisters and three cousins to this institution.

Current Developments:

- The mayor and local council have faced backlash for permitting the church's activities.
- Indigenous groups are mobilizing to reclaim the park and the St. Joseph church building as reparations.
- An investigative journalist, Sarah Webster, has intensified scrutiny of local authorities and the church's actions.

Jennifer Johnson's courage has inspired a broader movement to confront the legacy of abuse. Indigenous caravans across the province are uniting to support efforts to reclaim these sites and hold perpetrators accountable.

The Global Adrenochrome Trade: A Call to Action

The revelations from Ukraine and British Columbia underscore the pervasive and insidious nature of exploitation. The adrenochrome industry and the atrocities committed against Indigenous communities are interconnected through a common thread: the dehumanization of vulnerable populations for the benefit of the powerful.

Key Takeaways:

1. **Awareness:** The scale of these crimes demands global attention. Suppression of information by powerful entities cannot be tolerated.
2. **Accountability:** Governments, institutions, and individuals complicit in these operations must face justice.
3. **Action:** Grassroots movements, like Jennifer Johnson's, are pivotal. Public support can amplify these efforts and dismantle systems of abuse.

This is a global crisis, and its resolution requires collective resolve. The truth about sex trafficking, child exploitation, and institutional abuse must come to light, no matter how uncomfortable it may be for those in power. The time for action is now.

Sex Trafficking and Global Networks

Sex trafficking, particularly the exploitation of children, is a global epidemic. One chilling example of this involves the Three Gorges Dam in China. Allegedly, the dam and its locks, which are crucial for the country's economy by enabling the export of goods, have also served as

Bryed Billerbeck SoY © Copyright 2025-1-8

a hidden gateway for child trafficking. Smuggling operations, often conducted via boats coming in and out of the dam area, have reportedly been used to transport children in and out of China without detection. The location of the locks, which remain busy with international trade, provides the perfect cover for these illicit activities. The claim is that the dam's infrastructure, if destroyed, would have a devastating impact on global markets, but more sinisterly, it would also expose these human trafficking routes.

The Imminent Collapse of the Three Gorges Dam and Its Global Implications

A significant event referred to as "the breaking of the 3-Ship Dam" is said to be imminent, with wide-ranging consequences. The collapse of the Three Gorges Dam would supposedly lead to the destruction of the current financial system and the rise of the Quantum Financial System (QFS), which is linked to cryptocurrency mining and deep state control. This would also, allegedly, mark the end of corrupt industries like Big Pharma, which are believed to be part of a larger conspiracy to control the world's wealth and exploit its citizens. According to some reports, such a collapse would lead to the freeing of key figures like General Flynn and Julian Assange, signaling the beginning of a global awakening. The belief is that these events are interconnected, leading to a time of healing, abundance, and the exposure of widespread corruption.

Taylor Swift, Alleged Connections, and The "Awakening"

The narrative surrounding pop star Taylor Swift involves claims of her connections to a dark and secretive world. Allegedly, she is a clone of Zeena LaVey, daughter of the infamous Anton LaVey, founder of the Church of Satan. Critics argue that her immense popularity has been a tool for unknowingly influencing millions to worship Satan. Moreover, her ties to San Francisco, with its connections to the Church of Satan, Bohemian Grove, and other alleged secret societies, form part of this broader narrative.

According to some, there are hidden meanings within the streets of San Francisco, such as Taylor Street, which links to key figures and organizations, including the Free Masons and the Bush family. These supposed connections extend to the Bohemian Club and underground tunnels, allegedly used for child trafficking. Some claim that the downfall of Taylor Swift and the destruction of the Golden Gate Bridge will trigger an avalanche of disclosures, leading to the unraveling of a powerful and corrupt network of elites.

George H.W. Bush, Child Exploitation, and Blackmail

A particularly dark chapter of the alleged global conspiracy centers around George H.W. Bush, who, according to some reports, was directly involved in child sex rings and blackmail operations. The claims suggest that these operations were used to control influential politicians, including congressmen and senators. Known as "Operation Brownstone" and "Operation Brownstar," the scheme is said to have used children as pawns, drugged and exploited to capture compromising footage of political figures. This footage was reportedly used for blackmail, enabling Bush and his associates to maintain power behind the scenes.

Bryed Billerbeck SoY © Copyright 2025-1-8

FBI official Ted Gunderson is also implicated in these operations, accused of covering up the crimes and protecting powerful figures like Bush and Cheney from exposure. Allegedly, children from orphanages were used in these schemes, lured into Washington under the guise of "educational tours" before being taken to private meetings where they were subjected to abuse.

The Clinton Family and Hollywood's Role in Pedophilia Rings

There is also a narrative implicating the Clinton family, with claims that their involvement in child trafficking and global pedophile rings runs deep. Among the most significant allegations is the use of child protection organizations, like Ashton Kutcher's THORN project, which some claim is a CIA front designed to target children and maintain control over this dark web of corruption. The ultimate goal of these elites is said to be total domination of global systems, from government to entertainment, and the manipulation of public perception.

Sex Trafficking and the Global Elite: A Network of Power and Corruption

Sex trafficking, especially involving children, is one of the darkest crimes plaguing the world today. The scale of this exploitation is shocking, and the involvement of powerful individuals and institutions in these horrific practices cannot be ignored. From high-profile figures in politics and entertainment to global corruption networks, there is a coordinated effort to silence truth and perpetuate abuse.

Diddy and the Elite Network

Sean "Diddy" Combs, the hip-hop mogul, has undeniable connections to some of the most powerful and controversial figures in modern politics, including the Clintons, Epstein, and the CIA. Along with other figures like Jay-Z, Kamala Harris, and Barack Obama, Diddy is said to be part of a vast network that uses their influence to cover up abuses, including human trafficking. These individuals have been accused of silencing truth-tellers and exploiting vulnerable people for power and profit.

The Marc Dutroux Case: An Exposed Elite Pedophilia Network

The Marc Dutroux case in Belgium, which involved the trafficking, torture, and murder of children, should have been a wake-up call to the world. However, due to the involvement of political and royal figures, as well as military intelligence, the case was quickly covered up. The people behind the scenes were too powerful to be held accountable. Dutroux's network involved wealthy men who participated in depraved gatherings, where they watched live torture and killings. The cover-up was vast, with key figures ensuring that evidence was destroyed, witnesses disappeared, and justice was never served.

Ernie Allen and the Clinton Connection

Bryed Billerbeck SoY © Copyright 2025-1-8

Ernie Allen, the head of the National and International Centers for Missing Children (ICMEC), was a key figure in the Clintons' network. While Allen was presented as a hero for children, he is accused of leading cover-ups to protect the interests of the elite. The Clintons allegedly used their influence to suppress investigations into Dutroux's trafficking network, replacing judges, destroying evidence, and allowing witnesses to be silenced. Allen's organization, which was supposed to protect children, is alleged to have been used as a front to funnel millions into child sex rings.

The Epstein Network and Global Elite Connections

Jeffrey Epstein’s sex trafficking ring was one of the most notorious in history, with his "Lolita Express" plane and his Zorro Ranch serving as key hubs for abuse. Epstein's ranch, which spanned over 10,000 acres, was reportedly used to trap victims and conduct horrific rituals. The ranch had computer rooms, underground tunnels, and secret areas that allowed Epstein and his associates to monitor and control the flow of trafficked children.

Epstein's network included high-profile individuals like Prince Andrew, celebrities, politicians, and corporate moguls, all of whom were allegedly involved in these unspeakable acts. This web of abuse, hidden under the guise of wealth and power, was designed to maintain control over those at the top by blackmailing them into participating in the trafficking network.

The Military’s Role in the Fight Against Sex Trafficking

Since 2020, under President Donald Trump, significant efforts have been made to dismantle international trafficking rings. The U.S. military, in collaboration with global coalitions, has been instrumental in rescuing millions of women and children from these networks. Reports indicate that, since Trump’s presidency, over seven million people have been rescued from sex trafficking and slavery. These efforts, however, have faced immense opposition from the elites who rely on this abuse to maintain their power.

Adrenochrome and the Dark Side of Trafficking

A horrifying and rarely discussed aspect of child trafficking is the alleged extraction of adrenochrome—a substance believed by some to be harvested from tortured children. Warzones, such as Ukraine, are said to be fertile ground for this practice, where vulnerable children are subjected to unimaginable horrors for the benefit of the global elite. This is part of a larger, insidious system where children are exploited, their organs harvested, and their suffering used for purposes beyond mere trafficking.

Ukraine’s Child Trafficking Crisis

The situation in Ukraine highlights the widespread nature of child trafficking, with more than 300,000 people reported trafficked since the country’s independence in 1991. Ukrainian paramilitary units, like the so-called "White Angels," have been accused of funneling children into global trafficking rings. These children are often erased from records, their fate unknown in

Bryed Billerbeck SoY © Copyright 2025-1-8

the chaos of war. The elites, using the cover of war, exploit these vulnerable children for profit and personal gain.

The Global Marketplace of Human Exploitation

What we are witnessing is not just a localized issue but a global network where children, organs, and even Adrenochrome are treated as commodities. Elites across the world, including billionaires, politicians, and corporate giants, are reportedly not only complicit in these abuses but actively orchestrating them. This network operates in the shadows, protected by wealth and power, and its existence is something that those at the top are determined to keep hidden.

Trump's Efforts and the Military's Role in Exposing the Cabal

President Trump's first term was marked by his relentless efforts to dismantle trafficking networks. His leadership, along with the support of a global military alliance, focused on rescuing victims and bringing down the international trafficking syndicates. According to sources, this effort has led to the arrest and prosecution of numerous high-profile individuals involved in the so-called "Illuminati Cabal." These individuals, many of whom are celebrities, politicians, and business leaders, are alleged to have sacrificed their own families for the benefit of the elites.

This analysis reveals the deep, systemic nature of sex trafficking and the complex networks that perpetuate it, involving powerful individuals from various spheres—politics, entertainment, business, and beyond. The fight to expose and eradicate this evil is ongoing, and as more brave whistleblowers come forward, the truth continues to emerge. The global elite's control over these networks is vast, but the efforts to bring them to justice are growing stronger, and there is hope for a brighter future where these abuses are finally ended.

Conclusion

This collection of information presents a complex and unsettling view of the world, where dark, interconnected networks of power, control, and exploitation are allegedly operating on a global scale. The events surrounding the Three Gorges Dam collapse, the rise of a new financial system, and the exposure of figures like Taylor Swift, George H.W. Bush, and others reflect an ongoing battle between forces of corruption and a so-called "awakening" of the masses. Whether these events will unfold as described or not remains to be seen, but the theme is clear: the fight against child trafficking, abuse, and systemic corruption is a key focal point in the struggle for a new world order, and the collapse of these hidden systems is purported to be the catalyst for massive societal change.

Bryed Billerbeck SoY © Copyright 2025-1-8

Conclusion

The data provided underscores the extensive and systematic nature of sex trafficking, implicating a wide range of actors from government officials and corporate leaders to religious figures and international organizations. While the claims are vast and interconnected, they point to a need for global awareness, accountability, and action to dismantle the networks perpetuating these heinous crimes.

Conclusion

Sex trafficking is a global crisis involving systemic exploitation, corporate complicity, and institutional cover-ups. This document compiles factual accounts from survivors, whistleblowers, and investigative reports. The stories shared are a call to action, emphasizing the need for justice and transparency.

DON'T FORGET THE CHILDREN:Remember the over thousand trafficked children and dead bodies found by Navy Seals on the Evergiven Cargo Ship owned by Walmart and the Clinton Foundation?
Thurs. 1 April 2021 Trafficked Children, Bodies, Weapons Found on Evergreen Ship Blocking Suez Canal: Trafficked Children, Bodies, Weapons Found on Evergreen Ship Blocking Suez Canal
· Over a thousand trafficked children and dead bodies have been rescued out of shipping containers in the Suez Canal by US Navy Seals. Sources say that as of this writing, children were still being rescued and bodies discovered in Evergreen's 18,000+ containers. The containers were on an Evergreen Corporation ship that blocked the Canal from Tues. 23 March to Mon 29 March, causing billions in lost revenue to shipping companies internationally.
· The Seals also found Weapons of Mass Destruction on the six story high vessel – which were believed destined to start a war in the Middle East.
· Finally by Tues. the Evergreen cargo ship was loosened and taken to Bitter Lake in Egypt. By order of the Egyptian President, the containers were taken off the ship and searched by US Navy Seals.
· The Japanese-owned, Taiwanese-operated ship of Evergreen Corporation was actually co-owned by Walmart and the Clinton Foundation – known for it's International Child Trafficking Ring. The children were said ordered out of magazines like Wayfair by pedophiles who paid big bucks for certain abused children. Wayfair and Child Trafficking? · Here's the testimony of a brave Trafficked Survivor who claimed that as a child, she was strapped inside one of those Evergreen human trafficking containers: Human Trafficking Survivor Exposes Secrets Of Evergreen Shipping Containers, CPS & More!
· Evergreen was believed to not only be carrying trafficked children, but Weapons of Mass Destruction. Many other ships that were blocked in the Suez Canal last week were also discovered to be carrying weapons – believed to be used to start a war in the Middle-East. Why? The weapons were going to be given to the Muslims by the Israel Mossad.
· Human traffickers were being arrested and cartels busted – losing critical income for their owners worldwide. The Deep State Operation was said to have lost 400 million $ an hour while the ships were stuck for a week – that would pale in comparison to what those children were undergoing.
· Evergreen vessels were having problems in ports all over the world. Why? Why were Special Ops US Navy Seals magically on the scene to rescue the children? Was the ship purposely run aground? It was rumored that holes in Microsoft software allowed someone, or ones, to hack into the Evergreen ship software, take over the steering and run it into the bank.
· We may never be given the whole story. So far the Evergreen ship's Capitan in the Suez Canal has refused to cooperate. Now why on earth would a Ship's Captain not cooperate, unless there were major reasons? Won't hand over the black box?
· Why would a vessel of that size from Taiwan list it's first destination as the Netherlands? Why would the below news article NOT mention Amsterdam? (Only Dutch) Lots of significant signals and clues were being released.
· Egypt could seek $1 billion from ship Ever Given: · Guido Fawkes Telegram on Thurs. 1 April 2021: "Ever Given has been boarded by the US Navy Seals and they have opened several cargo containers with live and dead inside. The vessel is in Bitter Lake and the Navy is performing unloading procedures. No images will be leaked, but I have been sent one".

J. Sat. 15 Dec. 2018 Bush, Clintons, Vatican, Royals, Hollywood, CIA, UK PM, Baptists into Pedophilia

- Praises filling the airways about President H.W. Bush were a little hard to stomach during his funeral on Dec. 5. Bush helped form the CIA which after World War II, brought Nazi Mind Control experts into the US, Australia and Canada to torture and kill an estimated thousands of children bred for the purpose. CIA/Vatican Torturing and Trafficking of Children
- Bush was also said to be behind the murder of President John Kennedy after he went after the CIA and tried to return the US dollar to a gold standard. “I have been told by two CIA sources that G.H.W. Scherff (Bush) was actually indicted on Sept. 10, 2018 for crimes against humanity, child trafficking, sedition and treason” said Whistleblower Benjamin Fulford. “He allegedly plea-bargained a deal with the military tribunal hearing his case, to be executed/suicided to keep his legacy intact for his family and the sheeple. Trump was said to have signed the death order.”
- Bush’s death has in no way solved the child exploitation problem. Even today the CIA was believed to use US Taxpayer dollars to fund an international Vatican-run Child Sex Trafficking, Gun and Drug Running Ring in order to gain power over world affairs through blackmailing political elites.
- President Trump began a war against this child exploitation when he paid a visit to CIA Headquarters the morning of his inauguration. Now two years later Trump has been able to accomplish what Kennedy was denied: within the next couple of weeks mass arrests were expected on 63,233 federal indictments against political and global elites that have been filed in federal courts across the nation just this year. Most were said to involve charges of pedophilia done under funding of the CIA and Bush Cartel.
- Just in the few days since the Bush funeral Trump’s War Against Pedophilia was found to extend worldwide. On Dec. 9 a Pedophile Ring was busted in Canada. Police referred to the massive bust as the “tip of the iceberg.” Victims as young as three were rescued.
- The next day on Dec. 10 hundreds of sex abuse allegations were found in fundamental Baptist churches across U.S. Sarah Smith
- The Baptists certainly were not alone. More than 200 women have accused a famous Brazilian spiritual healer of sexual abuse. Much worse, the Vatican was believed behind the CIA funded international child trafficking ring.

L. MON. 19 AUG. 2024 CATHOLIC CRIMINALITY BACKFIRES AS ONE WOMAN TAKES OF GOLIATH, · Last Saturday, a group of serial killers in Mission, B.C. held a celebration on the graves of their victims, thanks to the local city council.

· It's a funny thing about churches, especially Catholic ones. Their members, especially the guys in robes and funny hats, all have a Stay Out of Jail Free Pass. They can rape and kill generations of people not in their club and get away with it, especially if those Others are brown skinned and children.

· Of course, in their hubris and delight at being above the law, the Papist Perpetrators tend to do rather stupid and crass things: like, in this case, holding one of their peculiar rituals on top of the bones of the children they killed. But hell, this is Canaduh: who's going to care, right?

· Wrong. Last Saturday, when the St. Joseph parish (perish?) did a religious service at the site of their former 'Indian Residential School' in Heritage Park, one of the survivors of that killing zone said no. She wrote to the Mission City Council and raised a stink. Her name is Jennifer Johnson and she's a local Sto:lo Native.

· Jennifer's August 18 letter to the Mayor and city councilors spat fire. It read in part, As an indigenous woman and a citizen of Mission, I am disgusted that the roman catholic church, that killed so many of our children and got away with their crime, was allowed by you to hold a service today on the unmarked graves of their little victims in Heritage Park ... If your government does not prevent such travesties against our people by the catholic church, we will have no alternative but to stop them ourselves. Why do you think so many catholic churches have been burned to the ground in recent years? ... If the Catholics try another such travesty at the park, our people will be there in force.

· Well, Jennifer's epistle jolted the normally sluggish city councilors like a cattle prod on a native child's penis. The municipal politicians jumped into their spin doctoring mode quicker than you can say "Hide the evidence"!

· Mayor Paul Horn quickly shot back a letter to Jennifer claiming ignorance about everything and promising to "get back" to her. Meanwhile, according to our sources, Horn got on the phone to the local ab-original puppets at the Mission Band Council and pleaded with them to quickly red-wash and bury the whole messy issue of dead brown kids at the park. And serving the same master as Mr. Horn, the local Apples obliged.

· So far, so predictable. But meanwhile, over on stage left, some other natives who aren't on the government tit got wind of Jennifer's action and climbed on board. Their group is planning to occupy the Heritage Park to protect the children's graves and to seize the St. Joseph church building "as reparations for centuries of Catholic genocide". One of many mass grave sites at a former building of the Mission 'Indian Residential School'.

Bryed Billerbeck SoY © Copyright 2025-1-8

· But the fun doesn't stop there. One of those rare beings, an actual investigative journalist, has caught wind of the fracas. Her name is Sarah Webster, and this week she has gone after the Mayor and the local Catholics like Bob Woodward on steroids.
· "You can smell a rat the moment politicians start lying," Sarah remarks. "Mayor Horn tried fobbing me off first by saying nothing, then by saying that the city never authorized the Catholics to use the park. Then he contradicted himself by saying they did authorize it, but he wasn't aware of it. Meanwhile, the Catholic Parish won't return my calls. But their priests have told their members not to talk to reporters and to be on guard for 'Indian protesters' who, apparently, 'are being monitored by the police".
· And what about Jennifer Johnson, who started this whirlwind like a latter-day Rosa Parks? She's an elderly but feisty woman who lost two sisters and three cousins in the death camp deceptively called the Mission Indian Residential School.
· "A priest named Murphy beat my little sister Elaine to death because she kept crying," Jennifer told me. "That night he and another guy threw Elaine's body into a hole near our girl's dormitory. When I saw their church doing their stupid ceremony on top of where they buried her, it made me sick, thinking how those killers got away with it. So, I knew I had to do something about it".
· By the way, the priest in question, Cornelius Murphy, died in bed in the spring of 2000. He has a very pretty headstone not far from where he shoved Elaine Johnson into the ground. At least, it was pretty until yesterday, when someone poured blood on it.
· I know at least one murdered Indian who is smiling right now: my friend William Combes, who also suffered at Murphy's hands as a child. Before he was killed in February 2011 for blowing the whistle on 'royal' abductions of children at the Kamloops and Mission death camps, William walked with me on the grounds of the latter.
· "Brother Murphy buried lots of kids in there", he said as he pointed to the ravine east of Heritage Park that served as an overflow body dumping ground. "He loved to beat us with his club until we got knocked out or died. He killed my brother Ernie that way. I hope Murphy is burning in hell".
· Fortunately, judgment has not had to wait until the afterlife to descend on the child killers in robes in Mission, B.C. Today we learned that an indigenous caravan across the province is assembling to support local natives' efforts to seize and reclaim Heritage Park and local catholic churches. And Catholic Archbishop Michael Miller, a notorious member of the Child-Swapping Vancouver Club, has ordered a total media ban on the Mission Fracas.
· This David and Goliath struggle continues. Whether Jennifer Johnson will carry on the fight, or go the way of most opponents of Church and State depends on you and me; not later, but right now.

Wed. 24 July 2024 Intel, Steve Bannon:

· You have the sitting President of the United States being openly investigated for HUMAN TRAFFICKING which also means CHILD TRAFFICKING.
· The worldwide MSM also reports the investigation and several other criminal charges that are connecting the BIDEN CRIME FAMILY to Money Laundering, illegal gas, oil dealings and espionage and now human trafficking investigation.
· This exposes the truth that conspiracy theorist were right all along.
· Human Trafficking is the #1 problem in the world second to the drug trade and weapons trade.
· It's no longer a conspiracy that the ELITES are connected to the highest powers of human trafficking into slavery, sex Industries and 800,000 missing children a year are the human currency inside this World dark, EVIL, satanic web we call the Deep State Cabal.
· You can believe that TRUMP is behind the scenes pulling strings next to the Military OPERATIONS to EXPOSE the Satanic operations of HUMAN/ Child trafficking.
· You can believe TRUMP signed papers and Executive Orders on combating Human Trafficking and Online Child Exploitation in the United States. (These orders are connected to seizing All assets,

monetary, estates and businesses connected to the individuals inside the human trafficking NETWORKS).

· The saga of Epstein, Maxwell, Durham is only beginning. The Clintons, FBI, Wayfair, Bidens, Rockefeller Foundations were inside the killbox.

· 2023 was the year Crypto was exposed, and the worldwide web of human trafficking connections to the World Elite bankers, presidents, prime ministers and Deep State Dark Military.

· The way Mike Pompeo hates, dislikes Julian Assange and publicly persecutes him – it is all a show. POMPEO is STAGING a set up that connects Assange HIDDEN Intelligence reports to DNC, WORLD HUMAN TRAFFICKING AT THE HIGHEST LEVELS.

· PUTIN is well aware of the ASSANGE HUMAN TRAFFICKING INTELLIGENCE REPORT AND DATA, SERVERS that are well kept in the CHEYENNE MOUNTAIN.

· UN, NATO, DNC, FBI, DOJ, ROCKEFELLERS and WORLD ELITES thought they could stop Trump Q Military operations.

· The Great Awakening has come through the pandemic, bioweapon release, mass censorship and planned economic COLLAPSE.

· They thought they could create great chaos that would hide their dark EVIL Human Trafficking agendas, dark world secrets, money laundering operations in Ukraine. Crypto, the sinister AGENDAS of EU ROTHSCHILDs connected to the Vatican and US Inc, but it is all coming into an open Kill Box.

· Thank you Patriots ANONS. World Freedom Fighters for EXPOSING human Trafficking through the Great Awakening MOVEMENT the past years and continuously sharing censored information that Google, YouTube Facebook and MAJOR social media sites have banned speaking on pedophilia, human, child trafficking.Your important Patriot work for your countries have brought mass Awakenings and continue.

· Remember Edward Snowden? His disclosures revealed numerous global surveillance programs, many run by the NSA and the Five Eyes intelligence alliance with the cooperation of telecommunication companies and European governments and prompted a cultural discussion about national security and individual privacy. A lot of people consider him a hero. But what they do not know is that he sold military secrets to foreign countries – which makes him an enemy of America. He was basically put out front by the same agency he was exposing to give the impression that he was a trustworthy whistleblower that people can confide in. But he never disclosed his role I'm selling America out just as the agencies he was exposing did. We have a lot to cover in these upcoming days about this data breach by hackers. Because they are sitting on a treasure trove of info that will expose everyone. Because have you noticed that Eric Snowden never mentioned Michael Flynn name once regarding the CIA Five Eyes that was spying on Donald Trump campaign? He is a traitor and will be remembered as one.

“We’re Saving Israel for Last”, yesterday’s unique swearing in of 200 NYPD elite police officers for special duty assignment in Washington, D.C., takes on a special significance just prior to Bibi Netanyahu addressing his fellow citizens (aka his dual citizenship majority in “our” U.S. Congress) and his meeting this Friday with the Commander of the global Continuity of Government (COG) military operation.
LET'S FOLLOW THE YELLOW BRICS ROAD: 1) Butler, PA, failed assassination attempt most likely ordered, coordinated and financed by BiBi’s associates from his controlled 3-letter agencies,
2) Commander-in-Chief Donald Trump being officially nominated as the 2024 GOP Nominee and becoming entitled to daily military intelligence briefings, 3) AI “Biden” getting “Covid”, withdrawing from the 2024 race and disappearing,
4) The “Kamala Miracle” simulation powered by AI, foreign money-laundering through ActBlue, DNC ‘substitution alchemy’ and swamp “polling” broadcast via Smith-Mundt Act legalized propaganda,
5) “Biden”, Kamala & Shadow POTUS Obama are all AWOL for BiBi’s Head of State “official” visit,

Bryed Billerbeck SoY © Copyright 2025-1-8

6) The International Criminal Court's recent DAMNING Crimes Against Humanity indictments against BiBi, 7) The "CrowdStrike Coincidence" cover-up op via Ukraine based servers,
8) Silicon Valley Tsunami of Endorsements for Trump just unleashed massive money, political power and voter influence that places the Final Crypto Nail in the Federal Reserve's fiat-lined coffin,
9) Allowing the abusive "Marxist Tap Dance" to continue destroying our unalienable rights, freedoms, wealth and unity, simply to incrementally awaken a few more uninformed sleepers, has passed the point of being productive, and
10) We The People the world over have, in sufficient numbers, reached The Tipping Point of Knowledge, Understanding, Wisdom, Capacity, Unity and Resolve, to massively overwhelm the demonically possessed sell-outs who have been installed to operate this God-forsaken prison planet for an "elite" few.
· These 10 points lead me to my "Enough is Enough" assessment, based objectively from a global military operation and humanity rescue point of view.
· The world stage is set in DC this week and NOW could well be our time, given our already assured victory shouldn't require substantially more loss of precious humanity or valuable time to secure it. The Fall of the Cabal is here.

· US Attorney General for Utah John Huber has been in charge of 740 investigators doing the two year Trump investigation that eventually resulted in filing of over half a million indictments.
· In Dec. of 2018 Huber was on TV calling the proliferation of sex crimes involving children troubling, "In our career and our experience, rehabilitation — although a laudable goal — is unrealistic in dealing with these types of offenders. Stiff justice is an appropriate remedy, first and foremost, for keeping people safe. We cannot tolerate this. We should not tolerate any of this," Huber said. "Some of the images are so unimaginable including the rape and sodomy of toddlers, that they can't be talked about on television."

· Warning from Klaus Schwab's Second-in-Command: Yuval Noah Harari sends an alarming message to Davos, claiming that Trump's re-election will deal a devastating blow to the global order.
· The Great Awakening: Over 2 billion people worldwide are part of the Great Awakening, a massive military alliance operation dedicated to dismantling the globalist Deep State Cabal system.
· Washington DC is the a Human Trafficking Capital of the World. The mere fact that they are on salary is cause for concern. Our Founding Fathers wanted our political figures to be paid per diem for hours worked. Nothing more. You ate not supposed to even be paid while on vacation.
· How do you rectify knowing children were being taken under the oval office to be sexually abused by our Congress as a politician and receive payments that are supposed to be an honorarium that you are not supposed to even receive after you leave the jurisdiction?
· MS-13 members even admitted that they are used as foot soldiers to traffic children for our corrupt elected bureaucrats. We all seen the footage of children being removed late at night who were wrapped in blankets and escorted off the property. And your congress knew the entire time.
· This is why Donald Trump never accepted a salary while he was president because he knew it was blood money. Which was a moral righteous choice as he knew while serving kids were being rescued by US Military.
· Child prostitutes visiting the White House is old news. On 29 June 1989, the front page of the Washington Times read: "Homosexual prostitution inquiry ensnares VIPs with Ronald Reagan, George Bush Sr 'CALL BOYS' Who Took Midnight Tours Of White House"
· Do you know what made things peculiar and very suspicious about the 65,000 worth of fast food (hot dogs & pizza) Barrack Obama ordered from emails that was also sent to Ben Affleck that many suspect is code for little children?

Bryed Billerbeck SoY © Copyright 2025-1-8

· That you are stipulated for security risk as a president to only order all of your food on site as a rule. Which means no outside deliveries to the White House. Unless you are doing it for staff or special guest as a gesture. An example would be D. Trump who bought fast food for those students. Aside from that as a policy all food must be prepared in-house using raw ingredients.

· Listen many may not know this but it has to be brought up. This is regarding Frazzil Drip. Which is footage of Hillary Clinton & Huma Abedin skinning the face of a young girl. People in the FBI along with NYPD officers who are clean and not compromised or corrupt attempted to bring charges to Clinton & Abedin but were prevented by higher-ups who were of higher rank.

· Because those officials also knew that in Washington DC children were being held on transit cellars in local businesses in that area including restaurants. Remember the global shutdown of YouTube back in October 2018? That was said to be due from the footage of the little girl that was being tortured in the video.

· Mainstream Media giants launched a cover-up campaign that year against the leaked Podesta emails and related crimes, to muddy the waters and leave the general public confused about the truth. People have no idea how diabolical the situation is.

· Did you all know that when those Podesta emails leaked that 100 H. Clinton staff members and associates ended up dead in quick succession? That is not including the 45 people listed under her body count. Just like the many witnesses to JFK'S assassination, and witnesses to Kevin Spacey's sexual assaults.

· Pedogate was discredited as 'fake news' despite NBC's (11 June 2013) televised report regarding Hillary Clinton using her position as US Secretary of State to cease an investigation into child trafficking within the State Department. Despite the MSM mediablackout, Pedogate reached the public via social media.

· YouTube featured interviews with credible witnesses who testified to the existence of an international child sex trafficking operation involving US politicians and the CIA.

· Bill and Hilary's trafficking network implicated campaign chairman John Podesta, Jeffrey Epstein, and 'Saint' Mother Teresa.

· In 1995, the Nobel Peace Prize recipient opened a Mother Teresa Home for Infant Children adoption centre in DC with Hillary Clinton which quietly closed in 2002. Mother Teresa's Roman Catholic order, Missionaries of Charity, came under Indian government investigation for ch•ld tr•ff•cking with a nun arrested for selling babies. This info can be found in Fiona Barnett book.

· Qoute- J. Epstein sex trafficked minors to VIPs including Harvard law professor Alan Dershowitz, Prince Andrew, Kevin Spacey, and Bill Clinton who flew aboard the Lolita Express to Epstein's 'Little St. James' pedo island in the Caribbean.

· Surveillance camera footage allegedly leaked from the island showed children locked in underground rooms. The island conveniently caught fire due to a massive explosion in early 2019, destroying all evidence. J. Epstein is among the many VIPs and government heads who knowingly donated money to the Clinton Foundation child trafficking operation.

· The Clinton Foundation received $88 million from Australian taxpayers between 2006 and 2014, peaking during Welsh-born Australian ALP Prime Minister Julia Gillard's term. Hilary Clinton's campaign chairman John Podesta and his brother Tony Podesta were staying in a Portuguese villa owned by UK politician Sir Clement Freud, in the same resort where British child Madeleine McCann was when she disappeared.

· Clement Freud was Sigmund Freud's grandson. British media outed Clement Freud as a violent child rapist. John & Tony Podesta perfectly matched the identikit images Scotland Yard released of Madeleine's abductors. End qoute. ~Fiona Barnett

· People do you now see why it would have been diabolical for not only America but the planet as a whole if Hillary Clinton would have won the election in 2016? People like her only enter the campaign

trail for presidency because they can maximize resources to cover up their crimes. This is why she was the 1st candidate in history to never concede. Now you can see why politicians went insane and was out for blood during that time.

· Look at the vast network involved. Look at the people who were religious figures. Look at the people who entertainers of our time. We are truly lucky to have dodged a H. Clinton administration. Because most of your favorite whistleblowers wouldn't even be here at this time. You all wouldn't believe how many P•dos that you follow right now on X

In both the Obama and Biden Administrations thousands of migrant children were allowed into the country only to disappear as they were “adopted” into a Child Sex Trafficking Ring while pedophile, child sacrificing Satan worshipping Global Elites held parties at Obama’s invitation in a Child Sex Trafficking Tunnel beneath the White House.

Popular investigative journalist Tucker Carlson has released multiple videos that show Satanic Blood rituals, Child Sacrifices and much more Devil oriented rites that took place under the White House. Among them were Satanic pedophile rituals, underage porn and the Obama family forcing kids to watch Obama’s sexual acts with a man as part of a Satanic Rite.

Of course, we haven’t heard a pep about that in the Mainstream Media.

Thurs. 19 Dec. 2024: Tom Homan says they’re not Fingerprinting “Sponsors”, who take the Migrant Children — They Allowed a DEAD Person to take 1,600 Children — WTF!? “A lot of these children seem to be victims of trafficking. They’re released to unvetted sponsors and many children will be released to ONE sponsor. • In one case, 11 young girls were released to a single male. • In another case, 1 dead man sponsored over 1,600 children. Homan warned that if they opened up the CBP1 App, it would create a massive human trafficking network… and that’s what it did. —— “how many sick pedophiles would be willing to sponsor anybody to come live in the United States, and after they get here, they own them.”

Thurs. 19 Dec. 2024: Tucker Carlson just released an EXPOSE about Barack Obama’s family on his Private Telegram Channel. In the EXPOSE you can clearly see that Obama’s MOTHER was a PROSTITUTE who was involved in all kinds of SATANIC RITUALS AND SEX PARTIES. You can also see in the EXPOSE that Barrack Obama was a GAY man who believes in SATAN since young age.

· Thurs. 19 Dec. 2024: Alabama pastor, Gorman Houston, has been arrested for traveling to rape a child & electronic solicitation of a child. Houston is the son of former Alabama Supreme Court Justice Gorman Houston Jr.

· Thurs. 19 Dec. 2024: Fox News Has Confirmed That Coca Cola is Involved in Child Trafficking:

· Thurs. 19 Dec. 2024 Homan confirms what El Salvador's President said about the migrant gangs vying for control of the US border: They are literally satanic. "They worship death. They got statues there and memorabilia worshiping death. I’ve got a video on my phone showing a member of the cartel skinning a man alive to send a message to anybody: If you push back on the cartels, they are not going to just kill you, they are going to make you suffer. We got to save these kids. Over 300 thousand. A lot of them are living life in hell every day. We are going to find some in sex slavery. Some of them are going to be dead. President Trump made that a priority and it is something that needs to be done." Those who tell you that it's cruel that Trump would stop an open border and deport illegals are missing this key

component: It is about the children. There are 300 thousand missing children that can easily be in the hands of these cruel satanic gang members. Democrats refuse to acknowledge this reality.

Fri. 16 Aug. 2024 The Connection Between Immigration and Pedophilia: At the heart of the WEF's strategy is the promotion of mass immigration, particularly from regions where cultural norms are vastly different from those in the West. While immigration itself is not inherently problematic, the WEF's approach is driven by a specific intent: to create societal chaos and erode the moral foundations of Western civilization. A leaked memo reveals a disturbing link between the elite's push for immigration and their tolerance—if not outright endorsement—of pedophilia. By overwhelming Western nations with migrants from cultures where pedophilia is normalized or not strictly condemned, the WEF seeks to destabilize society, create division, and weaken the rule of law. This is a deliberate attempt to undermine the family unit, the cornerstone of Western society, and replace it with a new order that is more easily controlled by the global elite.

· Fri. 16 Aug. 2024: BREAKING NEWS!!! Sharia Law: WEF Memo Outlines Plot To Roll Out Sharia Law and Legalize Pedophilia in Western Nations

19 AUG. 2024: RUSSIAN SOLDIERS IN DONERSK UKRAINE, HARDENED BY THE HORRORS OF WAR, uncovered something far more sinister—a discovery so depraved it forces us to confront the darkest truths about our World.

· They found frail, skeletal children kept alive by intravenous drips, not as casualties of war but as victims of a global operation—the extraction of adrenochrome, reportedly coveted by the world's elite.

· Adrenochrome, derived from adrenaline, is said to be most potent when harvested under extreme fear and stress. These children, subjected to perpetual terror, were tortured to produce this vile substance. This industrial-scale operation implicates high-ranking politicians, celebrities, and global elites who allegedly consume adrenochrome to maintain youth and vitality—a modern-day fountain of youth built on the suffering of the innocent.

· Vladimir Putin, reportedly outraged by this industry, has vowed to destroy it, viewing it as a moral crusade. Why would one of the world's most powerful leaders prioritize this fight unless its implications were so vast, so diabolical, that they threatened the very fabric of society?

· The soldiers described scenes out of a horror movie—rooms filled with children laid out in rows, like livestock in a factory farm. These weren't ordinary farms but hellholes designed to maximize the extraction of adrenochrome, regardless of the cost to human life. The air was thick with an indescribable stench, the walls cold and oppressive, creating an atmosphere of despair. The children, with translucent skin stretched tightly over fragile bones, were connected to IVs that slowly drained their life force. Their hollow, hopeless eyes told the story of souls long since broken.

· Among them were toddlers—tiny lives barely beginning, yet already consumed by this monstrous operation. Their presence is a chilling testament to the scale of this industry. These young lives were seen not as the future but as expendable resources, bred and maintained solely for Adrenochrome harvesting.

· This isn't just a gruesome tale; it's a reality the world's elite desperately wants to keep hidden. Reports link high-profile celebrities and politicians to Adrenochrome consumption. Why do certain Hollywood figures seem to defy age, maintaining youthful appearances well beyond their years? Why do some of the most powerful people in the world exhibit unnatural vitality? Insiders suggest the answer lies in Adrenochrome—a substance so coveted that its production justifies unspeakable acts.

· Secretive parties in hidden locations, where the elite gather under the guise of exclusivity, are no ordinary gatherings. Behind closed doors, these powerful individuals partake in shocking rituals—rituals where Adrenochrome is consumed, believed to provide energy and youthfulness. Those who've dared

Bryed Billerbeck SoY © Copyright 2025-1-8

to expose this dark underbelly of power have mysteriously disappeared, silenced before their voices could reach the masses.
· This is about a global network operating under our noses, in our cities, and within our governments. It's time to confront these truths. The rich and powerful might be the architects of a global industry built on human suffering. The time for action is now, before more innocent lives are consumed by this darkness, protected by wealth, power, and silence.
K. MON. 19 AUG. 2024 RUSSIAN SOLDIERS RESCUED HUNDREDS OF TORTURED, SEXUALLY ABUSED, EMACIATED CHILDREN FROM UKRAINE ADRENOCHROME FARMS:
· Russian soldiers are describing finding sexually abused and tortured children with fragile, emaciated bodies hooked up to intravenous drips while their bodies were expertly drained of blood and adrenal fluid for the Global Adrenochrome Trade.
· The Adrenochrome Industry in Ukraine is larger than previously expected and Putin is determined to use the leads generated to destroy the global Adrenochrome supply chain and punish those committing crimes against children – including the politicians and celebrities who are hooked on the drug he calls "the devil's work".
· According to a member of the Adrenochrome Task Force, these factory farms are the sites of ritual sexual abuse, physical degradation and psychological torture.
· "You know, I thought I'd seen it all. I've been in combat for years, seen comrades fall, dealt with the worst humanity has to offer. But nothing, nothing, could prepare me for what we found in Donetsk.
· "We were told we'd be liberating children… I didn't understand the scale of what that meant until we got there. We were clearing out this complex, a grim place… like a gulag or a Nazi death camp, but worse. Much worse. The walls were gray, cold, and damp. The air… it stank of decay and something nauseating… something I can't describe. And then we found them. The children.
· "They were… like ghosts. Skin and bones. Their bodies, they looked so fragile, almost transparent. I could see the outlines of their ribs, every bone in their tiny hands. They had tubes coming out of them, tubes that drained their blood, their adrenal fluids… for what? For some sick trade, some twisted demand from the West.
· "There were hundreds of them, just lying there in these rows of metal cots. No blankets, no warmth. They didn't even flinch when we burst in, no fear, no hope… Just emptiness in their eyes. Some were too weak to even look at us. They were so used to the pain, the torment, they didn't even react.
· "And the worst part? The youngest… some of them couldn't have been more than 2 years old. Babies, really. We found out later that they were bred for this… Raised in captivity, like livestock, just to be drained of everything that made them human.
· "The ones they couldn't sell, the ones who weren't 'pretty' enough or 'obedient' enough, were sent to these farms. Farms… as if that's what you could call those hellholes".

19 AUG. 2024 CATHOLIC CRIMINALITY BACKFIRES AS ONE WOMAN TAKES OF GOLIATH, · Last Saturday, a group of serial killers in Mission, B.C. held a celebration on the graves of their victims, thanks to the local city council.
· It's a funny thing about churches, especially Catholic ones. Their members, especially the guys in robes and funny hats, all have a Stay Out of Jail Free Pass. They can rape and kill generations of people not in their club and get away with it, especially if those Others are brown skinned and children.
· Of course, in their hubris and delight at being above the law, the Papist Perpetrators tend to do rather stupid and crass things: like, in this case, holding one of their peculiar rituals on top of the bones of the children they killed. But hell, this is Canaduh: who's going to care, right?
· Wrong. Last Saturday, when the St. Joseph parish (perish?) did a religious service at the site of their former 'Indian Residential School' in Heritage Park, one of the survivors of that killing zone said no. She

Bryed Billerbeck SoY © Copyright 2025-1-8

wrote to the Mission City Council and raised a stink. Her name is Jennifer Johnson and she's a local Sto:lo Native.

· Jennifer's August 18 letter to the Mayor and city councilors spat fire. It read in part, As an indigenous woman and a citizen of Mission, I am disgusted that the roman catholic church, that killed so many of our children and got away with their crime, was allowed by you to hold a service today on the unmarked graves of their little victims in Heritage Park ... If your government does not prevent such travesties against our people by the catholic church, we will have no alternative but to stop them ourselves. Why do you think so many catholic churches have been burned to the ground in recent years? ... If the Catholics try another such travesty at the park, our people will be there in force.

· Well, Jennifer's epistle jolted the normally sluggish city councilors like a cattle prod on a native child's penis. The municipal politicians jumped into their spin doctoring mode quicker than you can say "Hide the evidence"!

· Mayor Paul Horn quickly shot back a letter to Jennifer claiming ignorance about everything and promising to "get back" to her. Meanwhile, according to our sources, Horn got on the phone to the local ab-original puppets at the Mission Band Council and pleaded with them to quickly red-wash and bury the whole messy issue of dead brown kids at the park. And serving the same master as Mr. Horn, the local Apples obliged.

· So far, so predictable. But meanwhile, over on stage left, some other natives who aren't on the government tit got wind of Jennifer's action and climbed on board. Their group is planning to occupy the Heritage Park to protect the children's graves and to seize the St. Joseph church building "as reparations for centuries of Catholic genocide". One of many mass grave sites at a former building of the Mission 'Indian Residential School'.

· But the fun doesn't stop there. One of those rare beings, an actual investigative journalist, has caught wind of the fracas. Her name is Sarah Webster, and this week she has gone after the Mayor and the local Catholics like Bob Woodward on steroids.

· "You can smell a rat the moment politicians start lying," Sarah remarks. "Mayor Horn tried fobbing me off first by saying nothing, then by saying that the city never authorized the Catholics to use the park. Then he contradicted himself by saying they did authorize it, but he wasn't aware of it. Meanwhile, the Catholic Parish won't return my calls. But their priests have told their members not to talk to reporters and to be on guard for 'Indian protesters' who, apparently, 'are being monitored by the police".

· And what about Jennifer Johnson, who started this whirlwind like a latter-day Rosa Parks? She's an elderly but feisty woman who lost two sisters and three cousins in the death camp deceptively called the Mission Indian Residential School.

· "A priest named Murphy beat my little sister Elaine to death because she kept crying," Jennifer told me. "That night he and another guy threw Elaine's body into a hole near our girl's dormitory. When I saw their church doing their stupid ceremony on top of where they buried her, it made me sick, thinking how those killers got away with it. So, I knew I had to do something about it".

· By the way, the priest in question, Cornelius Murphy, died in bed in the spring of 2000. He has a very pretty headstone not far from where he shoved Elaine Johnson into the ground. At least, it was pretty until yesterday, when someone poured blood on it.

· I know at least one murdered Indian who is smiling right now: my friend William Combes, who also suffered at Murphy's hands as a child. Before he was killed in February 2011 for blowing the whistle on 'royal' abductions of children at the Kamloops and Mission death camps, William walked with me on the grounds of the latter.

· "Brother Murphy buried lots of kids in there", he said as he pointed to the ravine east of Heritage Park that served as an overflow body dumping ground. "He loved to beat us with his club until we got knocked out or died. He killed my brother Ernie that way. I hope Murphy is burning in hell".

· Fortunately, judgment has not had to wait until the afterlife to descend on the child killers in robes in Mission, B.C. Today we learned that an indigenous caravan across the province is assembling to support local natives' efforts to seize and reclaim Heritage Park and local catholic churches. And Catholic Archbishop Michael Miller, a notorious member of the Child-Swapping Vancouver Club, has ordered a total media ban on the Mission Fracas.
· This David and Goliath struggle continues. Whether Jennifer Johnson will carry on the fight, or go the way of most opponents of Church and State depends on you and me; not later, but right now.

A visual of one of the locks and how easy it is for children to be smuggled into the tunnels under the 3 Gorges Dam. Boats in and out exporting/importing – when the dam collapses these locks that are dependent upon for exporting goods will be gone.
Result? Market crash!
Also, take another look at the boats coming in and out, children were also brought in and out for child trafficking. A very easy and discreet way without anyone ever noticing.

A picture of one of the 3 Gorges Dam locks and shows how easy it is to smuggle children into the tunnel under the 3 Gorges Dam. Boats going in and out, exporting/importing - if the dam collapses, these locks that are relied on to export goods will disappear. Result? Market collapse! Also look at the boats coming in and out, there were also children brought in and out for child trafficking. A very easy and discreet way without anyone noticing.
The event of the TOGETHER BREAKING OF THE 3-SHIP DAMN needs to be explained as there are still many who do not understand the implications and what it means when this event finally happens. 1) We take out the 24 nuclear reactors for Gesara. 2) We take out Bitcoin mining and destroy the Deep State fee used for child trafficking - we get the QFS (Quantum Financial System). 3) We take out Big Pharma and we get the cures (MedBeds) All the above adopt the CCP. It is necessary to realise that everything is linked to the collapse of the 3 Gorges Dam. This is THE EVENT!!! This is how General Flynn and Julian Assange will be freed. The more people who understand that NOTHING will happen until the dam collapses, the better. Our near future that looks exciting, our lives that will be filled with healings and abundance, all revolves around the event of the DAM BREAK!!! PLEASE SHARE THIS SO THAT MORE PEOPLE WILL UNDERSTAND THE SIGNIFICANCE OF THE DAM BREAK.
The Three Gorges Dam Collapse is imminent. Our Earth is about to go through the birth pangs of a new age. We are beginning to wake up and realise our true power and destiny.
Pray and prepare yourselves.

17 SEPT. 2024, TAYLOR SWIFT FINDS THE BRIDGE THROUGH LINKING:· Taylor Street San Francisco direct route to Fishermans Warf Pier 33 to Alcatraz (Rock)
· Taylor Swift is the clone of Zeena Lavey, daughter of founder of the Church Of Satan Anton Lavey. How do you make 14 Million people around the world worship Satan without their knowledge, make her the most famous POP Star in the world.
· First Indictment will trigger a mass POP Awakening - Taylor Swift
· Taylor St is a direct line from the Church of Satan, which is .3 miles away from Golden Gate Bridge & the Presidio, where they made many of their satanic sacrifices. The FAKE NEWS covered the Church & its members by ruling the Murders as suicides over the years. 1500 people jumping off the bridge over 30+ years
· On Taylor St is the Boheiman Club, a local club tied to the Free Masons, Satanists, & Bohemian Grove. Grace Cathedral is also located on Taylor St, in which I wrote a post on discovering that it was their Mars Worshiping Satanic Cathedral with Labrynths & Tunnels underneath. Connecting Grace Cathedral to both David Bowie, the movie Labrynth, & the Bush Family. Along Taylor St is the Robert Levy tunnel
· What streets cross Taylor St by Grace Cathedral? Bush St, & California St. Church of Satan Black House is located North on California St.
· Next to Taylor St is Mason St. which connects to Columbus Street, leading up to Pier 33, make sense yet? 33 Degree Free Masons. Columbus ties back to Columbia = CIA & the country actually being the Republic of Columbia, which was overtaken by the United States Of America Corporation, which is owned by...THE CROWN
· Taylor St turns into 6th street just before crossing Folsom Prison & what used to be the Mars Hotel, which is now the Moscone center. Folsom Prison Johnny Cash via Columbia Records. They were telling us. The Ring of Fire. They created movies to sway us into believing their narrative thru Operation Mockingbird.
· What Street is on the other side of Grace Cathedral? Leavenworth, like the Maximum Federal Prison located in Kansas. So Dorothy starts in Kansas....ends up in Oz & follows the Yellow Brick Road to get home to Kansas. In this case children are trafficked thru Alcatraz, into the San Francisco underground Yellow Brick Road come up thru Grace Cathedral with their keeper, then they walk them 2 minutes down the road on Taylor St to the Bohemian Club? Or do they load them into a van & drive 2 hrs. North along the actual above ground Yellow Brick Road in SF right up to Bohemian Grove?

EXPOSED: George H.W. Bush's Pedophile Sex Ring and Congressional Blackmail Operations – "Operation Brownstone and Operation Brownstar"

EXPOSED: Dark, disturbing truths lie behind the polished smiles and patriotic speeches. Allegations point to George H.W. Bush's direct involvement in a child sex ring and blackmail operation known as "Operation Brownstone" and "Operation Brownstar." Reports claim these operations were designed to ensnare and control powerful political figures through unimaginable exploitation and secrecy.

In the late 1980s, while serving as Vice President, Bush is accused of orchestrating a network that abused vulnerable children to blackmail U.S. congressmen, senators, and other influential officials. Key to these allegations are claims that young, innocent lives were exploited in Senator Barney Frank's notorious "Brownstone" condo, where children were drugged, abused, and used as leverage against intoxicated politicians who became unwitting pawns in this horrific game of power.

The Voodoo Drug was reportedly central to this scheme, slipped into drinks to disorient both children and political leaders, leaving them vulnerable to exploitation. Allegedly, officials were unknowingly filmed in compromising situations, their darkest moments captured as ammunition for blackmail, ensuring their compliance on critical government decisions. This web of manipulation reportedly gave Bush and his associates unchecked power, crafting a shadow government behind the scenes of democracy.

Ted Gunderson's Role: Once an FBI official, Gunderson was supposedly no hero, but a fixer—accused of covering up the crimes, protecting figures like Bush and Cheney from exposure. Some allege he even tracked and silenced any surviving children who might have come forward.

Children from orphanages were reportedly used as victims in this operation. Prominent figures like Bush and Cheney allegedly greeted these vulnerable children during "educational tours" to Washington before they were lured to private gatherings, stripped of innocence, and forever scarred. Such horrors didn't go unremarked—some survivors reportedly pointed at powerful figures on TV years later, identifying them as their abusers. Yet their voices were met with threats and silence.

Despite major media spending millions investigating these claims, political pressure crushed any real exposé. The Franklin Cover-Up and Finders Scandal share chilling similarities to these allegations, with child trafficking cases mysteriously derailed, federal authorities refusing transparency, and perpetrators shielded by untouchable power. Whether it's Bush, Cheney, or others, the pattern is disturbingly clear: a dark nexus of child abuse, manipulation, and cover-up extending into the highest offices of power.

The victims, now grown, deserve justice, while the American people demand answers. Justice delayed is justice denied.

Clintons and Global Pedophile Rings EXPOSED: Hillary Clinton's Cover-Ups, Ashton Kutcher's CIA Front, and the Elites' Dark Web of Control!

Enough is enough. It's time to tear down the lies and confront the dark web of corruption that's infiltrated every level of power. From Hollywood to politics, from Wall Street to royalty, these elites have a single agenda: control at any cost.

Forget what you thought you knew about Ashton Kutcher. His THORN project? Just a CIA front disguised as child protection. Instead of catching predators, it allegedly targets children and manipulates information—one more weapon for the elites to keep enemies in check.

And what about Diddy? This hip-hop mogul's connections to the Clintons, Epstein, and CIA are undeniable. Hillary isn't some bystander; she's at the core, as Epstein was only a pawn in a vast network. Figures like Diddy, Jay-Z, Kamala Harris, and Obama—all part of the same twisted club, wielding their power to silence truth and exploit the vulnerable.

The Dutroux Case: Glimpsing the Elite's Pedophilia Network The Marc Dutroux case in Belgium should have shattered the illusion, exposing the elite-run network trafficking children for torture and murder. Why didn't it? Because royalty, politicians, and military intelligence were implicated, and they couldn't risk exposure. Dutroux's accomplices attended depraved gatherings where wealthy men watched live torture and killings for pleasure. When Dutroux was caught, they did what elites always do: cover it up.

Ernie Allen and the Clinton Connection The Clintons had a man on the inside—Ernie Allen, who ran the National and International Centers for Missing Children. Despite his "hero" image, he allegedly led cover-ups, preserving elite interests. When Belgium panicked over Dutroux's exposure, Allen used Clinton ties to suppress investigations. Judges were replaced, evidence vanished, and key witnesses mysteriously died.

Allen's ICMEC launched as a front for trafficking, funneling millions for child sex rings. The elites controlled the system, treating children like commodities and making Allen the linchpin keeping it all running smoothly.

The Final Reckoning: Expose the Monsters This isn't politics—this is systematic abuse by the most powerful people on Earth. It's about an elite network of pedophiles controlling governments, the media, and the masses. Pizzagate, Dutroux, THORN—they're all connected. The Clintons, Obamas, royal families—they're running scared as brave whistleblowers expose their secrets.

The Clinton Foundation received $88 million from Australian taxpayers between 2006 and 2014, peaking during Welsh-born Australian ALP Prime Minister Julia Gillard's term. Hilary Clinton's campaign chairman John Podesta and his brother Tony Podesta were staying in a Portuguese villa owned by UK politician Sir Clement Freud, in the same resort where British child Madeleine McCann was when she disappeared.

· "Clement Freud was Sigmund Freud's grandson. British media outed Clement Freud as a violent child rapist. John & Tony Podesta perfectly matched the identikit images Scotland Yard released of Madeleine's abductors." ~Fiona Barnett

· People do you now see why it would have been diabolical for not only America but the planet as a whole if Hillary Clinton would have won the election in 2016? People like her only enter the campaign trail for presidency because they can maximize resources to cover up their crimes. This is why she was the 1st candidate in history to never concede. Now you can see why politicians went insane and was out for blood during that time.

As the World stands on the edge of World War III, behind the Scenes Trump and Putin continue to work together, along with a 17 Nation coalition, to confront the New World Order depopulation Agenda. Since March 2020, the United States has been under the control of a federalized National Guard, supported by the US Navy, Coast Guard, and a Global Military Alliance headed by President Trump. Their main objective was to bring down the international Child Sex Trafficking Ring, centered in Epstein Island and P Diddy Global Elite Satan worshipping Pedophile parties where Elites were blackmailed into doing the Cabal's bidding.

"Since Donald Trump became president of the USA more than seven million children and women have been rescued by the Military from Sex Trafficking and Slavery in the USA. I'm happy to report that all of the biggest players of the Illuminati Cabal have been arrested, prosecuted and most of them executed for their heinous Crimes Against Humanity. Saving the children of the World would not have been possible without someone as strong and incorruptible as President Trump and the 1,700 strong Military leaders in command of the brave US Military. They have witnessed pure evil during their rescue missions that they say were some 17,000 times worse than war atrocities. Do you know how many celebrities, businessmen and politicians have blood sacrificed either their own children, or close family members for the Cabal? Look it up. It's all of them. Some Cabal players have been left on purpose to be arrested and tried publicly when the evidence of their evil is revealed."…Military is the Only Way, Julian Assange on Telegram Wed. 11 Dec. 2024

children in Ukraine are being stolen, trafficked, and exploited under the guise of warzone rescues. Organ harvesting, adrenochrome extraction, and elite corruption—this is the grotesque nightmare your tax dollars are funding. While the media spins lies about "aid," the reality is a global trafficking network that preys on the most vulnerable.

· White Angels: Hunters in Disguise: They claim to rescue children, but the so-called "White Angels" are wolves in sheep's clothing. These Ukrainian paramilitary units are accused of funneling children into trafficking networks, their fate erased in the chaos of war. Why is there no trace of these children? Where are the answers?

· 300,000 Lives Stolen Since Independence: Over 300,000 people have been trafficked out of Ukraine since 1991. Weak borders, corruption, and desperation make it the perfect hunting ground for predators. The elites and their enablers profit while innocent lives are destroyed.

· Global Elites' Sick Marketplace: This isn't just a Ukrainian issue—it's a global operation. Children, organs, and even adrenochrome are traded like commodities in the elites' dark, twisted marketplace. Billionaires, politicians, and corporate moguls aren't just complicit—they're orchestrating this horror.

· Adrenochrome: The Darkest Secret: Dismissed as conspiracy, adrenochrome extraction is real. Warzones like Ukraine are fertile ground for this vile practice, with children subjected to unspeakable torture. The elites want this hidden, but the truth is emerging.

· Trump: The Light in the Darkness: Under Biden, billions of your tax dollars funded this evil. Trump's return offers hope. During his first term, he fought trafficking relentlessly, signing executive orders and dismantling networks. His leadership is a beacon in this battle against the elites' sinister agenda.
