# On Earth As It Is In Heaven

Jesus teaches us in the Lord's Prayer, "On earth as it is in Heaven". Meaning, all battles occur and are finished in heaven first, before they are finished in "the natural", here on earth. (The flat one. ☺)

Vapor or Contrail

Chemtrail

Chemtrails act like night vision goggles for observing the "Army of The Heavenly Host."

# The Reno, Nevada Chemtrail Process

The process would begin between 9am and 10am and usually occurred on week days. They nearly always started with a Cross from which they made their Pentagrams.  2 to 3 days later it rained or snowed depending on temperature and elevation.  They take most of the summer off.

# Weather Modification

So, after they spray their chemicals, they hit them with giant fans or modulated energy waves from HARP stations to spread them out and move them into position. The tell tale signs of this are the remnants cavitation of the fan blades or modulated energy waves seen in the man made clouds. (see end section)

And shortly there after and before the storm clouds form, God does His thing. The Army of The Heavenly Host starts to poke their faces in it to scare the deep state trash below. If you look closely here you can see them beginning to do so.

Luke 2:8-15
Amplified Bible
**8** In the same region there were shepherds staying out in the fields, keeping watch over their flock by night. **9** And an angel of the Lord suddenly stood before them, and the glory of the Lord flashed *and* shone around them, and they were terribly frightened. **10** But the angel said to them, “Do not be afraid; for behold, I bring you good news of great joy which will be for [a]all the people. **11** For this day in the city of David there has been born for you a Savior, who is Christ the Lord (the Messiah). **12** And this will be a sign for you [by which you will recognize Him]: you will find a Baby wrapped in [swaddling] cloths and lying in a manger.” **13** **Then suddenly there appeared with the angel a multitude of the heavenly host (angelic army)** praising God and saying,**14** “Glory to God in the highest [heaven], And on earth peace among men with whom He is well-pleased.” **15** When the angels had gone away from them into heaven, the shepherds *began* saying one to another, “Let us go straight to Bethlehem, and see this [wonderful] thing that has happened which the Lord has made known to us.”

2 Kings 2:8-15
Amplified Bible
**8** And Elijah took his mantle (coat) and rolled it up and struck the waters, and they were divided this way and that, so that the two of them crossed over on dry ground.
**9** And when they had crossed over, Elijah said to Elisha, “Ask what I shall do for you before I am taken from you.” And Elisha said, “Please let a double [a]portion of your spirit be upon me.” **10** He said, “You have asked for a difficult thing. *However*, if you see me when I am taken from you, it shall be so for you; but if not, it shall not be so.” **11** As they continued along and talked, **behold, a chariot of fire with horses of fire [appeared suddenly** and] separated the two of them, and Elijah went up to heaven in a whirlwind. **12** Elisha saw it and cried out, “My father, my father, **the chariot of Israel and its horsemen!”** And he no longer saw Elijah. Then he took hold of his own clothes and tore them into two pieces [in grief]. **13** He picked up the mantle of Elijah that fell off him, and went back and stood by the bank of the Jordan. **14** He took the mantle of Elijah that fell from him and struck the waters and said, “Where is the LORD, the God of Elijah?” And when he too had struck the waters, they divided this way and that, and Elisha crossed over.

There seem to be "usual suspects." These Grinch looking guys, Lions, foxes and this one guy that looks like The Wizard of Oz's fake persona. I know there is something to that. He is almost always in the same place in the sky as well, top center. The Grinch guys are usually nose to the crosses and are pretty scary in profile. These entities only appear in the Chemtrails and not natural clouds.

**Okay, this is cool and very interesting. The picture on the right is the one I took a couple weeks ago and the one on the left came up on my phone as a remember this day photo just now. Oh my. It looks like the same angel (the Grinch guy in profile) was fading away or just coming in to scare some deep state trash when they were beginning to make the pentagrams in the sky over Reno. These were both taken from Cyan Park looking the same direction. Kinda like that other guy I saw (above) 3 times, some years apart. Remember the more roundish skull kinda guy? I'm so glad I have been taking these pictures!**

**The picture on the right is the second one that comes up when you search for contrails on line. The article is full of disinformation on this photo and contrails in general. I thought this was interesting as they captured the same X and the guy that shows up when they do the X. Oops, busted. The photos I took are from September 2023 and June 2021 of their same formation and the scary guy are upper and lower left for comparison.**

**I see these guys often. I think they're actually the front view of the scary X guy as you can recognize from the on line photo above.**

A little easier to see this guy in the larger photo. 3rd photo from the top left on the previous slide.

**The center guy is the archer. I've actually seen him in other photos from people on line from very early in the battle. In 2020 during the election theft, over the clock tower in Philadelphia during an election vigil.**

**These guys are pretty scary.**
**Sucks to be deep state.**

# California Burning

So when the deep state was burning up California for their various evil projects, smoke would billow into Nevada making my wilderness hiking times with The Lord, interesting. Often I would have to pray the night or morning before a hike for The Lord to move the smoke from where I was going. He did every single time for 3 years. It was amazing and exhilarating. I never missed a day hiking in clear air. The time below I wasn't sure where I was going as there was smoke all across the west. I asked The Lord to show me where to go and He sent the guys on the lower right ahead of me for nearly 250 miles until I landed in the Ruby Mountains. Then He left the these guys lower left for me during my stay. You couldn't see a mile anywhere else in the west during those days.

Very cool, a woman in a dress and a man to her right,  look like they're heading home, to one of the heavens.  And a couple raccoons?

# Puppies & Rainbows

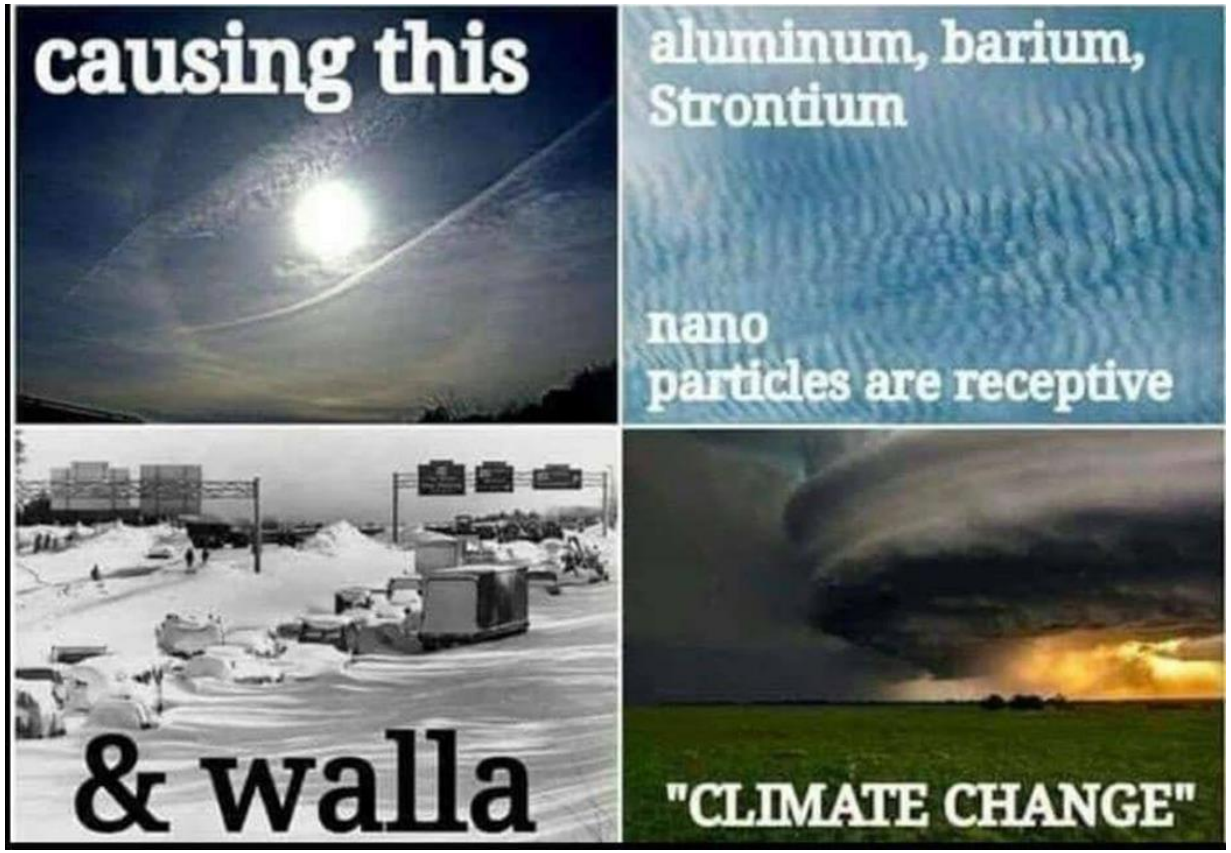

Shortly after our family dog died, I climbed a mountain, Wheeler Peak in Great Basin National Park, Nevada, to be with the Lord and grieve a little.  When I looked up, this is what He showed me. Fiona apparently is in good company! Praise Him!  (Natural Clouds)

Submission Information & Frequently Asked Questions

***What is "weather modification"?***

Any activity performed with the intention of producing artificial changes in the composition, behavior, or dynamics of the atmosphere. See 15 Code of Federal Regulations § 908) for what is considered weather modification.

***What role does NOAA play in weather modification?***

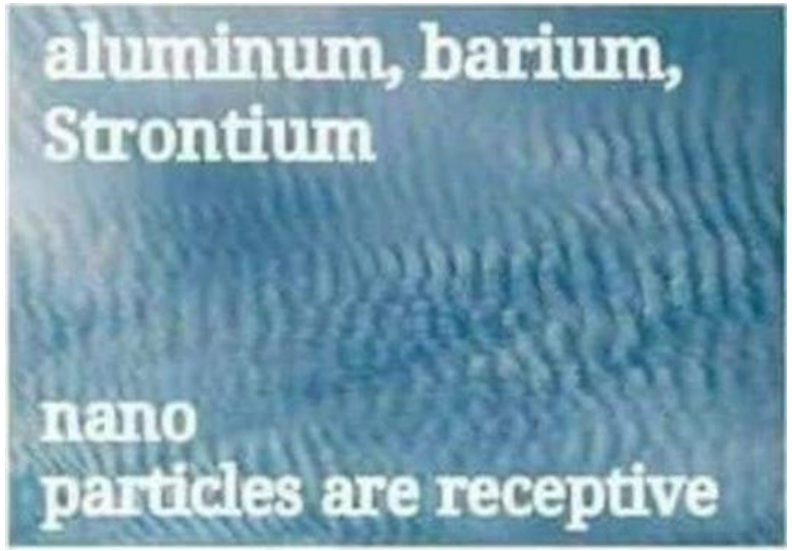

Companies that intend to engage in weather modification activities within the United States are required by the Weather Modification Act of 1976 (15 Code of Federal Regulations § 908) to provide a report to the Administrator of NOAA at least 10 days prior to undertaking the activity. Those reports are filed with the Weather Program Office and may be found on the NOAA Library website.

# Why Do We See Chemtrail Angels?

Bryed Billerbeck

# Why We See The Heavenly Host Post Chemtrails

We, and the Heavenly Host are among other things, electromagnetic. When the Army of The Heavenly Host gets close to the nanoparticles in the chemtrail soup, they are moved by the electromagnetic fields of the Host Beings. Before we were evicted from the Garden of Eden (read The Forgotten Books of Eden), humans were able to see the Heavenly Host as they went about their business. They could see the demons, etc. as well. Outside Eden in Satan's fallen world, they no longer had these abilities and were then severely disadvantaged in Satan's world. When I am out in the wilderness where I get most of these photos, I always feel their presence before I see anything. That feeling and impressions from The Lord is what gets me to look up. Even then, at first I would just take the photos and notice later what was there. Eventually, as my faith and understanding grew, I could hold the camera up and see them in the display and later still, I was able to see them without the camera or display. My faith is becoming my sight.

# Are Chemtrails Bad For Us?

Bryed Billerbeck

# Chemtrails Are No Longer Harmful

As I was awakening 6 some years ago now in 2019, I was greatly disturbed by the volume of “Chemtrails” in the Reno, Nevada skies.  I thought, why would God allow that with His anointed in office taking out the trash?  He wouldn’t. And even if He did, scriptures tell us they can’t harm us. Young in the awakening process, and with doubts, I asked God for a sign that this was true and He gave it to me right away, a giant Q in the sky made from a chemtrail.  Nowhere near a natural phenomenon.  So, I went on my merry way.  Not long after I saw this posted which made much more sense, purifying the earth from all the DS had done to it.

Since then, I’ve continued to document the Chemtrails but, mostly because of the angels I see pushing their forms into them which I shared earlier.  I do this so that I can help others later with what was going on.

# Logical Proof For Those Weaker In Faith

God would not let His earth be harmed any more than He would His faithful, He promises us that numerous times.  And we've all heard the "White Hats" telling us awakened, "the reason the process is taking so long is the military is doing absolutely everything in its power to minimize loss of life".  So, if the Chemtrails were still harmful, wouldn't the white hat military just start taking out deep staters with violent force and likely civilian casualties rather than having a poisoned sky killing 100s of millions or billions of people?

# God & His White Hats Really Are In Control

In 2021 while attending my Son-in-laws Airforce Academy graduation, cringing, while watching him shake the hand of now deceased deep state asset Lloyd Austin, God comforted me with this sight:

# A Moment of Unbelief, God's Answer

A few weeks ago, May 2025 someone posted on one of the Republic Wire channels they were frustrated by the Chemtrails. Someone complained that if the White Hats were really in charge, this wouldn't be happening. Doesn't that sound more like the bad guy narrative? God's in control, don't forget that. Others messaged about numbers to call, etc. but remember, those appearing to be in power are either central casting, CGI, asleep or, a remaining DS asset so, why waste your time? Don't forget, you really are watching a movie. I have to admit though, because of those comments, I had a little doubt which I hate. So, I was pondering this during a wilderness walk with God and said Lord, I'm sorry, I'm weak and doubting again, please give me another sign that the Chemtrails are okay. As I prayed there was only 1 crop-duster in the sky. Within 30 seconds, this is what God showed me:

3 connected crosses, the Trinity. In Roman numerals, 10, which in Gematria is double blessings. So 3 of them 6 times blessings? Bottom line, why worry, you can't put any hair back on your head and God has this. Don't forget that most important truth. Peace is from Him. Fear and angst are from the other guy. Cast this garbage off immediately.

# Sample of 1 Personal Proof

I spend 4 to 7 hours a day, 5 days a week with the Lord wandering with Him in His mountainous wilderness. Hiking, listening, praying, singing, praising, etc.  1,100 to 1,500 miles a year for the last 5 years.  I sleep outside in the wilderness more than 40 days a year, Spring through Fall.  If the Chemtrails were yet bad, I'd be dead.  I'm outside more each day than most in a month.  I'm 67, and in the best physical, spiritual, emotional, psychological health of my life.  I am not on a single medication (bioweapon or sorcery). If Chemtrails were still bad, that couldn't possibly be true. Holy Spirit only for me.

# Parting Thoughts

Turn it all off. If you're in the Re-Inhabited Republic, you're awake enough to know the mainstream media (every bit of it) is Satan's mouth piece and you have separated yourself from it completely.  If you haven't, there is little hope as you're listening to Satan and, if you're doing that more than praying and being in His Word or presence, you're listening to Satan more than God.  That should be pretty easy to recognize for you by now so, let's take it one step further.  Social media.  You don't think Satan has infiltrated that crap as well?  Most of the people we see there are owned as well. There are AI bots and CGI personas crafted to help you enter and become addicted to your own private echo chamber of 10% truth, 90% lie and complete separation from God.

# Parting Thoughts (Continued)

Satan knows what you want to hear.  Prove this to yourself.  How do you feel after you've listened to some of those idiots that give you dates that come and go, then move the dates and they too come and go?  Angry?  Frustrated?  Fearful?  Angsty? Depressed (Hope deferred)? Those feelings are not from God!  If you're watching social media more than reading scripture, praying or just flat out walking with and listening to God, Satan still has you. Satan is still keeping you from right relationship with God.  God is awakening us all now like never before so, why do we keep going back to the sewer (Egypt)? It's time to break free of it all.  When you do, God can start getting through to you in ways you've never experienced before.  You'll experience Him like never in your life.  You'll never go back.  If you have questions about something going on, anything, ask Him first like I did because of my doubt.  You'll be amazed by how fast He'll show you if you believe He will and you listen.  Trust, have a mustard seed worth of faith.  Start small, be patient and **"let your faith be your sight."** You can do it!
