The claim: “All planned.”

The "Black Eye" Club

The term "Black Eye Club" refers to a group of high-profile individuals, including politicians, celebrities, and business elites, who have appeared with unexplained black eyes.

- **Observation**: These individuals belong to the so-called 1% and lead lives far removed from physical altercations. The phenomenon has sparked speculation about ritualistic practices within secret societies.
- **Expert Commentary**: Dismissed by some as mere conspiracy theories, these occurrences have nevertheless drawn attention to the hierarchical structures within private organizations, where public rankings are often a facade.
