The Activist

It starts like an itch. Something happens in our lives that causes us to question what we know. We open our eyes and seek the truth. The more we uncover, the hungrier we are for understanding. But the world isn't perfect, and there's a lot of pain and deception. We have the burning desire to do more. We read, a lot. We start protesting. Our family labels us too negative, our friends start to pull away, our spouses reject us. We are labeled as hippies, anarchist, angry kids, conspiracy theorists and terrorists. We are beaten by police and mocked by the news. Yet, we have become obsessed with spreading the truth. It becomes a very solitary journey.

EXCLUSIVE — ‘TOOL TO ENFORCE ORWELLIAN RULES’: 80 HOUSE REPUBLICANS HELP PASS BILL TO FUND FEDERAL VACCINATION DATABASE

DID YOU KNOW?

A 2005 film titled "V for Vendetta" is about a totalitarian dictatorship that gains its power by creating a society of fear due to an alleged virus spreading throughout the world. In the film the media pushes fear-based propaganda on the television screen of every household and on the city streets. The authoritarian dictator promises security but not freedom. The constant theme of "this is for your safety" is repeated throughout the film. Most importantly the film ends with society waking up and the corrupt, fascist regime is dismantled. What year is the film set?... 2020

Elon Musk has reportedly made an offer to buy the FBI from the Clintons

@TruthmattersNews

The FBI had sex tapes of Democrat mayors sleeping with a Chinese spy and kept them hidden, knew Eric Swalwell was sleeping with the Chinese spy and kept it hidden, had Hunter Biden's laptop and kept that hidden, but leaked a dossier they knew was fake to the New York Times in an effort to take down Trump.

TEN STAGES OF GENOCIDE

- 1 **Classification:** People are divided into "us and them."
- 2 **Symbolization:** People are **forced** to identify themselves.
- 3 **Discrimination:** People begin to face systematic discrimination.
- 4 **Dehumanization:** People equated with animals, vermin, or diseases.
- 5 **Organization:** The government creates specific groups (police/military) to enforce the policies.
- 6 **Polarization:** The government broadcasts propaganda to turn the populace against the group.
- 7 **Preparation:** Official action to remove/relocate people.
- 8 **Persecution:** Beginning of murders, theft of property, trial massacres.
- 9 **Extermination:** Wholesale **elimination** of the group. It is "extermination" and not murder because the people are **not** considered human.
- 10 **Denial:** The government **denies** that it has committed any crime.

I reach out in this manner, because much of our world media is currently facing justice under RICO laws of the United States of America.

Recent illustrations of crimes committed against the American people, foreign peoples and the children of the world, has left the entire planet gripped with disillusionment and disbelief.

As the President of the United States of America I would like to apologize for the crimes committed in the name of our country.

America's message to the world is this: "It is time to heal and build a new tomorrow. It's time to build a world filled with truth and justice, honour and character;.... for ourselves and our children.

To those people who are found on our "F.B.I. Special Project Most Wanted List" I say the following:

The world doesn't care how important you were: politicians, Crown Princes, business leaders, and others: If you are on the list this message applies to you.

Your efforts to engage in criminal acts have now been discovered by intelligence agents and police, who have searched the data-backup of the internet to uncover crimes against humanity. For this, you will pay the following price:

I hereby request all men and women on that list to surrender to your nearest law enforcement agency (wherever you are) at which time extradition documents will be forwarded to that police agency and you will be transported to the United States of America: where will receive a fair trial.

Any delays in this procedure caused by the need to correct defects in our justice system are not our concern. You will be tried in time.

Failure to report for arrest within the next 24 hours, will result in your name being added to an Executive Order; under which I will instruct police to track you down and execute you where you sleep. *There will be no exceptions.*

My next Executive Order will be to execute all pedophiles: *there will be no exceptions.*

May God bless the people of this world, and may God Bless America.
