

# “Satanic Teachings” (From Scripture)

**Bryed Billerbeck**

Version 1.1 | 2025

## Abstract

This document traces the unbroken, scripturally identifiable pattern of satanic teaching from Eden through the present day. Rather than treating deception as a series of disconnected movements, personalities, or religions, it exposes a single, consistent “curriculum” that reappears across history under different names, vocabularies, and cultural forms. Scripture provides the diagnostic framework, revealing recurring core elements: self-deification, secret or higher knowledge, spirit contact apart from God, reversal of good and evil, unity without repentance, manipulation of reality, and denial of judgment.

Using biblical texts alongside historically documented transmission streams—pre-Flood corruption, Babel, pagan mystery religions, Hermeticism, Gnosticism, Kabbalah, occult lodges, Theosophy, and the modern New Age—this work shows how ancient rebellion is continually repackaged for new generations. The goal is not to condemn ethnic groups or merely catalogue organizations, but to expose the spiritual operating system Scripture calls “Mystery Babylon,” which works through cultures, philosophies, and religious systems to deceive the nations.

By identifying the pattern rather than chasing labels, readers are equipped to recognize satanic teaching wherever it appears, test it against Scripture, and reject it decisively in obedience to God.

---

## Purpose & Scope

### Purpose.

To expose, using Scripture as the final authority, the consistent teachings, methods, and objectives of Satan that appear throughout history and across religious, philosophical, and spiritual systems—so believers can recognize deception regardless of its outward form.

### Scope.

This document:

- Identifies the **core satanic teachings** directly from Scripture.
- Traces their **historical transmission** from Eden, through pre-Flood corruption and Babel, into pagan religions, mystery schools, esoteric philosophies, occult movements, and modern New Age expressions.
- Demonstrates how these teachings resurface in both overtly pagan systems and syncretistic or counterfeit “Christian” movements.

- Uses documented texts, movements, and figures as **evidence of transmission**, not as the ultimate authority.
- Anchors every exposure point in **direct biblical contradiction**.

**What this document is not.**

It is not an attack on ethnic groups, cultures, or individuals, nor is it a claim that all participants knowingly serve evil. It is a spiritual diagnosis of teaching systems, not a condemnation of people.

---

## Foundational Premise

1. **Satan’s teachings are consistent, not creative.**  
Scripture reveals that Satan does not invent new doctrines; he repackages the same lies introduced in Eden. While language, symbols, and cultural dress change, the underlying content remains stable.
  2. **The primary battleground is worship and authority.**  
Every satanic teaching ultimately challenges God’s authority, the sufficiency of His Word, and the exclusivity of salvation through Jesus Christ. The conflict is not merely intellectual, but covenantal.
  3. **Spiritual deception precedes social, political, and moral collapse.**  
False teaching does not remain confined to “religion.” It reshapes worldview, morality, governance, economics, and identity—producing rebellion framed as enlightenment and bondage framed as freedom.
  4. **Scripture is sufficient to identify deception across all eras.**  
God has already given the diagnostic tools needed to test spirits, teachings, and movements. No external authority is required to recognize satanic instruction when Scripture is rightly understood and applied.
- 

## 1. The core satanic curriculum (from Scripture)

Before we chase documents and people, we need the *pattern* Scripture gives us so we can recognize the fingerprints.

### 1.1. The original lies

#### Eden (Genesis 3)

Satan’s “syllabus” in the garden:

1. **“Has God really said...?”** – Undermine the authority, clarity, and sufficiency of God’s Word (Gen 3:1).
2. **“You will not surely die”** – Deny judgment and consequences (Gen 3:4).

3. **“You will be like God, knowing good and evil”** – Self-deification via secret knowledge apart from obedience (Gen 3:5).

That’s basically the DNA of every later counterfeit.

### **Key Scriptures that describe his methods:**

- **2 Cor 11:3–4, 13–15** – Another Jesus, another spirit, another gospel; Satan disguises himself as an angel of light.
- **Isa 14:12–15; Ezek 28:12–17** – Pride, self-exaltation, desire to be “like the Most High.”
- **Deut 18:9–14** – Occult practices (divination, sorcery, necromancy) explicitly tied to abominations.
- **1 Tim 4:1** – “Teachings of demons.”
- **Rev 12–13, 17–18** – Deception of the whole world, beast system, and “Mystery, Babylon.”

From these you can extract a **checklist of satanic teachings**:

1. **Self-deification** – “You are (or can become) God / divine.”
2. **Secret / higher knowledge (gnosis)** – Salvation or elevation by hidden wisdom reserved for the “initiated.”
3. **Contact with spirits** – Spirit guides, ascended masters, ancestors, etc., apart from the Holy Spirit.
4. **Reversal of good and evil** – Calling rebellion “freedom” and obedience “bondage.”
5. **Unity without repentance** – Global “oneness” that bypasses the cross.
6. **Manipulation of reality** – Magic, ritual, word-power to control outcomes and “manifest” desires.
7. **Denial of judgment** – Reincarnation, universalism, or “no hell, no wrath.”

Wherever you see these seven, you’re watching the same curriculum with a different label.

---

## **2. The ancient root: rebellion → watchers → Babel → Mystery Babylon**

### **2.1. Pre-flood corruption: the watchers**

The **Book of 1 Enoch** (which you’ve asked me to treat as spiritually significant) describes the “watchers” (fallen angels) who:

- Rebel, take human women, produce Nephilim, **and teach forbidden arts** – sorcery, incantations, weaponry, cosmetics for seduction, astrology, etc. (1 Enoch 7–8).

That matches:

- **Gen 6:1–4** – “Sons of God” taking human women.
- **Deut 4:19; 32:17; Psalm 106:37–38** – Nations worshiping the “host of heaven” and sacrificing to demons.

So one deep root of occult teaching is: **fallen heavenly beings teaching humanity how to rebel more efficiently**. In your framework, that’s the “spiritual R&D lab” of Satan’s instruction program.

## 2.2. Babel: the centralized spiritual operating system

After the flood:

- **Gen 11:1–9** – Tower of Babel: one language, one culture, one city, one tower “with its top in the heavens.”

From a biblical discernment lens:

- Babel = attempt at **unified world system** + reaching the heavens by human effort (proto-“globalism” + occult ascent).
- When God scatters them, they don’t drop the system; they **export it** into the nations.

Thus the same “Mystery Babylon” software gets **forked** into different cultural versions.

## 2.3. Mystery Babylon: the mother system

By Revelation, that operating system is fully named:

- **Rev 17–18** – “Mystery, Babylon the Great, the mother of harlots and of the abominations of the earth.”

She’s the **mother**, the root system that spawns all the offshoots:

- Idolatrous worship systems (harlotry).
- Economic sorcery (“your merchants were the great ones of the earth, and all nations were deceived by your sorcery” – Rev 18:23).

Biblically, **Babylon** and **Egypt** are your “satanic capital cities” in the visible realm – economic (Babylon) and governmental (Egypt) strongholds under the same dragon.

---

## 3. The documentable “Western esoteric stream” (the paper trail)

Now we trace how that spiritual operating system shows up in **actual texts, movements, and individuals** that very clearly carry those Eden/Babel traits – and that modern New Age etc. explicitly draw on.

### 3.1. Late antiquity: Hermeticism & Gnosticism

Modern scholars group a whole family of currents under “**Western esotericism**”, whose roots they trace to the Hellenistic world (Egypt, Levant, Greece, Persia mixed) in late antiquity.

[Wikipedia](#)

Key pieces:

#### 1. Hermeticism

- Texts like the *Corpus Hermeticum* and *Asclepius* (2nd–3rd c. AD).
- Teach an inner divinity (spark of God in man), ascent through spiritual knowledge, and a hidden wisdom for the initiated. [Wikipedia](#)
- This is straight “you will be as gods” + “secret knowledge” in philosophical dress.

#### 2. Gnosticism

- 2nd–3rd c. Christian-adjacent heresies: salvation by secret gnosis; a distinction between elite “knowers” and ordinary believers.
- Denies creation’s goodness; often flips Yahweh into a lesser or evil “demiurge.”
- Paul prophetically warns against similar tendencies: **Col 2:8, 18–19; 1 Tim 6:20**.

These currents already match multiple satanic markers: **self-deification, secret knowledge, and reversal of the biblical Creator**.

### 3.2. Medieval/Renaissance: Kabbalah and the Hermetic–Christian synthesis

In the medieval and Renaissance periods, the “old gods” and occult wisdom get dressed up as “philosophy” and “Christian Kabbalah”:

- Renaissance thinkers like **Marsilio Ficino** and **Pico della Mirandola** blended **Hermetic texts, Platonism, and Jewish Kabbalah** with Christianity, promoting an idea of an ancient “*prisca theologia*” – a primordial wisdom tradition underlying all religions. [Wikipedia](#)
- This is essentially the “**all paths lead to the same mountaintop**” lie plus **esoteric inner teachings** for the few – again, textbook satanic themes.

At the same time, various **grimoires** and magical handbooks circulate (Solomonic magic, alchemy, astrology), all assuming:

- Spiritual powers can be **accessed, commanded, or manipulated** by the savvy practitioner – directly contrary to Deut 18:9–14 and Acts 19:19.

### 3.3. Rosicrucian manifestos and early Freemasonry

In the early 1600s:

- The **Rosicrucian manifestos** (*Fama Fraternitatis*, etc.) appear, claiming a secret brotherhood preserving esoteric wisdom from ancient times. Historians see these as largely literary productions but they **seed the idea** of an invisible fraternity of initiated adepts. [Wikipedia](#)

Late 1500s–1600s:

- **Freemasonry** emerges as stonemasons' guilds morph to include non-craftsmen and esoteric themes. In France and elsewhere it absorbs **Hermetic, Kabbalistic, and Rosicrucian** motifs. [Wikipedia+1](#)

Core traits here:

- **Initiatory degrees / secret oaths** – knowledge in stages.
- Use of **symbolism** and **allegory** to convey a “hidden doctrine.”
- A concept of a **universal brotherhood** transcending particular faiths (proto-perennialism).

From a biblical lens, that aligns with: secret gnosis, unity without the cross, and divided loyalties between Christ and another oath-bound system (Matt 5:34–37; 2 Cor 6:14–18).

### 3.4. 18th–19th century occult revival

As Enlightenment rationalism rises, a parallel **occult revival** rises to offer a “third way” between Christian orthodoxy and materialism. Scholars group these under Western esotericism, drawing on **Hermeticism, Gnosticism, Neoplatonism, and Kabbalah**. [Wikipedia+1](#)

Key figures/movements:

- **Emanuel Swedenborg (1688–1772)** – visionary travels, elaborate angelology, correspondence between material and spiritual worlds. [Wikipedia](#)
- **Franz Mesmer (1734–1814)** – “animal magnetism”; proto–New Age energy healing. [Wikipedia](#)
- **Éliphas Lévi, Papus, René Guénon** – explicitly systematize “occultism,” magic, and “tradition” as an inner stream beneath all religions. [Wikipedia](#)
- **Hermetic Order of the Golden Dawn, Aleister Crowley** – Kabbalah-based ceremonial magic, will-based reality manipulation. [Wikipedia](#)

Again, the **same pattern**:

Inner circle, secret wisdom, altered states, magic, self-deifying language, and a “universal tradition” that relativizes the biblical revelation.

### 3.5. Theosophy: the New Age's mother lodge

Here's one of your biggest "smoking guns."

- **Helena Petrovna Blavatsky** founded the **Theosophical Society** in 1875 (New York). [Wikipedia+1](#)
- Theosophy blends Eastern religions, Western occultism, and spiritualism; teaches "ascended masters," root races, and evolution of consciousness.

Scholars – and even sympathetic writers – acknowledge:

- *"No single organization or movement has contributed so many components to the New Age Movement as the Theosophical Society... It has been the major force in the dissemination of occult literature in the West in the twentieth century."* [Wikipedia+1](#)

So if **Mystery Babylon** is the spiritual mother system, **Theosophy** is arguably the **modern publishing arm** that exports that system into the 19th–20th c. world.

The core doctrinal overlaps with Eden and Babel are obvious:

- Humanity evolving to godlike status (self-deification).
- Secret masters, initiations, and inner teachings (gnosis).
- Spirit contact with "ascended beings" (forbidden spiritual traffic – compare 2 Cor 11:14; Gal 1:8).
- One-world "brotherhood of humanity" apart from repentance and faith in Christ (false unity).

### 3.6. Alice Bailey, Lucis Trust, and the explicit "New Age"

Next step: **Alice Bailey**, a former Theosophist.

- Wrote ~25 books of esoteric teachings, claiming telepathic dictation from a "Tibetan master" (Djwhal Khul). [Wikipedia+1](#)
- Was among the first to popularize the term "**New Age**." [Wikipedia](#)
- Founded **Lucifer Publishing Company** (renamed **Lucis Publishing**), and launched the **Arcane School** to train "New Age disciples." [Catholic Culture+1](#)

Her works explicitly:

- Talk about a coming **New World Religion** and New Age order.
- Promote meditation techniques to contact "masters" and shift human consciousness. [Lucis Trust+1](#)

From a biblical exposure standpoint, Bailey is like a **commentary on Revelation 13 & 17** written from the dragon's PR department.

### 3.7. The 20th-century New Age explosion

By the 1960s–80s, what had been elite esoteric doctrine goes **mass-market**:

- Scholars note that New Age, as a form of Western esotericism, **draws heavily on Theosophy, New Thought, Spiritualism, Swedenborg, Mesmer, and 19th-century occultism.** [Wikipedia+1](#)
- It merges with the **Human Potential Movement, counterculture, UFO religions, and holistic health.** [Wikipedia+1](#)

The result is the familiar New Age package:

- “You are divine / infinite consciousness” (self-deification).
- Channeling ascended masters, ETs, guides (spirit contact).
- Law of attraction, manifesting reality (magical manipulation).
- All religions are paths to the One (perennialism).
- A coming planetary shift into a higher vibration / age (eschatology without repentance or the cross).

**Biblical diagnostic:**

- **2 Thess 2:9–12** – signs, wonders, and deception for those who refuse the love of the truth.
- **Rev 13:13–14** – false prophet performing signs to deceive earth-dwellers.
- **1 John 4:2–3** – spirits that deny the biblical Jesus.

---

## 4. How this root feeds the other branches

Now, your “tree”:

New Age, Native American, Freemasonry, secret societies, etc.

From a *spiritual* perspective, the biblical claim is that “**the whole world lies in the power of the evil one**” (1 John 5:19), and “**what pagans sacrifice, they offer to demons and not to God**” (1 Cor 10:20).

So the **root** is not primarily a human organization, but a **network of rebellious spirits** working through cultures, philosophies, and religions. However, historically, you can see how similar doctrines surface in different shells.

### 4.1. Freemasonry & secret societies

Already touched in 3.3–3.4:

- Hermetic, Kabbalistic, and Rosicrucian elements are **openly acknowledged** in parts of Masonic and para-Masonic lore. [Wikipedia+2Metaphysical Compass+2](#)

- Esoteric orders (Golden Dawn, O.T.O., etc.) emerge directly from this stream and in turn influence later occultists and New Agers.

Use Scriptures on **oaths, hidden wisdom, and divided loyalty**:

- Matt 5:34–37 – Jesus: “Do not swear at all... let your ‘Yes’ be yes.”
- 2 Cor 4:2 – renouncing secret and shameful ways.
- Eph 5:11 – no fellowship with unfruitful works of darkness, but expose them.

## 4.2. New Age & “Ascended Masters”

This is almost a **direct offspring** of Theosophy + Bailey:

- The “Ascended Master Teachings” (I AM Activity, Church Universal and Triumphant, etc.) are explicitly noted as **offshoots of Theosophy**. [Wikipedia](#)

Scriptural exposure:

- **Gal 1:8** – even if an angel from heaven preaches a different gospel...
- **2 Cor 11:14–15** – Satan disguises himself as an angel of light.
- **1 Tim 4:1** – deceitful spirits and teachings of demons.

## 4.3. Native American / indigenous spiritualities (handled carefully)

Here we have to be precise and fair.

Historically, Native American traditions are **indigenous**; they did *not* receive a literal paper-trail hand-off from Hermeticism or Theosophy. But biblically:

- After Babel, *all* nations receive some version of the **idolatry + spirit-worship package** (Rom 1:21–23; Deut 32:8–17).
- So *any* system that centers on **spirit beings, ancestor veneration, or nature spirits** will, from a biblical discernment lens, intersect with the same demonic network – even if the people are sincere and the culture is oppressed.

Where the **modern New Age** explicitly syncretizes Native practices (sweat lodges, vision quests, animal totems, etc.) into its spiritual buffet, you can trace a **clear New Age appropriation pipeline**:

1. Theosophy / New Age: “All spiritual paths contain fragments of the one wisdom.”
2. Western seekers selectively adopt Native rituals, repackaged under “shamanism,” “power animals,” etc.
3. Those rituals are interpreted through a **New Age interpretive grid**: spirit guides, inner divinity, planetary healing.

Exposure Scriptures:

- **Lev 19:31; Deut 18:9–14** – forbidding mediumship and consulting spirits.
- **1 Cor 10:21** – cannot drink the cup of the Lord and the cup of demons.

The target is not ethnic groups (which are *loved* and destined for redemption in Rev 7:9), but the **spirit-systems** that keep them in fear and bondage (Heb 2:14–15).

#### 4.4. Other branches: UFO religions, secret “Christian” heresies, etc.

Because the **core satanic curriculum** is stable, it can surface in many other places:

- **UFO cults / ET channeling** – ascended beings from the stars bringing higher knowledge, promising a coming age. This is just “**ascended masters” with space suits**.
- **Prosperity gospel / “little gods” teaching** – sometimes merges word-of-faith with “**you are little gods with creative power in your mouths**”, which mirrors occult manifesting and New Thought.
- **Progressive or mystical “Christianity”** that denies sin, judgment, uniqueness of Christ, or treats Jesus as a model of awakened consciousness – again: **self-deification + no judgment + unity without repentance**.

Use Scriptures:

- John 14:6; Acts 4:12 – exclusivity of Christ.
- Heb 9:27 – appointed once to die, then judgment (contra reincarnation).
- 2 Tim 4:3–4 – people wanting teachers who say what their itching ears want to hear.

## **SUMMARY: THE UNBROKEN THREAD**

**Every branch traces back to the same 7 teachings:**

1. Self-deification
2. Secret / higher knowledge
3. Spirit contact apart from God
4. Reversal of good and evil
5. Unity without repentance
6. Manipulation of reality
7. Denial of judgment

**Scripture calls this exactly what it is:**

**“Mystery, Babylon the Great, the mother of harlots.” — Rev 17:5**

**“The whole world lies in the power of the evil one.” — 1 John 5:19**

**“What pagans sacrifice, they offer to demons.” — 1 Cor 10:20**

## **Summary & Conclusion**

This document demonstrates that satanic teaching follows an unbroken thread from Genesis to Revelation. From Eden’s original lie—questioning God’s Word, denying judgment, and

promising god-likeness through forbidden knowledge—to the fully developed system Scripture names “Mystery Babylon,” the same curriculum reappears across ages, cultures, and institutions.

History confirms what Scripture already declares: fallen spiritual powers repeatedly teach humanity how to bypass obedience, access power apart from God, redefine good and evil, and construct unity without repentance. Whether expressed through ancient mystery religions, philosophical systems, occult orders, modern New Age spirituality, syncretistic Christianity, or emerging techno-spiritual movements, the substance remains unchanged.

The danger is not merely that these teachings exist, but that they are often normalized, sanitized, or reframed as wisdom, progress, healing, or enlightenment. When believers fail to recognize the pattern, deception gains legitimacy and spreads unchecked. Scripture warns that the whole world lies under the influence of the evil one and that false light will masquerade as truth.

The response is not fear, obsession, or endless cataloging of movements, but clarity and obedience. God’s people are called to expose the works of darkness, test every spirit, reject secret knowledge and divided loyalties, and hold fast to the sufficiency of Christ, the authority of Scripture, and the reality of judgment.

Every counterfeit ultimately collapses under the light of truth. The task of the faithful is not to chase every new manifestation of deception, but to remain anchored in the Word of God—because when the root is exposed, every branch can be recognized and cut off.

#### 1. THE FALL & ORIGINAL LIE

##### Genesis 3:1–5

Now the serpent was more crafty than any of the wild animals the LORD God had made. He said to the woman, “Did God really say, ‘You must not eat from any tree in the garden’?”

The woman said to the serpent, “We may eat fruit from the trees in the garden, but God did say, ‘You must not eat fruit from the tree that is in the middle of the garden, and you must not touch it, or you will die.’”

“You will not certainly die,” the serpent said to the woman.

“For God knows that when you eat from it your eyes will be opened, and you will be like God, knowing good and evil.”

## **2. PRE-FLOOD CORRUPTION & THE WATCHERS**

### **Genesis 6:1–5**

When human beings began to increase in number on the earth and daughters were born to them, the sons of God saw that the daughters of humans were beautiful, and they married any of them they chose.

Then the LORD said, “My Spirit will not contend with humans forever, for they are mortal; their days will be a hundred and twenty years.”

The Nephilim were on the earth in those days—and also afterward—when the sons of God went to the daughters of humans and had children by them. They were the heroes of old, men of renown.

The LORD saw how great the wickedness of the human race had become on the earth, and that every inclination of the thoughts of the human heart was only evil all the time.

### **Jude 1:6**

And the angels who did not keep their positions of authority but abandoned their proper dwelling—these he has kept in darkness, bound with everlasting chains for judgment on the great Day.

---

### **1 Peter 3:19–20**

After being made alive, he went and made proclamation to the imprisoned spirits—to those who were disobedient long ago when God waited patiently in the days of Noah while the ark was being built. In it only a few people, eight in all, were saved through water.

## **3. FORBIDDEN SPIRIT PRACTICES**

## **Deuteronomy 18:9–14**

When you enter the land the LORD your God is giving you, do not learn to imitate the detestable ways of the nations there.

Let no one be found among you who sacrifices their son or daughter in the fire, who practices divination or sorcery, interprets omens, engages in witchcraft,

or casts spells, or who is a medium or spiritist or who consults the dead.

Anyone who does these things is detestable to the LORD; because of these same detestable practices the LORD your God will drive out those nations before you.

You must be blameless before the LORD your God.

## **4. BABEL – ONE WORLD REBELLION**

### **Genesis 11:1–9 The Tower of Babel**

**11** Now the whole world had one language and a common speech. <sup>2</sup> As people moved eastward,<sup>[a]</sup> they found a plain in Shinar<sup>[b]</sup> and settled there.

<sup>3</sup> They said to each other, “Come, let’s make bricks and bake them thoroughly.” They used brick instead of stone, and tar for mortar. <sup>4</sup> Then they said, “Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves; otherwise, we will be scattered over the face of the whole earth.”

<sup>5</sup> But the LORD came down to see the city and the tower the people were building. <sup>6</sup> The LORD said, “If as one people speaking the same language, they have begun to do this, then nothing they plan to do will be impossible for them. <sup>7</sup> Come, let us go down and confuse their language so they will not understand each other.”

<sup>8</sup> So the LORD scattered them from there over all the earth, and they stopped building the city. <sup>9</sup> That is why it was called Babel<sup>[c]</sup>—because there the LORD confused the language of the whole world. From there the LORD scattered them over the face of the whole earth.
